Rtn Metharin Pongratchtagaran	RC Hat Yai Nakarin
Rtn Aida Ujeh	RC Hat Yai Nakarin
Rtn Thongfai Chalee	RC Hat Yai Nakarin
Rtn Jaroon Vajeasab	RC Hat Yai Nakarin
Srisopanichkul, Panchote	RC Hat Yai Nakarin
Suwan, Kantys	RC Hat Yai Nakarin
Sanghakul, Prakij	RC Hat Yai Nakarin
Norawij Keawvajesub	RC Hat Yai Nakarin
Willem Pentersmann	Netherlands

P Brian recapped on recent events:

- 2nd March Fellowship Evening El Toro Loco
- 3rd March All for One and One for All Baan Khlong School
- 8th March Vitallife Scientific Wellness Center.

P Brian then mentioned upcoming events:

22nd March Board Meeting

23rd March 3rd Club Assembly including a visit from Rotarians from our new sister club Hat Yai Nakarin

30th March Weekly Meeting Samitivej Hospital

P Brian welcomed the Members of RC Hat Yai Nakarin (RCHYN) our new Sister Club and explained that 9 members of the club had made the long journey here on Monday 22nd March. A social gathering was held at the Greenway Hua Hin Resort on Monday nights to welcome them to Hua Hin with members of the Board and Past Presidents attending. The proposal for the Sister Club came from Rotarian Patrick Franssen who with his wife was a former member of the club.

Before dinner was served President Weesuda sangkhakul and PAG PP Penny Ritthikan presented

P Brian Anderson with some wine and homemade balm.

RCHYN received its charter certificate on the 8th July 1990 and currently has 19 members.

President Weesuda sangkhakul stated she and her club looked forward to working together and thanked P Brian for the warm welcome their members had received.

PAG PP Penny Ritthikan went onto talk about the 3 Sister clubs the RCHYN has in Malaysia and talked about the projects they have been involved in and looked forward to working with the RCRHH on joint projects in the future.

PAG PP Penny Ritthikan went onto say she and the members were impressed with the educational projects we were involved in at the Phetchaburi Panyanukul School and Anuban Hua Hin School.

P Brian then asked P Weesuda and PAG PP Penny to join Immediate Past President Napa, President Elect Phil to exchange club banners and the memorandum of understanding between the two clubs. Following this exchange gifts were presented to all the club members of RCHYN by P Brian.

P Brian then called upon Dr Keith Humphreys to talk about the TELK project.

Dr Keith informed the meeting that the RCHYN had attended the Phetchaburi Panyanukul School that morning and had a clear understanding of what the project involved.

Dr Keith went onto say that the TELK project was about teaching the teachers to fish, and not be given fish. Computers come in many forms however in his opinion they being used for listening to music, playing games or watching movies was not what they were designed for.

Teaching the use of computers is teacher led, however Technology Enhanced Learning was :

- A new concept of learning
- It is NOT about learning to use computers
- It is NOT about the teacher being the master of knowledge
- It does NOT expect all students to have the same level of understanding to learn

In Technology Enhanced Learning (TEL) the classroom is structured to allow children world access, self-determination and student collaboration.

In 2015 UNESCO declared that by 2030 all students at school would be using the internet as the main source of self-directed learning TEL is an internationally accepted term that refers to the use of any style of computer to assist the development of an individual's life-style.

The explosion of iPhone and other similar devices means that most people have access to computers to guide their daily living.

P Brian Thanked Dr Keith then called upon PE Phil Lawrence to talk about the RCRHH other

projects. PE Phil apologised to the members and guests that he would have to rush through this as time was moving on.

With regards to “Thai Voices” and the Technology Enhanced Learning for Knowledge (TELK) this had been covered in the morning and the TELK would be covered in the afternoon.

However, it was important to note that the RCRHH had recently proposed to pay 200,000 Thai Baht to establish a new website for the “Thai Voices” National Project.

With regards the TELK project 2,364,271 THB had been spent so far on phases 1 to 3 of the project plan, and another 586,000 Thai Baht to complete phase 4 of the project. This money was already available.

PE Phil went onto talk about the following projects:

- Donation of Hearing Aids and Lunch for the Sotsuksa Thepperat School for the Deaf August 2020 7,500 TB for the renovation of the hearing aids and 5000 TB for lunch.
- Mercy House Foundation September 2020 New Lockers for Dormitory 5,600 Thai Baht.

- Jungle Aid Student Sponsorship 18th September 2020- 20,000 TB
- Artwork for the TELK Classroom November 2020 28,300 TB
- World Polio Day Saturday 24th October 5,500 TB
- 11th RCRHH Amateur Golf Classic 11th December Banyan Golf Club 100,000,004 TB raised

- Donation of Footballs 24th February 2021 5,340 TB
- All for One and One for All Baan klong Noi Police Border School Pa La -U area with Stamford Rotoractors.

PE Phil finished the presentation stating the RCRHH had invested Thai Baht 1,966,121 so far in Rotary Year 2020/21. Further information can be found on the Rotary Club of Royal Hua Hin website.

P Brian then called upon treasurer Peter Wydler to present the Financial Statement as of 21st March 2021.

Peter Wydler
Treasurer RCRHH

Hua Hin, 22/03/2021

Following the presentation Summarised the performance of the RCRHH by saying that although we have spent more money in the last 12 months, the income has also increased as it seems the larger the project the greater the attraction from investors to support these projects.

P Brian thanked Treasurer Peter.

P Brian then called upon Rotarian Benjamas to inform the meeting of a recent Rotaractors project All for One and One for All 3.

Benjamas informed the meeting that P Brian always keeps to

On

Wednesday the 3rd March 2021 the young Rotaractors from Stamford International University under the guidance of Rotary Club Royal Hua Hin Youth Services Chair Benjamas Uamsa-Ard took their 'All for One and One for All project to the Baan Klong Noi School which is a Police Border School located in the village of Klong Noi in the rural area of Pa La -U and has 120 Children and 9 teachers. The children are mainly from the Karen speaking communities.

her last.

3'

Baan

11 Rotaractors from Stamford International University, 7 of Benjamas staff, and President Elect Phil Lawrence attended the event.

Lunch of noodle soup and chicken was provided by the Rotary Club of Royal Hua Hin and was served to the students by the Rotoractors and STU staff. Whilst lunch was taken the STU band entertained the children and guests with a medley of Thai songs.

After lunch work on the feed store to enclose the store with metal sheeting began in earnest and the project was completed on schedule by 16:30hrs that afternoon.

There being no other business lunch was called.
Minutes by Scoop Lawrence.
