P Phil presented Dr Werner Haas with his Paul Harris Award certificate and badge. The Paul Harris fellow recognition acknowledges individuals who contribute, or have made contributions in their name, of 1000 USD to the Rotary Foundation.

Rotary Established this recognition in 1957 to encourage and show appreciation for substantial contributions to Rotary Foundation.

Following the cheque presentation to E-Jan for 500,000 Thai baht from the Rotary Club of Royal Hua Hin and a further cheque from Rotary Club Bangkok South for 100,00 Thai Baht, the E-Jan team were taken to the Anuban Hua Hin Nongkhon School to see our flagship project the Rotary Education Center. E-Jan was impressed with this project and thanked our club for supporting the local Thai People to improve their quality of life.

Hua Hin and Cha-Am Tourism Association. Sunset Run.

The Rotary Club of Royal Hua Hin (RCRHH) was pleased to support the Hua Hin Sunset run organised by the Hua Hin Cha-Am tourist Authority. The RCRHH sponsored the event with 5000 Thai Baht to help provide food for the runners. The event was held in Kao Tao and was well supported attracting hundreds of runners of all ages and nationalities. The event featured a fun run of 5.9 KM and a mini marathon of 9.9 KM. The success of this event hopefully shows that the recovery of Hua Hin is now starting, and I am sure future events will be held in the coming

months. A special thanks to Rotary Ann Khun Naphat who purchased water to hand out to the runners.

Past President and Service Project Chair Napa Keawtem is currently visiting Australia, as a guest of our Inter Country Service chair Alan Brown. Recently they visited the Rotary Club of Noble Park Dingley, who have previously supported our projects here in Thailand. The Rotary Club of Noble Park Dingley have agreed to become an international partner with the project from Phang Gna to renovate a dental Clinic at the Thap Put Hospital. The RCRHH

have donated 1000 USD from the District Distribution fund. This proved that partnership working with our sister clubs and other Rotary clubs both within Rotary District 3330 and clubs in other countries helps develop communities all over the globe. Sharing the Beauty, I see without Words.

This week's guest speaker was Patrick Jacobs from Hasselt in Belgium but has been living in Hua Hin for 15 years. Patrick who used to be a hairdresser developed a passion for photography many years ago, and is now in an ideal place here in Thailand to follow this passion. Patrick who has won many awards for his photographs demonstrated to the members and guests using his photos the effects of light, light and reflection, diffused light, light and silhouette, reflections and the difference the lens size makes to the same picture.

Patrick

stated that although mobile phone cameras have improved greatly over the years they do not have the versatility of a camera, however he went onto say you cannot make a phone call on a camera. Patrick asked the members and guests to use their mobile phones and take a picture of the glass of water rotating their phone through 360 degrees to demonstrate the effects this has on the picture you are taking. Below is a selection of Photos from the presentation.

Patrick informed the meeting that between the 24th and 25th September he would hold an exhibition of his works at the standard hotel Hua Hin.

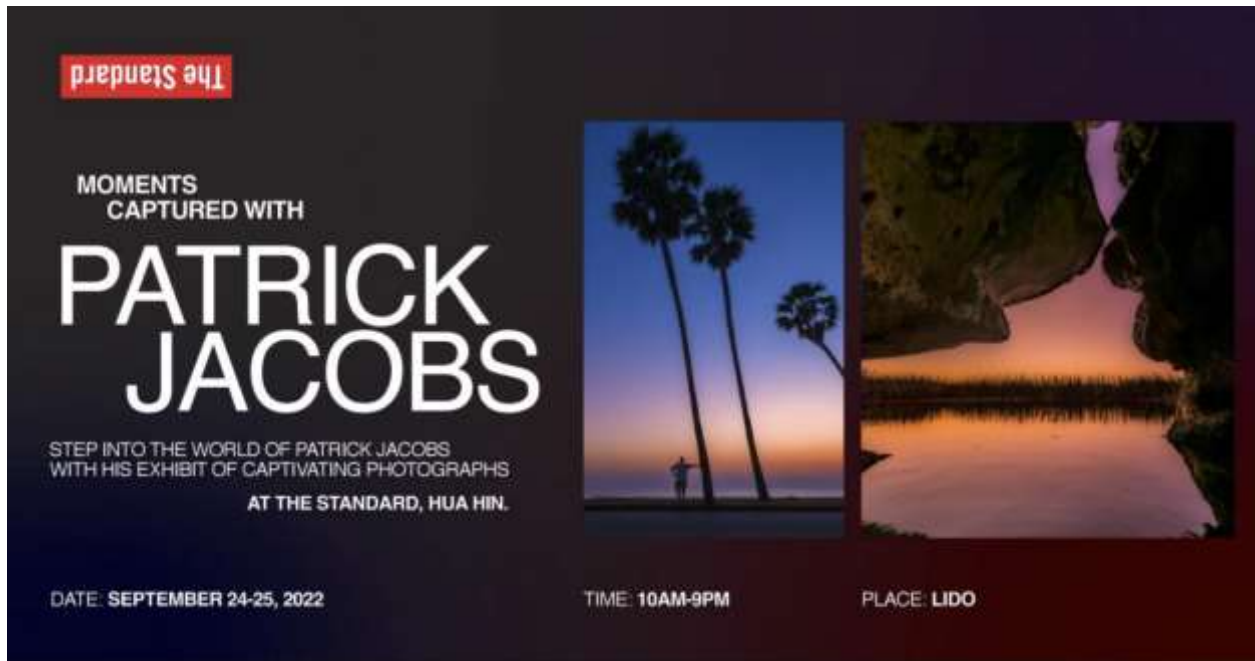

Patrick went onto say that he holds Hua Hin walking trips to show people how to take pictures with their mobile phones.

Following his presentation Patrick took a number of questions and President Phil thanked him and presented him with his reusable shopping bag.

The Rotary Club of Royal Hua Hin are pleased to announce the return of our 12th Amateur Golf Classic at Banyan Golf club on Friday 25th November 2022.

It was a very difficult decision taken by the golf committee to cancel last year's golf tournament; however, we realised the difficulties businesses were going through due to Covid-

sacrifice the quality of our tournament that we have established since 2010.

As President of the Rotary Club of Royal Hua Hin I am writing to welcome you back as sponsors, players or contributors of services or goods to this year's tournament in whatever capacity is within your capability.

We believe that sponsorship of this tournament deserves recognition well after the conclusion of the tournament, therefore, we have created unique sponsorship opportunities to help promote your business to the greater communities, beyond the realm of the tournament itself, therefore you are cordially invited to participate in the golf tournament which is being held once again at the Banyan Golf Club.

This prestigious golf course here in Hua Hin ranks with one of the best there is in Thailand that will give golfers at all levels a chance to enjoy the challenges of 18 individual landscaped holes whilst enjoying the scenery. After the 9th hole golfers can take a quick break where complimentary food and drinks will be served.

Following the golf at Mulligans bar, golfers can discuss their game over pre dinner drinks and snacks followed by a gourmet buffet in the Terrace restaurant. During and following the evening meal the invited band will entertain guests and after the meal the silent and main auction will be concluded and raffle tickets will be on sale where great prizes will be up for grabs generously donated by our sponsors.

The Rotary Club of Royal Hua Hin (RCRHH) has been helping local and regional causes since the club was founded in 2010 raising millions of Thai Baht for these causes. And our goal this year is to strive to produce the same quality of tournament as in previous years.

The Rotary Education center is now operational at the Nongkhon School after investing 4.5 million Bhat in the project, and this month we enter a new phase in the project "On line learning for Thai teachers in English" supported by the Rotary Club of Thavaravadi. This will enable Thai teachers deliver English language programs to students improving both the quality of students and the community.

In addition, we are looking to invest 1 million Baht in a specialist audio/sensory room for children with Autism at a new school being built in Black Mountain, this project is supported by Rotary Club of Bangkok South.
