- 25 June – Practical Community Development by Rtn Patrick Franssen
- 29 June – RC Bangkok South Installation Night at Grand Sheraton Sukhumvit

- 2 July – Fellowship Evening at Mozza Mia
- 9 July – New Generations by Rtn Benjamas Uamsa-Ard
- 16 July – Asanha Bucha Day, Public Holiday so meeting
- 19 July – RC Ratchaburi Installation Night, RC of DG Lt Gen Kanit Jamjuntra

P Brian informed the meeting that historically the months of June and July were quiet months for the RCRHH as many members were away travelling.

P Brian informed the meeting that it was a honour to have two DG's at our Installation night on the 1st June with District Governor Lt General Kanit Jamuntra and his wife and the District Governer Elect Sakon Vengsroithong and his wife. This highlighted how respected the RCRHH was in Rotary District 3330 here in Thailand.

P Brian reminded the attendees of the lunch meeting of the items for sale and if required see Secretary Phil Lawrence.

P Brian informed the meeting that on the 10th June the NIST school from Bangkok visited the Krailart Niwate mangrove preservation project project in Khao Takiab and helped with a number of tasks. The students who are very engaged in environmental work were presented with the re-usable shopping bags from the RCRHH.

Martin Harrison 'My Rotary'.

Martin stated to the meeting the difference between Club Runner (CR) and My Rotary was that CR was primarily to support the RCRHH in holding Data and providing information to members, the district and Rotary International whilst My Rotary held personal data of all Rotarians and provided statistics and information on Rotary information to all Rotarians globally.

Martin informed the members how they could complete their profile on My Rotary and run through the various stages and what can be accessed.

Martin informed the members that the best way to navigate around My Rotary was to 'Fiddle' with the web page as it contained enormous amounts of information on Rotary International and Rotary Clubs around the world.

P Brian thanked Martin for his presentation and further stated this was the shortest Martin had ever spoken.

There being no other business lunch was called.
