

**Chico Rotary Club
Engagement Policy
(aka Meeting Make-up Policy)**

Approved by the Board of Directors, October 8, 2024

Chico Rotary is at its strongest when members are active and engaged. Attendance at lunch meetings is key to the club's success and member experience. Satisfying attendance requirements is easy for members who are engaged in other areas of the club.

All missed meetings must be made up within 14 days before or after the missed meeting. Make-up options are listed below. A **\$20 charge** will be assessed for meetings not made up within the time frame. *This covers the Club's costs when projected attendance levels are unmet.*
