

SPONSORSHIP

We know how tough it can be for businesses
and we are very appreciative of the local businesses who
support local Rotary clubs and events.

We're only too happy to share your business with our
2,500 followers with you and make them aware that as
well as being a fantastic business with great local
staff..... you are also community minded and support
organisations like Rotary.

So next time Alex Rotary asks you for your support with a
local cause they are donating their time and money to,
please be assured that we'll put on our website and
facebook pages, and be sure to give you a **BIG** thank you!
