PRESIDENT'S REPORT

It gives me great pleasure to present the Annual Report for the year ended 30 June, 1996 to the Members of the Rotary Club of North Balwyn and to thank every Member for enabling me to serve as your sixteenth President.

The following pages contain reports from each Chairman detailing the activities undertaken by their Committees throughout the year. I wish to extend my sincere thanks and appreciation to each and every Director and Chairman for the dedication and professionalism they have demonstrated in managing their respective portfolios.

There were a number of significant achievements throughout this Rotary year :

One of the highlights was the Club's involvement in the Melbourne Grand Prix, an extremely profitable fundraising event which enabled us to finance many worthy projects. Through the initiative and extensive contacts of Phil Francis the Club conducted a raffle for a "Lap of the Track" with Peter Brock resulting in cheques being presented to the Variety Club (\$10,000) and the Microsurgery Foundation (\$10,000).

In an effort that extended well above the call of duty, Fundraising Director Terry Keyhoe gained enormous support from Members and their Partners to provide breakfast for the CAMS Crews at the Grand Prix. The success of this project was reliant upon donations of food and, through what we hope will be an annual fundraising event for the Club, an additional \$13,000 was deposited to our fundraising pool.

Our Christmas Raffle, co-ordinated by Graham Foard, raised \$5,868 while our Golf Day, supervised by Ian Taylor, raised \$10,506.

Past President George Swanson and his Committee were involved in all aspects of Youth Service with their primary focus being the Student Exchange Program. I extend my sincere thanks to Camilla Hansen and her "hosting parents" and am pleased to report that our outgoing student Eleanor Maguire is doing extremely well in BadBerlberg, Germany. The Rotary / Rotaract Award by District was justly deserved and I congratulate Rotaract President Chris Howell and his Members.

The Community Service Committee (Chairman, John Mollison) involved many Members and their partners in the following Community programs : Salvation Army Red Shield Appeal, Marwal Ave Painting, Cents for the Shrine, Blood Donations and Portsea Camp.

Rotary Foundation (Chairman David Goldsmith and John Gartlan) pursued the Group Study Exchange Program with a great deal of time, effort and commitment. Congratulations to Maria Moffatt for her selection of the outgoing team to Brazil.

International Service (Chairman, Richard Johns) continued to support Project Concern International specifically, Posyandu. The Club's involvement with ROMAC has been extremely rewarding and has resulted in Rotary gaining well earned yet much needed publicity.

Under the Chairmanship of Bruce McIver the Vocational Service Committee successfully undertook the following projects : Operation Livewire (Julian Smith); CRA National Youth Science Forum - attendee Carolyn Sanders was further supported financially by our Club (\$2,000) to make possible her trip to the Canada Wide Science Fair. Our Vocational visits to Toyota and the Microsurgery Unit (St. Vincents Hospital) proved to be great meetings.

President Elect Clive Hughes and his Committee had a successful year recruiting members. The Gold Medal Conference in Canberra was a resounding success and was further highlighted by receiving the Rotary / Rotaract Award. Thanks for your efforts Clive.

The Club Service Committee under the Chairmanship of Jim Studebaker served the Club extremely well. The Grapevine was one of the best publications in the district, our programme was always up to the mark and Sergeant Ron was always in charge of his most demanding role. And who could afford to be ill with Almoner Geoff ?

Fellowship Chairman Ron Liner and his Committee played an integral part in the overall running of our club, organising our Christmas Party and Birthday Night - both events with a difference !

The Administration Committee performed its role with efficiency and professionalism.

It is gratifying to have the continued support of all our ladies. To Norma Wing Young and her team for the card luncheon at the MCG, to Betty Carnell for the magnificent Birthday Cake and to Pauline Benallack for bolstering club coffers through salmon sales, the Club thanks you.

To Ron Carnell, grateful thanks for getting "Rotary Radio" up and running. This demanding task along with managing meeting attendance was handled with your usual diligence.

I wish to express my thanks to the Members of the Board for their support and input to what has been a most successful and enjoyable year.

On behalf of the Club I would like to congratulate the worthy recipients of the Paul Harris Fellow : John Rennie and John Thwaites.

The Horizons Committee has projected some worthwhile suggestions for the future direction of the Club. These will be passed on to the incoming Board.

To Club Secretary John Rennie, my heartfelt thanks for your support, loyalty and friendship.

I extend to incoming President Clive Hughes and Carmel my best wishes for a rewarding and successful year. With the Club's involvement in the forthcoming District Conference it is bound to be an exciting and fulfilling year for all concerned.

To incoming District Governor John Reddish and his wife Judy we offer you our support and wish you every success.

I would also like to thank District Governor Kes Steel and Lyn and his representative Bill Troedel and Prue for the support and friendship they have shown Ursula and me and their willingness to support our Club and its activities

To my wife Ursula, I express my heartfelt thanks for your understanding and support throughout the year.

District Governor Kes Steel at the outset of this Rotary year encouraged us all to ENJOY! I sincerely thank you all again for giving me the opportunity and honour of serving you as Club President. The year has been one of the most challenging, memorable and enjoyable I have experienced.

BERNIE SMITH
President

District Governor Kes, Lynn & President Bernie

John Thwaites	
Dick Johnson	

Board Meetings

Regular monthly meetings were held throughout the year and with the exception of the combined meetings of May and June, which were held at R.S.L. premises in Greythorn, and several special meetings which were held at Kew Golf Club, the meetings were held in rotation in the board members homes and for this I thank the members. My thanks to Jim Studebaker, our minute secretary, for his accurate and very prompt publication and distribution of the minutes.

Attendance

Once again Assistant Secretary Geoff Perdriau did a great job, not only in handling the attendance figures and membership returns to District but for the manner in which he was always with the running of our meetings.

The average attendance for the Club for the year to the end of May was 82.26%.

Administration

I have enjoyed the position of Secretary this year and this was brought about in part by the excellent introduction to the position I received from John Thwaites, and more importantly by the close working relationship I enjoyed with President Bernie Smith. John also fulfilled the role during my eight weeks absence and for this I am very grateful. I would also thank Ron Carnell for his assistance generally and particularly with the mail.

Although this committee did not meet formally during the year, frequent close contact ensured that all tasks were carried out efficiently and I thank the Committee for their effort.

At the beginning of the year the Club purchased a fax machine and this has been a boon and assisted greatly in communication within the Club and District and for Rotary purposes generally.

Membership

To 31st. May there have been five introductions of active members and two resignations thus making a net gain of three to give the Club a membership of seventy-three active / senior active / past service and three honorary.

JOHN RENNIE

Secretary

All Tuckered Out

CLUB SERVICE COMMITTEE REPORT

COMMITTEE:

Jim Studebaker	(Director, Meetings, Venue)
[Chairman]	
Ron Carnell	(Attendance and Apologies)
Geoff Steinicke	(Grapevine Editor)
Lew Lustig	(Grapevine)
Bill Thackray	(Grapevine)
Peter Courtney	(Grapevine)
John Moyle	(Programme Chairman)
Bob Ballantyne	(Programme)
Geoff Griffiths	(Almoner)
Ralph Lee	(Public Relations)
Ron Arthur	(Sergeant)

The Club Service Committee's objective for the year was to maintain the smooth functioning of the Club through the provision of venue, weekly meeting activities and information to members.

John Moyle and Bob Ballantyne provided a well balanced programme of informative and interesting guest speakers who covered a wide range of topics on business, sport, social issues and Rotary topics. They wisely incorporated several job talks and organised for some of our newer members to give their autobiography addresses, greatly assisting their quick integration into the Club.

Grapevine Editor Geoff Steinicke and his able assistants, Lew Lustig, Peter Courtney and Bill Thackray produced a first class Club Bulletin which was highly commended at the District Conference. We will all miss Geoff's 'Provocative Thoughts' which was eagerly sought as a source of inspiration each week. This very important publication served to inform members of all our future activities and faithfully reported on past activities with great style and demonstrable literary talent.

Sergeant Ron Arthur somehow managed to control the notoriously boisterous North Balwyn meetings with a gentle hand and a sharp gong. His Sergeant's sessions helped the Club to prosper while keeping members on their toes. Sometimes we would be treated to a joke. Some were funny.

Geoff Griffiths took up his position as Almoner with dignity, grace and unexpected humour. It is unusual that the Almoner's report should be so anticipated, but Geoff's unique style and personality gave a new perspective to this part of each week's meeting. Sometimes we would be treated to a joke. All were funny.

Ron Carnell, responsible for apologies and attendance, did a wonderful job generating the numbers for each meeting and co-ordinating with the Kew Golf Club. Ron made this sometimes frustrating job look easy with his attention to detail and consistent effort to have members notify him of their intentions.

Public Relations in our Club has always been difficult. To attract media attention in an area serviced by ten Rotary Clubs and one or two local publications has always been an onerous task. Ralph Lee has done a creditable job in this area and always stood ready to support any PR initiative presented.

Kew Golf Club maintained a good standard of meals and range and service timeliness. Our thanks to the staff at the Golf Club for their support throughout the year. During the year we purchased a portable public address system to ensure speakers could be heard. The system works well and is available to support the existing and proposed sound system at the Kew Golf Club.

My thanks to all Club Service members for their hard work during the year and making my co-ordination role throughout the year so enjoyable.

FUND RAISING COMMITTEE REPORT

COMMITTEE:

Terry Keyhoe (Director)
Phillip Francis
John Magor
Graeme Foard
Bob Woolgar

David Morris
Ian Taylor
Jim Romanis
Alan Nash
Les Fleming

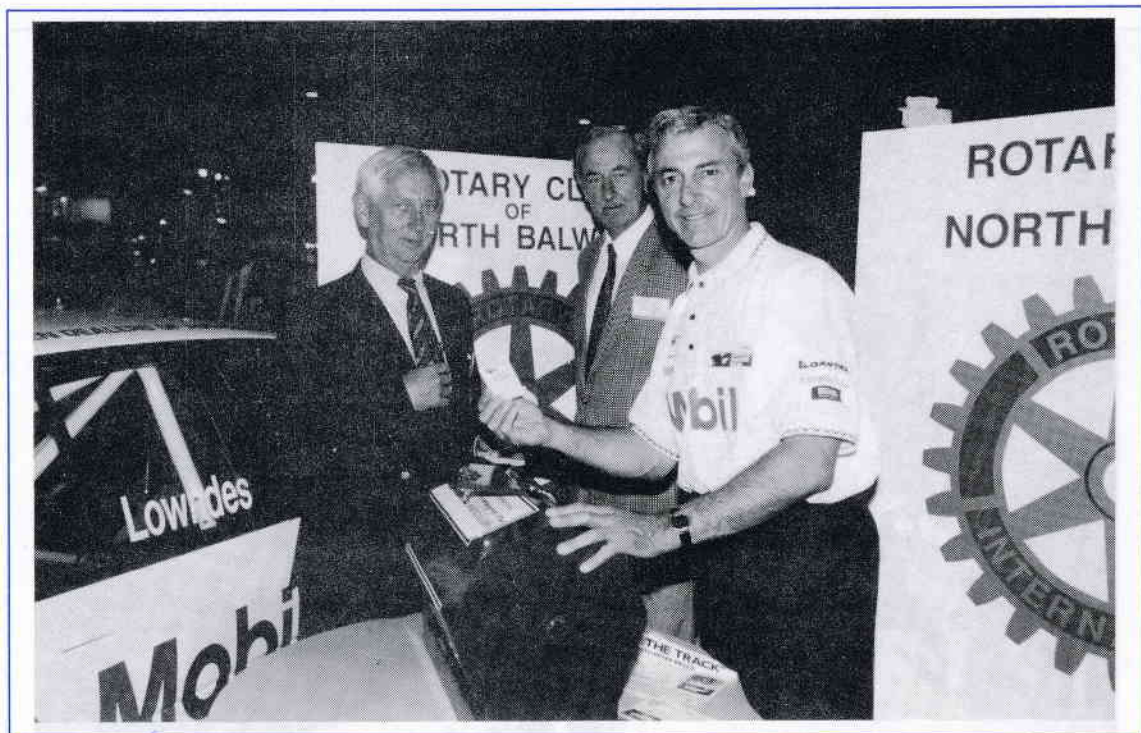

Three major fund raising projects were undertaken through the year and the Committee members who undertook these responsibilities and those who supported them are to be congratulated on a commendable effort.

Probably the biggest disappointment was that we had such a bad start and, in fact, the first two projects we had in mind never got off the ground, and therefore I feel personally disappointed that we perhaps only achieved 75% of what was possible.

Notwithstanding the above, we did manage to beat our budget of \$32,000 by an additional \$20,000 which subsequently made possible, donations to Micro Surgery and the Variety Club.

One of the highlights of the year was certainly our involvement in the Grand Prix, and I would personally like to acknowledge the contribution by Phil Francis and the team captains and volunteers that made it such a great success.

David Willshire

Vocational Service is Rotary's second Avenue of Service. Its purpose includes promoting high ethical standards in businesses and professions, recognising the worthiness of all useful occupations and fostering the ideal of service in the pursuit of all vocations.

Operation Livewire

Operation Livewire assists young Australians between ages of 18 and 25 to establish their own business. Rotarians provide guidance and practical advice by acting as mentor for each entrant as they develop their ideas and prepare a business plan. Cash prizes to the value of \$10,000 are awarded by Shell Australia in each State. Our club mentored two Livewires in 1995. These were **Julian Smith**, who developed Outback Adventure Tours with Dave Morris as mentor, and **Wayne Macpherson**, who looked at Video Production for Small Business with Rob Head as mentor. Operation Livewire winners were announced on 29 November 1995. Julian Smith received a Certificate of Commendation.

Vocational Speaker

Julian Smith, one of our 1995 Operation Livewire candidates, addressed the club during Vocation Month (October) and told us about the business plan that he was developing. This provided an opportunity to present Operation Livewire to the club. **Adrian Cloonan**, Manager, D9800 Rotary Work Opportunities, spoke to the club in February on the subject of "Employment Opportunities". (See below).

CRA National Youth Science Forum

The CRA National Youth Science Forum is sponsored by CRA and is held annually at the Australian National University, Canberra in January. Students are nominated by Rotary Clubs throughout Australia - competition is keen and positions are eagerly sought.

(This year there were 1800 nominations and 274 selected.) Our nomination for the 1996 CRA NYSF was **Carolyn Sanders**. Carolyn was in Year 11 IB (International Baccalaureate) at Wesley College. Carolyn presented with excellent references which stated that she was an outstanding student, gifted academically and fully involved in sport, music and drama. The Rotary Club of North Balwyn provided \$600 towards the cost of Carolyn's attendance at CRA NYSF. Carolyn has reported back to our club on that experience. Carolyn has also trained and been selected as a leader for the 1997 CRA NYSF. She was also one of six 1996 CRA NYSF scholars invited to travel to Canada to participate in the Canada Wide Science Fair on 11-26 May 1996. The Rotary Club of North Balwyn decided to further support Carolyn by providing \$2000 towards the cost of her participation in the CWSF.. Carolyn has proven to be an excellent representative of our club, Rotary and Australia. She has been invited by DGN John Reddish to speak at the 1997 District 9800 Conference.

Work Opportunities

Most of the activity in this area was directed to the New Enterprise Incentive Scheme (NEIS). NEIS is a scheme to help those who are unemployed and receiving Social Security payments, to start up their own businesses and become self-employed. The business must meet a number of conditions. NEIS provides free training and business advice as well as income support to applicants who meet the NEIS criteria. We were not able to bring this project to fruition but we should persevere next year.

Apprentice Exchange

Discussions were held with the RC of Appin Park (Wangaratta) with a view to establishing a joint project. It was proposed that two apprentices from the Wangaratta area would exchange with two from Melbourne for a period of two weeks. Each club was to be responsible for hosting the apprentices and generally looking after them while they were on exchange. Regrettably, this exchange was cancelled by the other party, at the last possible moment. Again, this project should be pursued next year.

Job Talks / What's New in My Job?

Regular five minute job talks, by club members, illustrated the wide range of interesting vocations and valuable skills that are available from within the club. Members were also invited to talk on the subject of "What's New in My Job." Talks encompassed technological advances, changes in (tax) laws and company structures. This emphasised that we have many classifications and a diversity of interesting developments.

Vocational (Industrial) Visits

We visited the **Toyota Motor Corporation Australia** Limited Altona Car Manufacturing Plant for Thursday, 19 October 1995 from 6 pm. We were able to visit the engine shop, the stamping shop, the weld shop, and finally the assembly shop. The welding robots and conveyor belt were most impressive. We were not able to enter the paint shop because of the need to maintain a super clean environment in order to avoid paint blemishes. The visit concluded with supper and a video of the paint shop. Our thanks to Bob Ballantyne for his facilitation of this most interesting visit

Members and partners visited the **Bernard O'Brien Institute of Microsurgery** on 11 April. The programme commenced in the lecture theatre, followed with a tour of the Institutes laboratories and concluded with a buffet supper. We were hosted by Geoff Renton, Executive Director of the Microsurgery Foundation who is also a member of the Rotary Club of Point Gellibrand Williamstown. This was a most informative evening with some intrepid members trying their hand with forceps under a microscope.

Vocat News

Copies of Vocat News have been received from District and distributed at our meetings.

Appreciation

Sincere appreciation is expressed to all members of this committee for their contributions during 1995-1996, both to the activities of this committee, and to the other activities within the club, particularly our major fund raising projects.

BRUCE McIVER - Chairman

C.R.A. National Summer Science School - Carolyn Sanders

YOUTH SERVICE COMMITTEE REPORT

COMMITTEE:

George Swanson	(Chairman)
Stan Hibbert	(RYLA)
Ted Angleton	(RYLA)
Ron Ritter	(RYPEN)
Ron Phillips	(RYPEN)
Anthony Stokes	(Student Exchange)
Kevin White	(Student Exchange)
Murray Carr	(Rotaract)

This year we have been actively involved in promoting all the youth programme's of Rotary, **STARTING WITH STUDENT EXCHANGE.**

Our incoming student Camilla Hansen who arrived from Denmark in July and has followed on with the standards set by the previous exchange students, Camilla has enjoyed her stay and has attended most of our weekly meetings as well as taking part in school and Rotary projects.

My thanks to all her host families, (Stokes, McBride, Sofra, Magor, Thwaites & Heads) for looking after Camilla during her year with us.

Elinor Maguire, our outgoing exchange for 1996, is currently in Germany, and from her frequent reports is enjoying her year as an exchange student, and at the same time travelling throughout Europe. Elinor will be returning to Australia in January 1997.

Outgoing Student 1997

The Committee has selected a student for next year, Elizabeth Robinson, a year 12 student at MLC will be our outgoing student for 1997/1998 to a country to be nominated by District after the camp weekend in July.

Incoming Student 1996/1997

The next incoming exchange student to follow on after Camilla, will be a young man from Thailand, Pon for short, he will arrive in August, and will be a student at Kingswood College, Box Hill.

RYLA

After several interviews, we nominated a North Balwyn Rotaractor Jamie Astill, who attended the RYLA camp at Mt. Evelyn, on the week of the 8th to 14th April, 1996.

Jamie gave a glowing report to the Club on the benefits and his experiences at the camp.

**Exchange Student
Camilla Hansen - Denmark**

**Outgoing Youth Exchange Student
Elinor Maguire - Germany**

RYLA Awardee - Jamie Astill

Carolyn Hirston - Berrumbidgee

RYPEN Students Addressing Club

Edna Hirston - Berrumbidgee

RYPEN

This year we nominated four students to take part at the RYPEN weekend camps held at Lancefield.

Two of the students, Ainsley Jackson and Johan Worner, went to the October 1995 camp, and Tania Frascarelli along with Sharon Benporth attended the second camp on 22nd to the 24th March, 1996. All four students attended Balwyn High School, and they each gave a good report to the club later in the year.

VERN McCONCHIE AWARD

Again this year we have kept up the tradition of the Club in awarding three literary prizes to winning students from grades 8, 10 and 12. All the students attended Greythorn High and we would like to extend our thanks to the Principal, Tony Frizza and his staff for their help in selecting students for our ROTARY projects.

ROTARACT

This year under the guidance and effort of President, Chirs Howell the North Balwyn Rotaract Club not only has been involved in several projects in the community, they have celebrated their 10th birthday (in a big way), and increased their membership by 10 new members, up to a total membership of 35. With the continued support of our club I am sure the Rotaract Club will go from strength to strength.

As Chairman I would like to express my thanks to all the members of the Youth Services Committee for their help and support over the past year.

GEORGE SWANSON - Chairman

NATIONAL COMMUNITY SERVICE ANNUAL REPORT

COMMITTEE:

John Mollison (Chairman)
Roger Benallack
Brian Hurnard
Marcel Muntwyler
George Selkrig
Rob Head
Bruce Knox
Hugo Goetze

Paint Your Heart Out

We were able to finish the painting project at Marwal Avenue started last year. Hugo Goetze organised a team of 15 willing Rotarians in April and the job was completed in half a day.

Salvation Army

It has been a tradition with our club to support the Salvos every year with their Red Shield Appeal and this year was another successful effort. We collected over \$3,800 with the help of a dozen Rotarians. Brian Hurnard and Marcel Muntwyler combined to organise this project.

Health Speakers

District 9800 Health Projects Committee suggested to clubs that they give their time and interest to a range of six different health projects. Rob Head arranged two speakers during the year. We concentrated on three of these projects :

1. St. John's Ambulance.
2. Prostate Awareness.
3. Donor Organ Transplant.

We donated \$1,000 to fund the training of two teachers at Balwyn High School in First Aid. We hosted Keith Moore who addressed us on Prostate Cancer and Roy Knudson who addressed us on Donor Organ Transplants.

Cents For The Shrine

We participated in this Rotary project and Hugo Goetze arranged to have collection boxes in four Tattersalls agencies in North Balwyn. Although the value of coins collected was relatively small (\$180.00), each collection box was full prior to every visit.

Paint Your Heart Out At Marwal Avenue

**Hole In The Heart Recipient Through ROMAC
Josua Talebula (9 Months) & Mother**

Christmas Stocking

Santa Roger & Mrs Santa

Blood Donors

Marcel Muntwyler arranged a small number of Rotarians to donate blood regularly throughout the year.

Portsea Camp

A weekend working bee at the camp involving nearly 60 Rotarians and their wives was the Committee's major Community Service project for the year.

Painting, building garden beds, restoring verandah posts, planting herbs were some of the very successful tasks. We removed all the old cast iron frieze from the verandah and will be replacing it with new castings. Roger Benallack organised the details.

Cam Care Food Distribution

With co-operation from Coles Supermarkets, we set up a collection bin in the North Balwyn store and asked shoppers to donate food items for needy families prior to Christmas. Roger Benallack arranged to have these items distributed by Cam Care.

Laptop Computer

The Club donated a laptop computer to Mario Filintatiz who suffers from Spina Bifida. This was a joint project with our Rotaract Club and special thanks go to Ron Liner and Maria Moffatt. Mario was presented with his laptop at a club dinner and all Rotarians were impressed with his determination.

In conclusion, I would like to thank members of the Committee for their contribution to a great year of Community Service.

FELLOWSHIP COMMITTEE REPORT

COMMITTEE:

Ron Liner (Chairman)
David Cheney
Geoff Griffiths
Don Haycraft
Imre Leele
John Reddish
Gregory Ross

I would like to thank all the members of the Fellowship Committee who assisted me on the events that took place during the last 12 months.

During the year we had 3 Friday night in house get togethers, which was very laid back and very enjoyable.

I would like to thank the 3 family host's - first the Lele's, second the McLean's, thirdly the John's for sharing their homes.

Progressive Dinner

The Committee would like to thank all those families that gave their homes for main meals and sweets and especially thank Ian and Joan Richardson where we started with drinks and nibbles and finished a very fine evening at Sue and Paul Fitz with coffee and cake.

Melbourne Cup Night

A change of normal gambling night to a dinner dance with a fine band which was very successful.

Picture Night

Was well attended and was followed by a B.B.Q. and drinks at Ursula and Bernie's home. Thank you both for the use of your home.

Portsea Camp

Plenty of fellowship during the painting of the main house over two days. Thanks to those who made their homes available.

Golf Tournament

Thanks to the members that stayed after the golf tournament to share fellowship with the players.

Strathbogie Weekend (at President Bernie's). It's always a fun weekend enjoyed by those who attended.

Birthday Night

Was very well attended and included presentations for all our major sponsors of the Grand Prix and Golf. Very enjoyable.

The Fellowship Committee would like to thank all members and families and friends who took part in cooking breakfast and lunch during the Grand Prix. An outstanding achievement.

Christmas Dinner

Was well supported by our members and family and friends. Balwyn High School Choir sang a few Christmas carols which were excellent, and also during the evening and a couple of presentations by John Robinson inviting a country mother and her disabled child to our evening. Also Bernie, assisted by Chris Howell presented a laptop computer to Mario. A very touching evening enjoyed by all.

Fishing & Golf Weekend

I think it was one of our highlights of the year for those 26 so called fisherman and golfers. The fellowship was unbelievable starting Friday night in the pub for meals catching all those hundreds of flatheads on Saturday? and B.B.Q. on Saturday night at the Angleton's with head chef Tom Wing Young at the helm. We also had two past members Ron Roy and Maurice Ellis attend and we caught up on old times. Golf on the Sunday was very demanding but most of us enjoyed the game and later that day had a B.B.Q. on the beach. Thanks to all who made their homes and boats available.

RON LINER - Chairman

Entertainment by Balwyn High School

INTERNATIONAL COMMUNITY SERVICE REPORT

COMMITTEE:

Richard Johns	(Chairman)
Ian Richardson	(MUNA)
Findley Cornell	(Liaison Dr. Coates)
Paul Fitz	(District Liaison)
Dennis Greenwald	(Committee)
Peter Kagan	(Committee)
Greg Matthews	(FAIM)
Ken Maxfield	(District News)

ACTIVITIES

Patumwan

We commenced a new project with Patumwan called "Anti Pollution Mask". This and the continuing sister club agreement should ensure that this relationship is extended.

District representatives John Reddish and Jack Nankervis visited Patumwan on our behalf through the year.

Shah Alam - Alzheimers Association in Malaysia

The Rotary Club of Shah Alam sought assistance in forming an Alzheimers Association in Malaysia. Through contacts in Australia it was reported at the 1995 International Conference that the "Alzheimer's Association of NSW will be forming the Association in Malaysia." The constitution and organisation of the society in Victoria is being used as the model, currently the Victoria Society is assisting Hong Kong.

Donations in Kind - Samarinda General Hospital, East Kalimantan, Indonesia

This project was completed early in 1996 and the delivery of equipment complete. District Governor John Reddish represented the Club and District at the Samarinda General Hospital.

Chernobyl

The Club holds a watching brief on this district project and decided not to contribute further at this time.

MUNA

The Club has again sponsored two students from Balwyn High School. This year they represented Portugal on May 25/26th.

International Toasts

Only two were given this year, R.C. of West Vancouver and R.C. of Shah Alam.

Support for the Ward of Dr. Coates - Solomon Islands

The Club continued the support for the good doctor with about \$600 in postage assistance and \$1,100 for a microscope. The microscope is being used to diagnose Malaria and the letter from Nurse Reggie Gan was well received.

Currently the Club is contacting all doctors and dentistry surgeries in the local district to ask for any old medical equipment to be donated.

F.A.I.M.

The Club attempted to organise another F.A.I.M. visit but this was not achieved. We did, however, set up contacts in Vietnam for the Australian Co-ordinator in Australia Ron Marcus. Rotary Foundation with Polio Plus also deal with the same contact in Vietnam, so F.A.I.M. projects should be able to be set up.

Rotary is assisting with setting up a Fred Hollows lens factory in Vietnam and the R.C. of North Balwyn has been instrumental in making available a supervisory construction expert.

The funds allocated for the F.A.I.M. visit were diverted to ROMAC for an urgent case early in the year.

POSYANDU - In conjunction with Project Concern

The Club has donated \$1,600 towards this fine project explained to the Club by Royce Peppin. Our donation will result in the introduction to 12 schools a study course on Child and Maternal Health as part of the school curriculum. Our club area (KECAMATAN) is located in North West Buru in the central Maluka Region. The first five schools are : NKZ LAURAN, DBI-OI BARU, NK SIFNANA, IMPRESS SAUMLAKI and KRISTEN SAUMLAKI. The International Committee will attempt to visit these schools.

Rotary Australia World Community Service

The Club donated \$1,050 and with our Rotaract Club's \$1,050 was able to support the Lighting and Ventilation project at the Rotary College in Bangladesh as explained to us by Jack Nankervis. This will supply 25 ceiling fans, 40 neon lights and 23 power points at the college. The Rotary Club or Kishoreganj Central is the sponsoring club in Bangladesh.

New Sister Club - R.C. of Metropolitan Khulna

We have signed a Sister Club agreement with this club. This is a very active club and has been assisting destitute women and the general destitute to generate income through job opportunities. They currently operate a small clinic which they wish to extend and regularly do eye operations (73 last time) with the help of visiting Australian doctors supported by Rotary. They have won the 1st Prize in District 3280 for child welfare projects twice.

This Sister Club arrangement should provide us with many joint projects for many years.

OTHER ACTIVITIES

- ☐ Cafe International 1996 had a small club representation.
- ☐ Apart from International speakers above we had a speaker on China in Andrew McCallum from BHP.

MUNA Students - Susan Mitchell & Callen Poulter

1996 DISTRICT CONFERENCE REPORT

The Gold Medal Conference was held in Canberra from 14th to 17th March with 38 members and partners in attendance.

The Club members enjoyed pre-conference sports, although this year no prizes were carried back to North Balwyn. The Canberra venue proved to be a first class location and the quality of the speakers, together with the Essendon Club organisation, made for an excellent conference.

In the usual way, the Conference ended with a highly successful Neil Diamond evening, where the fellowship was outstanding and the ability of the exchange students to outlast the members was very evident.

As in past years the District Conference presented an excellent opportunity for members and wives to get to know each other better, and to meet with and mix with members and wives of other District Clubs.

On the social side, the Club enjoyed its own small cocktail party and the usual Club dinner, which was thoroughly enjoyed by everyone present.

I will strongly recommend that all members, particularly new members, take advantage of attending the Melbourne Conference which our Club is hosting. I feel sure that when new members have gained the feel for the District Conference they will start to look forward to the future years where the Conference will be part of their Rotary calendar.

CLIVE HUGHES - Chairman on the Conference

Relaxing At The Conference

MEMBERSHIP COMMITTEE REPORT

COMMITTEE:

Clive Huges
John Thwaites
Max Hunter

(Chairman)
(President Elect)

Membership

At 1 July, 1995 there was 69 and 3 honorary members. At 30 June, 1996 there will be 72 and 3 honorary members and a net gain of 3.

During the year we were unfortunate to lose the following members and the Club takes the opportunity to wish them well for the future:

- ☐ David Doyle
- ☐ Mark Harrington

During the year we were pleased to welcome into the Club so many additional members, some of whom have previously been members of other clubs and who bring additional experience to our club :

- Brian Hurnard rejoined the Club after a period overseas and he has let the Club enjoy his experience while he was away.
- Dennis Greenwald has joined us from the Rotary Club of Salamanca.

Alan Nash has joined us from the Rotary Club of Boronia where he was a previous member.
- Jim Romanis and Brian Bergin have joined us.

All of these new members have made themselves popular members of the Club and we look forward to working with them in coming years.

A number of other membership nominations were reviewed and some, who were made guests of the Club, for a variety of reasons their membership has not proceeded.

Although the Club has sought to consider members on a non gender basis, to date, we have not received any nominations from the Club in respect of females, in accordance with the desire of the Club Board and Members.

We will continue to encourage new members from all sections of the society that meet the Rotary guidelines and will treat all nominations equally.

Finally, I want to thank John Thwaites for his support during the year, despite the many other Club activities he has undertaken, and I also wish to thank Max Hunter, who despite his accident injuries during the year, has continued to give support in ensuring quality members for the Club in the future.

ROTARY FOUNDATION ANNUAL REPORT 1995/1996

COMMITTEE:

David Goldsmith
John Gartlan

(Chairman)

Centrality & Work of The Foundation

By frequent reference to the Foundation at Club meetings and through information in the Grapevine an effort was made to keep the work of the Foundation at the forefront of member consciousness. PDG Jack Nankervis spoke to the Club in November, Rotary Foundation month, about the effect and importance of the matching grants program in which we are active participants, the literacy programs and Rotary Volunteers.

District Seminar

The District Committee sponsored a seminar in August. Ten members of the Club attended the seminar which was chaired by PP Paul Fitz.

Group Study Exchange

The Club interviewed two nominees for membership of the outgoing team to District 4680, Southern Brazil and after one withdrew we were successful in having Maria Moffatt, the Past President of our Rotaract Club, who works as a Distribution Analyst for Shell, Australia accepted as a member of the team.

We also acted as hosts and drivers for the incoming team from Brazil and I again express my thanks to members of the Club for their support. On behalf of the District we took an active part in securing the team's last week of visits, and of hosting the District Farewell at our Club meeting on 3 April, 1996.

Several members attended both the welcoming and farewell functions for both of the GSE teams.

It is unfortunate that the ages of the incoming team were such that many who were associated with them felt that this team was not selected in the spirit of what we understand as the purpose of GSE. This view has been expressed and conveyed to District Committee and beyond.

Matching Grants

Work in this area was actively continued by the International Committee and it was great to have the support of Rotaract in our activities.

Ambassadorial Scholars

Unfortunately we were unable to gain any suitable nominations for this award. Two members offered their services as Counsellors for incoming Scholars but because of timing this will be carried forward for the next group of overseas awardees early in 1997.

It is still hoped that we can include one or more Scholars in our Guest Speaker program.

Rotary Volunteers

Although a number of inquiries were made no new volunteers have put their names forward.

Polio Plus and 3H-Program

Awareness of the work in these areas has been maintained and strong reference to the need to encourage the continued use of immunisation programs has been given publicity in the Grapevine.

Farewell to GSE Team from Brazil

Contributions & Paul Harris Fellows

The Club has continued to support our giving level resulting in the naming of further Paul Harris Fellows. We should continue in our aim to increase our contributions since it is only through our efforts, and those of our fellow Rotarians internationally, that the work of the Rotary Foundation can continue to have the international impact that it does.

Contributions to Rotary Foundation can now be made to the Rotary Australia Foundation Trust and are tax deductible. Club members have been encouraged to make use of this as an area of charitable donations. Unfortunately information supporting this area was very late in coming from District.

I would like to thank John Gartlan for his particular support, and all members of the Club for their active support and participation in Foundation related activities.
