DEFINITION OF ROTARY

Rotary is an organisation of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world.

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First The development of acquaintance as an opportunity for service;
- Second High ethical standards in business and professions; the recognition of worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third The application of the ideal of service in each Rotarians personal, business and community life;
- Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

Of things we think, say and do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

PRESIDENT'S REPORT

It is with pleasure that I present the 20th Annual report of the Rotary Club of North Balwyn.

Before I summarise the events that the Club has participated in this year I would like to thank all members of the Board for their support and dedication to the job during the last twelve months.

ADMINISTRATION

The administration of the Club was in the hands of our tried and true professionals; John Rennie and Bob Woolgar. These two worked together with Anthony Stokes, our Board Minute Secretary and Attendance Officer and P.P Bruce McIver who was the driving force behind our new computer system. One item, which was very pleasing to read, is that our attendance figures have been in the top three of the District. I would like to thank John, Bob, Anthony and Bruce for their support during the year.

FUNDRAISING

Bill Oakley and his team have had a very successful year, which included the Christmas Raffle, and I would like to thank Lindsay Pegg for his great work, and for achieving a profit of \$8,616.

The Grand Prix was again in the capable hands of Terry Keyhoe. This year's result was down due to a new catering arrangement, which depleted our income to \$11,451. Thanks to Terry and his team for their hard work.

Our Charity Golf Day was disappointing due to a number of major sponsors falling by the wayside close to the event. However, it was a very successful social day for the Club. Thanks to Bill and his committee for all their efforts and the preliminary work completed for the Olympic catering venture that will no doubt be a very big money earner for the club next year.

INTERNATIONAL

Barry Cummings and committee have put together our Matching Grant re: Literacy in Thailand. This was funded to the value of \$3,900, the major portion being donated by two of our members.

"Save water, save lives" programme is currently on hold due to political instability in the area.

Hopefully, this project will recommence during the next twelve months.

Thanks to our members Paul Fitz, Tony McLean and Ken Maxfield for taking the role of counsellor for three Ambassadorial Scholars. In the area of ROMAC our club members have played a very significant role having P.P Paul Fitz as National Chairman and P.P David Cheney as Secretary of the Victorian Committee.

Rotary Foundation has not achieved the success I would have liked due to a number of technicalities - I will try to pursue this over the next twelve months. This year I am delighted to report that we have increased our donation to Rotary Foundation to \$85 per head.

Our Exchange Student this year was NILS ANDRIESSEN from Germany and I would like to thank the host parents especially those who answered the call for help after his arrival. They being the Swansons, McBrides, Magors and the Verones.

CLUB SERVICE

One of the most important functions of the Club is the role of Club Service Director and I would like to thank John Magor for taking this position, which covers a wide range of activities, and of course his committee.

We have been able to hold some functions at the Kew Golf Club, which would have had to be moved, due to their paying for a small stage. Thanks to Brian and Areta Humard for its construction. When we have moved away due to the numbers attending a function or when Kew Golf Club have required the whole facility we have had mixed success in finding a suitable venue.

Our speakers this year have been outstanding and I would like to thank Eldin Dixon and his committee for a very successful year. Peter Elliot took on the daunting task of Editor this year without a hesitation. I would like to thank Peter and especially Amanda at his office for their great work throughout this year. Also thanks to Dick Johnson for filling in whilst Peter was away.

Membership under P.P John Thwaites has been very active this year and we will have inducted six new members this year.

Our Sergeant, Ian Thompson had to step down from the position due to ill health. During the year we had a number of Grumpy's men take the challenge of Sergeant and then John Moyle picked up the mantle and has done an excellent job. Thanks John.

CLUB FELLOWSHIP

This area I feel is the "engine room" of our Club and it is why we are a successful club, and the reason it holds its own position on the Board. Brian Humard and his committee had a very successful year, which included the following events:

- | | |
|-----------------------------|--|
| 1. Yum Cha - | Thanks to Tom Wing Young |
| 2. Wine Auction - | Thanks to David Cheney for his purchases |
| 3. Christmas Party- | Thanks to Greg Ross/David Cheney |
| 4. Cabaret Night- | Thanks to Ted Angleton & Babirra Music Group |
| 5. Fishing/Golfing Weekend- | Thanks to Ted Angleton & Don Stewart |
| 6. Birthday Night- | Thanks to Rowan McLean & Peter Baird |

A special thanks to Areta Humard for producing a lovely Birthday cake.

NEW GENERATIONS/COMMUNITY

Jane Pennington has led this new portfolio this year and I would like to thank her and the committee for taking up the challenge and providing support for various community support groups.

Donations were made for the purchase of special tyre fittings for wheelchairs to allow them access to the beach, large print books for the elderly at Eva Tilley Home and Food vouchers for Camcare which were distributed at Christmas.

We also had participants at the following youth activities:- RYPEN/RYLA/MUNA

A large number of members and wives attended the Variety Club Christmas function where they helped in many ways.

The Portsea Camp as usual received support from the members and friends, thanks to Ron Liner and the members who were hosts.

One of the major areas that required a great deal of attention this year was Rotaract and in this regard I would like to thank Ken Maxfield for his untiring efforts in ensuring our Rotaract Club continues.

VOCATIONAL SERVICE

Once again Peter Courtney and his team took control of this most important function.

Some of the areas that we participated in are Business Boroondara, where we assisted local businesses in setting up support networks. We assisted students to attend The Rio Tinto National Youth Service Forum and the Siemens Summer Science School. We also assisted local schools with regard to Job Interview techniques.

This year we had our own Eve Lustig nominated for a Shine-on Award, congratulations to Eve. From comments received I think we should reconsider our participation in this project. From the work the above committee did on National Youth Science Forum they found there was a need for a video - Flex Machine. (Refer to Vocational Service Report)

A number of areas that have not been covered by the Directors' Reports and should be mentioned are our attendance at the District Conference - approximately 44 members and wives attended and a smaller number went on to Jindabyne for some R&R. A well organised event by P.E John and Anthea Mollison.

To my V.P David Cheney, thank you for taking over when I was away - (you will notice that my absences decreased towards the latter part of the year). Also I must thank David for his support and guidance during my year as President.

I would like to take this opportunity to thank you all for allowing me to be your President for the past year and I wish John Mollison all the best and I know you will give him your full support and help him celebrate the Club's 21st Birthday.

Finally I would like to thank Heather for her full support and encouragement and without these the job of President would be very difficult. Thanks again Heath. And last but not least I'd like to thank my daughter Katy for her tireless efforts in getting this report ready on time for you all.

Gregor Matthews

President.

HORIZONS COMMITTEE ANNUAL REPORT 1999-2000

Committee:

President Greg Matthews
P.E.2000-2001 John Mollison
P.E. 2001-2002 Terry Keyhoe
Rtn Helen Robertson

P.P. Geoff Steinicke
P.P. Bruce McIver
PDG John Reddish (Chairman)
Rtn Rob Head

ACTIVITIES

In keeping with President Greg's directives, the "Horizons Committee" has continued to meet every second month, to provide an environment for suitable informal discussions regarding the future of the Rotary Club of North Balwyn.

In addition every effort has been made to implement the recommendations of the ~~1996-98~~ Horizons Committee, and to build on the work of the 1998-99 Horizons Committee.

In particular the future direction of each Avenue of Service has been discussed, including recommendation pertaining to future club administration and membership, and fruitful discussions have taken place regarding the possible direction and future of the Rotary Club of North Balwyn over the next five years.

The "RCNB Members Survey" initiated by the Horizons Committee in July 1999, was completed and documented, and has been circulated to the Board and all Club members for their consideration. A similar Club Members Survey is planned for July 2000.

Particular emphasis has been placed on discussions regarding specific major projects such as the "Challenge Project", the "Millennium Project for Homeless Youth", and the "Olympic Catering Project", in an effort to identify a suitable ongoing major club project to recommend to the Board as worthy of club support over the next few years.

The Chairman would like to express his sincere thanks to all members of this committee, not only for their regular attendance and commitment, but for their valuable contribution to the future of the Rotary Club of North Balwyn.

John Reddish
Chairman

CLUBMATE ANNUAL REPORT 1999-2000

CLUBMATE

Our club had acquired an IBM notebook computer (IBM Think Pad I Series 1400) and Clubmate software. Clubmate develops member and accounting software for the management of service clubs. Clubmate also delivers district and national packages that integrate multiple club databases. Clubmate has been endorsed and recommended by the Rotary International Technology Task Force as the software to automate Rotary clubs and districts. Twenty (20) clubs in our District 9800 have acquired Clubmate. We have established our member database and have started to record meeting attendance in parallel with our existing paper system. We plan to introduce Clubmate in the new Rotary year (ie. as of 1 July 2000). The member database will need to be extended and checked for accuracy and it is anticipated that one-on-one interviews will commence shortly. Once the Secretary's activities have been properly established, we will then look at proceeding to incorporate the Treasurer's activities. This exercise continues to pose interesting challenges as we continue with the programme to integrate the full range of our club procedures into Clubmate.

CHALLENGE

Challenge is a programme initiated this year that offers help to young people who face a crisis in their lives - be it drug dependence, homelessness, or just alienation from family and friends. During the year, the club joined with The Outdoor Experience (T.O.E) to offer wilderness courses to young people in Boroondara.

The Outdoor Experience is a Jesuit-run programme that features a 12 day wilderness course in the Victorian Alps. In the first programme, the young people were taken on a cross country ski trip. They had to carry all their provisions with them - learn how to pitch a tent, how to cook in the open, do basic first aid and cope with knee-high snow. Counsellors from T.O.E accompanied them on this trip and were on hand to talk, give encouragement and to listen. Following the wilderness course a few days recovery, de-briefing and finally a graduation ceremony was held at the T.O.E headquarters in Collingwood.

A successful start to a worthwhile community project for the club.

ADMINISTRATION COMMITTEE ANNUAL REPORT 1999-2000

Committee:	Gregor Matthews	President
	David Cheney	Vice President
	John Mollison	President Elect
	Bruce McIver	Imm. Past President
	John Rennie	Secretary
	Bob Woolgar	Treasurer
	Anthony Stokes	Minute Secretary & Attendance Officer

COMMITTEE MEETINGS

The committee members met individually as and when necessary and as a result no formal committee meetings were considered necessary. Close contact ensured that all tasks were carried out efficiently and I thank the Committee members for their effort and cooperation.

BOARD MEETINGS

Regular monthly meetings were held throughout the year and with the exception of a number of special meetings, which were held at Kew Golf Club, the meetings were held in rotation in homes of the board members and for this I thank those who volunteered. My special thanks to Gregor Matthews who kindly volunteered for a second meeting at short notice. The Club Planning Day Meeting, organised by President Gregor, was held at Greythorn Primary School, North Balwyn, as were the two combined Board meetings.

BOARD ELECTIONS

The two elected members of the Nominating Committee were John Robson and Bernie Smith and they joined President Gregor, President Elect John Mollison and Immediate Past President Bruce to form the Committee.

The following nominations were received:

President Elect	Terry Keyhoe
Vice President	Ron Phillips
Secretary	John Rennie
Treasurer	Bob Woolgar
Directors	Ian Adams
	Hugo Goetze
	Rob Head

As there was only one candidate for each of the vacant positions, these candidates were declared duly elected without the need for a vote at the Annual General Meeting.

ATTENDANCE

My thanks to Anthony Stokes for the recording and printing of the Board minutes and for recording our attendance statistics and reporting to District. The average attendance for the Club for the year to the end of May 2000 was 80.92%.

MEMBERSHIP

At the commencement of this Rotary year the membership stood at seventy-nine senior active/active/past service members and four honorary members. To the end of May 2000 there have been three active and one senior active members inducted and one resignation thus the Club had a net gain of three and the membership now stands at eighty-two active/senior active/past service members together with four honorary members. My special thanks once again to Geoff Perdriau, who, in addition to his other duties, filled in for me when I was unable to attend.

I have enjoyed being Secretary again this year and I thank the members for their faith in reappointing me to this position. I thank the other members of the Administration Committee for their help and cooperation throughout the year and in particular President Gregor for his continued consideration and support.

JOHN RENNIE
Secretary

We continue to have a successful relationship with the Kew Golf Club although a little torrid on a couple of occasions when our numbers far exceeded those which were anticipated and stretched the kitchens resources. Something, I suggest, members should be mindful of when bringing guests etc. in future.

Our visits to other venues had mixed success and tended to prove that members feel that Kew Golf Club is home for our club. I do not believe, however, that this should stop us from trying out other venues on odd occasions. The introduction of a small stage appears to have eased the problem of isolation some attendees suffer when we have large functions

Our club continues to enjoy good fellowship, which is a large part of our success. However, we need to always strive to maintain and improve the running of the club for the benefit of the community.

On the subject of improvement, I would highlight a concern raised by my predecessor in last year's annual report. This is the inclination of some members to talk while speakers are at the rostrum. I suggest that the sergeant will closely monitor this practice next year.

Membership this year has been strong and the firm base established by David Cheney is continuing. To date we have inducted four new members: Lindsay Pegg, Don Stewart, Rowan Mclean, and Frank Varone, who are well involved in Rotary activities. We will shortly be receiving a transferring Rotarian and we have four other new potential Rotarians in the system. It is anticipated that a new members evening will be held early in the New Rotary Year. Great club fellowship this year, in particular, has simplified the job of membership.

John Magor
Director

FELLOWSHIP ANNUAL REPORT 1999-2000

Committee	Brian Humard (Chairman)
	Ted Angleton
	Murray Carr
	Allan Fabry
	Phil Francis
	Geoff Griffiths
	Max Hunter
	Ron Liner
	Bernie Smith

Club Fellowship got off to a good start with a Yum Cha lunch at the Treasure Restaurant, Doncaster. Tom Wing Young organised a varied and tasty menu as well as negotiating a good deal for the 50 members who attended.

In September we held a wine auction and Southcorp provided a guest speaker as well as a range of wines to sample. Max Hunter presided over the meeting while Peter Elliott extracted the very best price for each wine including a lot of 6 bottles of extremely dubious vintage. This event coincided with a community relief appeal for the Turkish Earthquake disaster victims and we were able to donate the proceeds of \$870 to this very worthwhile cause.

Later in the month we also held our usual Grand Finals Night celebration hosted by Bernie Smith

Our Melbourne Cup night was held at the Veneto Club as Kew Golf Club were hosting their A.G.M. While the space available at this venue made for good 'racing' around our track, the bar service and food left something to be desired. Thanks to Geoff Griffiths who chaired a very successful evening.

For our Christmas party Greg Ross wrote a special tribute to Rotary in 1999 set to the tune of 'Rudolph the Red Nosed Reindeer' – here are the last two verses –

To all who've served the Club with pride
Including partners too
We've also made some lifelong friends
But that's not where our journey ends.

Good health and love we wish you
Humour, challenges, fine wine
And here at this special Club night
We say, "Happy Christmas, ninety nine."

Also thanks to David Cheney (pianist), Jane Pennington who led the carol singing so ably and to all our members who brought along a Christmas gift for donation to needy children through the Boroondara Welfare agency.

Slightly fewer members than usual enjoyed another of our annual Fishing and Golf weekends held in February. It is a major logistical exercise to co-ordinate boat numbers, golf and hospitality arrangements as well as the catering and thanks must go to Ted Angleton and his able assistant Don Stewart for putting this Fellowship event together so successfully.

A busy February continued with our Cabaret Night to mark the occasion of Rotary's 95th birthday. This was held at the Shoppingtown Hotel and attended by 156 members, partners and guests. Ted Angleton was able to secure the undoubted singing abilities of the Babirra Music Group as entertainment and they thrilled the audience with a memorable walk through the musicals *'From Oklahoma to Les Miserables.'* We managed to arrange some excellent prizes, the ladies each received a rose and, no doubt, the glass of champagne on arrival set the tone for a very successful evening.

The final Fellowship event for the year was to celebrate our own 20th Club birthday and this was achieved in fine style with a musical evening. Items were presented by Peter Baird and Rowan McClean (with a little help from his guitarist) and, after the usual birthday frivolities of cutting the cake, Bill Oakley led us with some community singing of some favourite old songs. Bill also wrote the words to our birthday song, the last verse pretty well sums up our club -

So take heed our P.E. John Mollison
You're getting a pretty good mob,
To take them and keep on improving
Will be quite a challenging job.

FUNDRAISING COMMITTEE ANNUAL REPORT 1999-2000

Committee:	Bill Oakley - Chairman	
	Ian Taylor - Deputy	
Bob Adams	Lindsay Pegg	
Peter Baird	Ron Phillips	
Roger Bennallack	Helen Robertson	
Richard Della Riva	Nino Sofra	
Terry Keyhoe	Jim Studebaker	
John Moyle	Frank Verrone	

The budget set for the Fundraising for the year was to raise \$27,000 for the Club Service Account, and \$1,000 for the Club Administration Account. At the time of writing, accounts for the year were not finalised. However, it appears that both these figures will be exceeded for the year. The major fundraising activities for the year were as follows:

CHRISTMAS RAFFLE

Again the major prize for the raffle was a weeks holiday at the French Quarter at Noosa. Some effort was put into preparing promotional signs so that selling of tickets could be undertaken simultaneously from several locations. Selling was started earlier, and more sellers recruited. The resultant \$8,600 net profit was significantly higher than it has been in recent years. Special thanks need to go to Lindsay Pegg for a great effort in coordinating this year's raffle.

QANTAS AUSTRALIAN GRAND PRIX

Our role in the Grand Prix continues to grow. We produce and sell food in three separate roles and places: -

1. We provide breakfast each morning for the CAMS officials under an arrangement with the Grand Prix Corporation where we donate half the profit to the Grand Prix's nominated charity - this year Kildonan Child and Family Services.
2. We sell to the public under an arrangement with Peter Rowland Catering who have the overall contract to provide the catering at the Grand Prix.
3. We provide specific catering required by the Grand Prix Corporation. This year this involved a sausage and orange juice breakfast for 2-3,000 participants in a Walk the Track activity on Sunday morning, and dinner for the CAMS officials on the Saturday night.

In addition to this our Rotaract Club are given a donation of \$750 for washing various official cars. Around 100 members, Rotaractors, partners, family and friends put in over 1000 hours of work to raise approximately \$13,000 for our Club, \$750 for Rotaract and \$2,500 for Kildonan. A special vote of thanks must go to Terry Keyhoe for an incredible effort in bringing together all the diverse strands necessary to make this activity a success.

CHARITY GOLF DAY

Around 30 players enjoyed a great day of golf, which resulted in approximately \$4,500 for club funds. Proceeds were down a little because we were only able to find one major sponsor this year, and the number of players was down from previous years. Thanks to Ian Taylor and Jim Studebaker for taking the lions share of the organising.

OLYMPIC FUN RUN

We were given the opportunity at short notice to provide catering for the Olympic Fun Run in November. With no previous experience of the event; and with the date clashing with a major Club fellowship weekend, we nevertheless made a creditable \$1,500 for Club funds. The way is open for us to do this again next year, with the potential to make much more.

Other activities that have contributed to our fundraising this year include the sale of Christmas cakes and puddings; salmon sales; several theatre nights and club raffles, which have netted over \$2,000 for club funds.

CATERING

Catering is increasingly a feature of our fundraising, and we are getting more professional at it. This year we ran a special Hygiene for Food Handlers course at which 20 members and partners gained the food handling qualification. Our expertise is becoming more widely known. The Olympic Fun Run opportunity was a result of this, as is our increasing involvement in the Grand Prix.

Next year we will have the opportunity to participate in catering activities at the Olympic Games in Sydney, and at the Air Show at Geelong in February. These activities should prove great fellowship as well as fundraising activities.

This has proved to be a busy year for fundraising. I thank the members of the Fundraising Committee and the members and friends of the club for their hard work and support during this year.

INTERNATIONAL SERVICE COMMITTEE ANNUAL REPORT 1999-2000

Committee:	Barry Cummings	Director	
	Greg Adams		Ian Mollison
	Findley Cornell		Marcel Muntwyler
	Peter Cowley		Geoff Perdriau
	Paul Fitz		John Reddish
	Ralph Lee		John Robson
	Birgitta Lundgren-Lindquist		Greg Ross

MATCHING GRANTS

Personal contributions previously made by two members of our Club have now been applied to a Literacy Grant in District 3360 Thailand. Balance of our contribution to the grant was provided from a commitment of \$3000.00 from last year together with an amount budgeted this year. During the year PDG Jack Nankervis spoke to the Club on Literacy and Numeracy activities.

INTERNATIONAL HOUSE

The Club has had no involvement with International House this year but plans are in place for a Club visit in early 2000/2001.

INTERNATIONAL PROJECTS / ROTARY VOLUNTEERS

The tank funded by North Balwyn under "Save Water Save Lives" has now been installed. It was anticipated that Club members would become involved as volunteers in a RAM (Rotary Against Malaria) project in the Solomon Islands. Due to an unstable political situation the project was relocated to a different Province and as a consequence will not now be commenced before June 2000, but we did make a contribution of \$1000.00 toward the completion of a Microscopist Health Centre House. PDG John Reddish has had major involvement with RAM including attendance at a World Health Organisation Conference in Geneva. \$1269.00 raised from a Wine Auction was provided as aid for the Turkish Earthquake Disaster.

MEDICAL SUPPLIES TO THE SOLOMONS

Through the continued direct efforts of Nino Sofra supplies of medical goods have been sent this year.

ROTARY AUSTRALIA WORLD COMMUNITY SERVICE (RAWCS)

Apart from proposals for volunteers as mentioned above, annual contributions to RAWCS have been received from most of our members.

AMBASSADORIAL SCHOLARS

Three of our members, Tony McLean, Paul Fitz and Ken Maxfield acted as Counsellors for incoming scholars. Anita Kishore and Anthony Cutter from USA, Alexandra Seele from Germany, sponsored by North Balwyn and Hanuki Makio from Japan sponsored by Balwyn have addressed the Club. While an expression of interest from a potential outgoing scholar was received it did not result in an application.

ROMAC

Barry Cooper of the Rotary Club of Kangaroo Flat and Murray Stapleton (Surgeon) provided a most interesting address to the Club.

The ROMAC Concert was well supported by members of the Club.

Club members Paul Fitz and David Cheney are involved on National and District Committees respectively.

ROTARY FOUNDATION CONTRIBUTIONS

The Committee budget included an amount of \$5000 which is approximately \$62 per member. It has been recommended to the Board that this amount be increased but pending assessment of funds available a decision as to the contribution to be made is yet to be finalised.

The "Top Spin" Tennis fundraiser for Foundation was quite successful in spite of the number of raffles at the time, including our own Christmas Raffle. As a result of our efforts \$976.00 of tickets were sold.

STUDENT EXCHANGE

This year responsibility for Student Exchange was moved from Youth to International. This years inward student Nils Andriessen from Germany, with Counsellor Greg Adams, and Lyndel Hopkins as our outward student to Norway with Ian Mollison as Counsellor. Due to difficulties in obtaining host families it was decided to defer our next inward student until January 2001 and not to send an outward student next year.

A Committee has been formed to seek out potential host families. There seems to be a lack of interest in Student Exchange and it will be necessary for some concerted action next year to redress this problem.

Host parents during this year were, George & Anita Swanson, John & Jill McBride, John & Elaine Magor and Frank & Marilyn Verone. Thanks to these members and their wives for helping us out of a very difficult situation.

I would like to thank the members of the Committee for their contributions and support during the year.

George Swanston
David Willshire
Helen Robertson
Rob Head
Don Haycraft
Brad Mills
Ken Maxfield
Dave Morris

A most successful year was completed with a variety of projects undertaken. These included:

DONATIONS

- The purchase of special tyre fittings for the wheels of wheelchairs to enable them to go easily across rough terrain. These were donated to the disability program at the Hawthorn Leisure and Aquatic Centre.
- The donation of a sum of money to Camcare that was distributed at Christmas time in the form of vouchers. Twenty families each received a voucher for \$100 to make their Christmas special.
- The purchase of 24 large print song books and 2 sheet music books that were donated to the Eva Tilley Memorial Home. A music program, which was greatly enjoyed by the residents, was held when the books were presented.

YOUTH

- Two Year 11 students attended the RYPEN (Rotary Youth Program of Enrichment) weekend in October.
- Two young people, aged between 18 and 25, attended RYLA (Rotary Youth Leadership Award), which was held in the first week of December 1999. They both benefited a great deal from their experiences throughout the week.
- Four Year 11 students, two teams of two, attended MUNA (Model United Nations Assembly), which both challenged and excited them.

VARIETY CLUB

Rotarians again supported the Variety Club's Christmas Party and went to give assistance during the actual party and also on the previous, setting up day.

SALVATION ARMY RED SHIELD APPEAL

Rotarians again supported the Red Shield appeal and collected in the same area as has previously been allocated to the Club.

THE PORTSEA CAMP

A very successful working bee weekend was held at the Portsea Camp, where painting and maintenance work was carried out.

ROTARACT

Rotaract was given excellent support by the Rotary Club, with the rostered Rotarians attending meetings and giving support and encouragement. Many Rotarians bowled at the annual Bowling Challenge and the trophy was retained. Thanks and appreciation to Ken Maxfield for all his hard work and support for the Rotaract Club.

My thanks to all members of this Committee for their support during this year.

Jane Pennington

Portsea Kids Camp – After Painting

VOCATIONAL SERVICE COMMITTEE ANNUAL REPORT 1999-2000

Committee: Peter Courtney (Chairman)
John McBride
David Goldsmith
Frank Libman
Tony McLean

Maria Moffat
Hugo Goetze
Bill Thackray
Imre Lele
Rowan McLean

The following will give some idea of the projects undertaken by this very active and committed group.

BUSINESS BOROONDARA

We and other branches of Rotary International combined with City of Boroondara, Swinburne University and Jobs East to set up a group to assist small business in our area to form support networks. Business Boroondara was successfully launched on 1 Sept. 1999 and was attended by 250 local businesses. We have offered our assistance and look forward to further involvement next year.

OPERATION LIVEWIRE.

Once again mentors from our club were involved in supporting two groups of young people to create business plans for new businesses. One proposed an internet café/training centre while the other was involved with designer labels. Despite (or thanks to) advice from our mentors, neither proceeded to the next level.

RIO TINTO NATIONAL YOUTH SCIENCE FORUM (Fortnight in Canberra with accommodation travel and tours fully funded for Yr11 students)

Once again we processed a large number of excellent applicants and advanced two to District. Unfortunately neither was successful at District level. One was a particularly gifted, visually-impaired student. Further contact with his school resulted in our donating a video-flex camera to assist him in seeing all that other students could see. Interviews for the next Forum were conducted on June7 2000. Perhaps we will have better luck next year.

SIEMENS SUMMER SCIENCE SCHOOL (Fortnight program in various Universities in Melb.)
Once again we supported this Program by paying for two students to attend.

VOCATIONAL VISIT

Members were provided with information on the Stock Exchange in a very professional presentation by experts from JB Were.

JOB TALKS

These were presented under a different format, with groups of speakers on different nights. As usual, these talks were numbered amongst our best for the year.

JOB INTERVIEW TECHNIQUES

As part of Careers Week at a local school we provided a program to assist year 10 students in improving their skills in applying for jobs and in subsequent interviews with potential employers. Students were advised on how to optimise their chances of being "short listed" and were then supplied with mock advertisements for jobs in their particular areas of interest. A week later, they were called in for a simulated interview and their applications discussed.

Y2K PROJECT

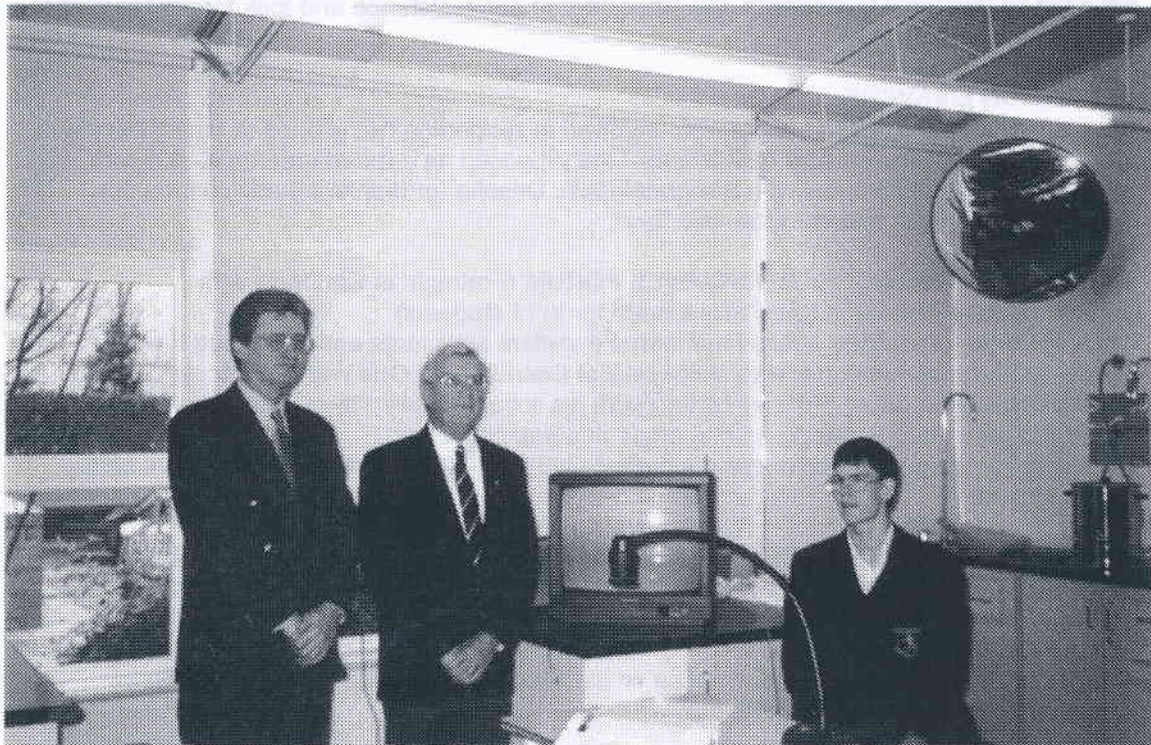

Our committee did all in its power to kill "The Bug". Articles were regularly placed in the Grapevine. The transition to 2000 was quite painless, perhaps due to the preparatory work put in by our members.

SHINE-ON AWARDS

This year we nominated one of our own Rotary Family, Eve Lustig, for an award to honour her outstanding work for others, despite her own disability. The award afternoon was excellent and Eve stood proudly in front of a large audience, while her Citation was read and she was presented with her Certificate. Well done Eve!

In conclusion, may I thank the members of the committee for their hard work, excellent meeting attendance, hospitality, good humour and forbearance.

Peter Courtney
Director

In March this year we presented a Video - Flex machine to Balwyn High School to assist with the Science education of two visually impaired students. This was prompted by the unsuccessful nomination of one of these students to the National Youth Science Forum. This student, Ben, was described as one of Balwyn High's most outstanding students ever. The device can easily magnify small items and print onto a TV screen. It is also used to screen demonstrations for whole classes. Two TV screens can be connected simultaneously so that all students have a clear view of proceedings.

Our Club donated \$1000 towards the purchase and the presentation was made to Peter Bond (left), Principal, and Ben (right) by Peter Courtney, Vocational Services Director.
