SPONSORSHIP PACKAGE 2020

On behalf of the Rotary Club of Royal Hua Hin in support of our special community projects, please accept our thanks for your consideration of sponsoring and participating in our Charity Golf Tournament. We have been heartened that even before sending out this package we have had sponsors and players seeking information on the 2020 event.

We believe that sponsorship of this tournament deserves recognition well after the conclusion of the day so we have created unique opportunities to help promote your business to the greater community, beyond the realm of the game itself.

Banyan will be in great condition and you will be treated to a fun day out. In our effort to provide a quality experience you will be treated with complimentary snacks and drinks halfway round. After golf there is a special function at Mulligan's followed by a gourmet meal on the veranda. During the evening you will be entertained by our band and the opportunity to dance and win prizes in the auction and raffle generously donated by our sponsors.

The Rotary Club of Royal Hua Hin has been helping local and regional causes since its inception in 2010. Our two flag ship educational projects, the establishment of a Technology Enhanced Learning for Knowledge - TELK at Nongkhon School should be opened in July and the "Thai Voices" project for special needs children will be rolled out at Panyanukul School. Both projects will be endorsed by the Ministry of Education.
