ROTARY AROUND THE WORLD

ROTARY CLUB OF ROYAL HUA HIN

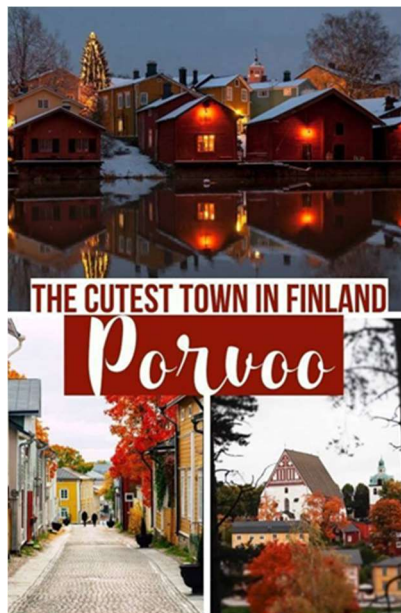

- **Fellowship Meeting June 7th at Lo Stivale Restaurant.** Wonderful time was had by all who enjoyed Enrico's food, libations, and his great hospitality.

- **E-JAN School Groundbreaking Ceremony May 25th, 2022.** The event was well attended by Govt. dignitaries and RCRHH members. The event was covered by both Thai and English media groups. The ceremony took place where the first piles for the new school building were dug, and as in Thai culture the project was blessed for good luck. The belief is that this project will be a remarkable success and great for the RCRHH with it's support.

- **20,000 Baht Sponsorship of Students Jos Muijtjens.** RCRHH recently sponsored two students from the TAB Technology School who were unable to afford a trip to Finland with their fellow students. Updated reports have been received from the students who are having a great time as well as improving their English skills.

- **Sponsor Luncheon Rotary Bangkok South.** Phil recently attended a luncheon hosted by Rotary Club Bangkok South to honor sponsors from their golf tournament. It was a very welcoming event for sponsors who participated.
