On to Convention	Jim Studebaker
Property Officer	Peter Baird
Foundation	Terry Keyhoe

Rotary's Wheel Emblem

A wheel has been the symbol of Rotary since our earliest days. The first design was made by Chicago Rotarian Montague Bear, an engraver who drew a simple wagon wheel, with a few lines to show dust and motion. The wheel was said to illustrate "Civilization and Movement". Most of the early clubs had some form of wagon wheel on their publications and letterheads. Finally, in 1922, it was decided that all Rotary clubs should adopt a single design as the exclusive emblem of Rotarians. Thus in 1923, the present gear wheel, with 24 cogs and six spokes was adopted by the "Rotary International Association". A group of engineers advised that the geared wheel was mechanically unsound and would not work without a "keyway" in the centre of the gear to attach it to a power shaft. So, in 1923 the keyway was added and the design which we now know was formally adopted as the official Rotary International emblem.

FROM THE PRESIDENT

"To sow the seeds of love is to think of others first and ourselves in terms of what we can do for others. Indeed we are, as Rotarians today and always to make kinder the face of the country and gentler the face of the world."

Bichai Rattakul R.I. President 2002-3

North Balwyn Rotary has more than lived up to the inspirational words of Bichai in that both Fellowship and Service this year have been outstanding, making 2002-3 a stellar year. When Rotary was first formed it was for the purpose of fellowship, as at that stage Service was not on the agenda. For this reason we have given much prominence to fellowship this year, with the introduction of informal "get togethers" at members' houses. Attendance at meetings has been excellent and the enjoyment of members has been well illustrated by their reluctance to leave at the close of meeting, particularly on partners' nights! Sergeant David Cheney has set the tone of meetings from his introductory remarks. Members have kept the fun level high and Guest Speakers have been outstanding.

On the Service side, we have tried to introduce new projects to not only raise money but importantly to provide fellowship. Thus the Fundraising Committee introduced a wine-bottling, old-fashioned film night and Camberwell Market stall. The Best of British night, in conjunction with the Australian Pops Orchestra was an excellent fundraising effort towards Polio eradication, as well as great entertainment. The Fellowship Committee reintroduced the Concert Party concept into our Birthday Night, thus providing a great night of hilarity.

When I conducted our Planning Day last May, I asked all committees to introduce at least one new project for the year. All willingly took this request on board and have put a great deal of planning into such projects, many of which are ready to go in the next year. These include 'Sounding Board', which provides advice and support for small business people, a RAWCS (Rotary Australia World Community Service) project involving 8 of our members in helping to refurbish a hospital in Vanuatu which was destroyed by a hurricane, a plan to develop a community area in the North Balwyn Village in conjunction with Boroondara Council as part of RI's 100th Birthday celebration in 2005, a major family bike ride and the hosting of country children from the drought stricken areas and a community computer centre.

Activities from all our committees can be found in the reports from Directors but special mention should be made of the completion of our largest fundraising project to date - the building of our house for homeless youth, to which we committed \$50,000 and possibly more than that in furniture, furnishings and fittings from members and friends. This was a spectacular achievement for which our Club owes a debt of gratitude to PP Greg Matthews for his dedication and hard work and to PP John Mollison and PP Terry Keyhoe who made sure that money was reserved to complete this project.

Special mention should also be made of the outstanding contribution from all members towards Foundation and, in particular, to the eradication of polio world-wide. Our Club was set a target of \$125 per member for Polio Eradication plus \$115 per member for other Foundation commitments. In total we were asked for \$240 per member, a total of \$20,400 dollars. When first approached by District, I accepted the target with apprehension as, in the past, we have found it difficult to allocate \$100 per member. The incentive of matching contributions from RI, Government, World Bank and the Gates Foundation, as well as the appreciation of the great work being done, resulted in us being able to more than fulfil our target for Polio Plus and pay our target amount in full. We are also very thankful to the wonderful efforts of some members in making personal donations and in obtaining excellent donations from church friends and Trusts.

I would like to take this opportunity to thank certain people who have given special service to the Club this year. In particular I must mention the outstanding contribution of our Sergeant PP David Cheney, who has not only provided his unique doggerel to introduce his embarrassed President and conducted hugely profitable "fines" sessions but has been in personal touch with all members on duty with duties outlined, has produced detailed "running sheets" well in advance of each meeting and has answered every request from me (no matter how demanding) with alacrity and good humour. He also took on the main responsibility of revising our By-Laws, a huge task involving about 10 drafts. When the final document was offered to help another President, a solicitor from that club remarked that to change it "would be like drawing a moustache on the Mona Lisa"! It gives me great pleasure therefore to present David with the President's Award for 2002-3.

Also worthy of mention is our amazingly efficient Secretary Jane Pennington, who has gone out of her way to assist me. Again, any request has been carried out very efficiently and advice has been happily given when requested.

Frequent laudatory comment has been made on the speakers provided for our meetings. These have been excellent and have covered a very wide range of endeavour. For this we must thank John Gartlan who has a very large list of contacts.

Treasurer Lindsay Pegg has done an amazingly efficient job as Treasurer. He has gained an excellent overview of our finances, has introduced documentation which guarantees responsible use of our money and has always been available to offer advice.

The Grapevine has taken on a very professional look under Delina Schembri-Hardy and is the envy of many other clubs. Delina has been very understanding in extending deadlines to allow for the presidential recalcitrance. Despite constant computer problems in dissemination, Delina and Gavan Schwartz have fought the good fight and with Dick Johnson's assistance look like winning.

PP Terry Keyhoe is a man of ideas who, with his very efficient and pragmatic partner PP Ron Phillips, convinced the Australia Pops Orchestra to provide incentives for us to buy tickets for a concert to aid polio plus (see above) and also involved the Cluster Clubs in contributing, thus encouraging inter-club cooperation.

Our club is very indebted to Gavan Scharz and his staff for the use of his school and staff room every month for our Board Meetings.

There are, of course many others who are worthy of recognition and I hope this will be given in other areas of this report. If not, please accept my apology and my thanks for what you have done. I am well aware of all the wonderful things done by members this year and I have tried to recognise these in my President's Message each week, which I have made a "recognition" session.

Mention must be made of our Rotaract Club which, under Samia, has had a very successful year. Due to the efforts of many members and, in particular John McBride, our Club was awarded the District shield for Rotary - Rotaract cooperation. Despite being again defeated in the annual ten-pin bowling challenge by our talented team, Rotaract have remained defiant and will again challenge next year for the Greg (Grizzly) Adams trophy.

Our Almoner, John Magor took his duties to a new level this year, not only in keeping in touch with members in trouble but particularly in giving comfort and very real and ongoing assistance to the family of our deceased member Greg Adams.

On a happier note it gave me great pleasure to present Paul Harris Fellows to Bill Oakley, Dick Johnson, John Gartlan and Areta Hurnard and a multiple (Sapphire) to PP David Cheney. They were very well deserved awards for excellent service to Rotary.

In conclusion may I thank our Board for their outstanding commitment to our Club and for their unswerving loyalty to their fellow Board members and myself. My thanks, also, to every member for your support throughout the year - comments have always been positive and confirming.

Of course my undying gratitude must be reserved for my long-suffering wife Erin for her good humoured assistance at stressful times during the year and for always "being there".

I thank the Club for showing enough faith in me to provide the opportunity to serve you as President this year. It has been a unique opportunity which I have thoroughly enjoyed. I wish Brian a successful year and guarantee him my full support.

As a Past President, I am now "the font of all knowledge" and am happy to share this with anyone who cares to listen.

Thanks for helping to "Sow the Seeds of Love" in 2002-3.

Peter

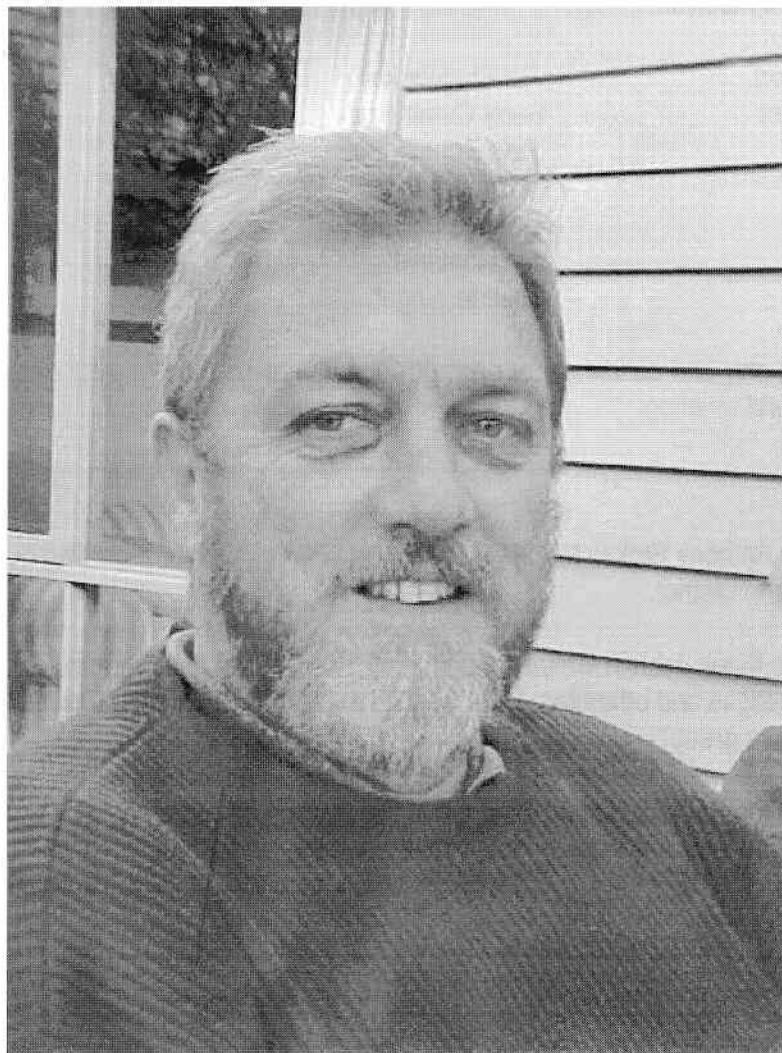

GREG ADAMS

On 20th April this year, our Club was stunned by the news of the tragic death of one of our members, Greg Adams, in a motor accident.

Greg, who was affectionately known as "grizzly", was a gentle giant, a fun person, an excellent Rotarian and "an all-round good bloke".

The sympathy and best wishes of all members are extended to his family Donna, Chloe and Rory.

ADMINISTRATION

Secretary	Jane Pennington
Deputy Secretary	John Thwaites
Treasurer	Lindsay Pegg
Minute Secretary & Attendance Officer	Anthony Stokes

Board Meetings

Regular monthly meetings were held throughout the year, with the exception of January. These meetings were held at the Boroondara Park Primary School and we would like to thank Gavan Schwartz for the use of the school, which is much appreciated. Special short meetings were occasionally held after regular meetings to enable decisions to be made and implemented between regular meetings.

Board Elections

The Nominating Committee comprised two elected members, President Peter Courtney, President Elect Brian Hurnard and Immediate Past President Terry Keyhoe. Resulting from the call for nominations, the following were received:

President Elect	Jim Studebaker
Vice President	Barry Cummings
Secretary	Jane Pennington
Treasurer	Lindsay Pegg
Directors	Graeme Bird
	Jim Romanis
	Thelma Wright

As there was only one candidate for each position, these candidates were declared duly elected at the Annual General Meeting.

Attendance

My thanks to Anthony Stokes for taking the Board Minutes and for recording our attendance statistics and reporting to District.

I would like to thank John Thwaites for being my 'wheels' and going around to collect parcels from the post office, badges and other items that needed to be collected during business hours when I was at work. That was great.

Thank you to the Club for reappointing me to the position of Secretary, which I have greatly enjoyed and I am sure will be less of a mystery now I have done the job for a year.

Jane Pennington

In submitting this annual Club Service report, I wish to acknowledge the support of all members of the club, who, week by week have shared the duties of setting-up, greeting and finances. This has enabled our meetings to run smoothly and in a most positive manner. We have built strong fellowship and worked to develop a dynamic, action oriented and community minded Club that many people would be eager to join.

Almoner: John has been very busy throughout the year – not only in reporting weekly to the Club, but in spending time with members and their families during difficult times. John's input has been greatly appreciated by everyone.

Attendance and Radio: Ron remains the vital link between our Club and the Kew Golf Club. He has done a great job in "guesstimating" the numbers again this year. He continues his outstanding commitment to the Radio Hour on 96.5FM on the first Tuesday of each month from 4pm to 5pm.

Attendance / Statistics: Anthony has been responsible for keeping our attendance figures accurate and forwarding this information to District.

Fellowship: Bill and his committee have offered a great variety of new social functions – house parties were held at Delina's, Gavan's and Jim's homes, and a fireside meeting was held for newer members at our newest member Meg's home. The old favourites continued, with fishing and golf centred around Ted's beach home – all activities have helped cement friendly relationships beyond Club meetings.

Grapevine: Delina has spent many, many hours on the weekly communication, not to mention the dollars involved. The difficulties have often been caused by the varying types of e-mail "gobbledygook". With the help of real and Club experts, Delina has tried to eliminate all problems, however it seems that the way is not smooth. Gavan has been the printer and "post boy" whose assistance has been much appreciated.

Membership: Paul has had a busy year. Our numbers have increased by two with some members leaving and new ones joining.

Photographer: Thelma has been continuously “flashing” about at most of our meetings and other events. The excellent results of her work have been featured most weeks in the Grapevine.

Programme: John has provided the Club with a most interesting list of guest speakers. Each week we left the meeting feeling it was one of the best, and the following meeting, the same thing could be said. A truly excellent year!!

Property Officer: Peter has been in charge of aprons, caps and keys to mention just a few items, and he has managed his stores in a most efficient manner.

Public Relations: The Club has been kept in the news by John and we have enjoyed ongoing support from local press and businesses.

Rotary Information: Rotary information has been in the hands of yet another John – with quite a few members attending the international conference in Brisbane, our members will be well informed and share a great experience.

Sergeant: David – words fail me!! His enthusiasm, dedication and abilities are difficult to describe. He has amused and informed us magnificently throughout the year. The poetry and numbers game have been nothing short of remarkable.

*David receiving a Sapphire Paul
Harris Fellow at the Club's
Birthday Night.*

Webmaster: Dick has been responsible for the development and maintenance of the website, presenting a more readable format, which is informative and kept right up to date. The Grapevine is also included for those who wish to be kept informed about Club activities.

*Dick receiving a Paul Harris Fellow
Award at the Club's Birthday Night.*

Many thanks to all those who have shared the workload during the course of the year.

Ann Kerr

FELLOWSHIP

Committee

Director

Ted Angleton
John Thwaites
David de Garis

Bill Oakley
Tony McLean
Meg Morris

Gavan Schwartz
Jenny Ryan

This year marked a busy one for the Fellowship Committee. First we undertook to organise a series of nights which have become traditional fellowship events for the Club. These included the Melbourne Cup Eve night, the Christmas Party, and the Club's birthday. Each of these gave members the opportunity to show their almost legendary ability to provide an entertaining evening by making fools of themselves.

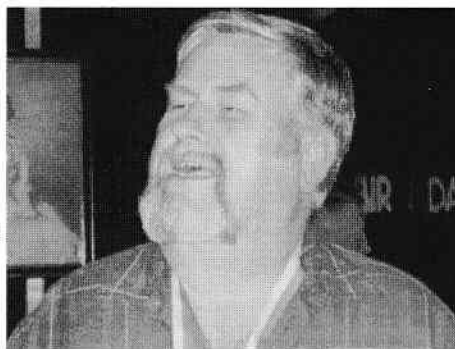

Events away from our traditional Kew venue included theatre nights at Chapel off Chapel to see Greg Ross as a philosophical frog; a brilliant production of Les Miserables by the Barbirra Music Theatre Company; rehearsals and performances of the Australian Pops Orchestra, golf and relaxation at Port Fairy; a little work and a lot of fun wine bottling at the Bardens; and golf and fishing at Portsea.

A new venture for this term was the introduction of informal fellowship nights at the home of different members. These were BYO everything nights aimed to ease the burden of the hosts. Nevertheless there is still a large amount of work for the hosting families. Around 40 to 50 members and partners enjoyed each of the three nights held during this year. Special thanks goes to Delina Schembri-Hardy, Gavan & Lyn Schwartz, and Jim & Kerrie Romanis for hosting these evenings in their homes. I hope the tradition is continued in future years.

My thanks to all the members of the Fellowship Committee for all their hard work and support of me during the year. Special thanks go also to Ann Kerr, who as Director Club Service, was our boss, for her strong interest in and support of everything we undertook.

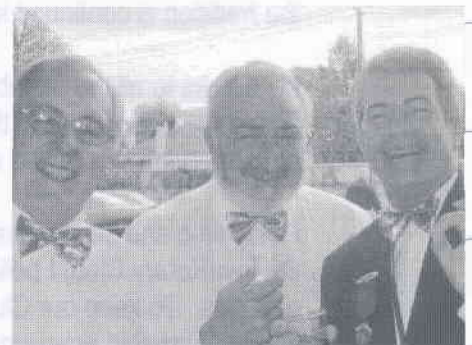

Fellowship and service are the two pillars which support Rotary. One of the great strengths of North Balwyn Rotary Club, I believe, is our ability to find just the right balance between these two in our Club's activities. To keep our Club strong we need to make sure we continue to recognise the importance of a strong fellowship programme.

Bill Oakley

Bill receiving a Paul Harris Fellow Award at the Club's Birthday Night.

Fellowship Activities

COMMUNITY SERVICE

Committee

Director	Phil Francis	
Bob Adams	Richard Dalla-Riva	Rob Head
Peter Baird	Len Dean	Ron Liner
Peter Cleary	Ian Richardson	Findley Cornell
Don Haycraft	Jim Romanis	

Activities

Camcare: The Committee continued the Club's association with Camcare and during the year purchased a new computer for dedicated use by Camcare's financial counsellors and in emergency situations.

Salvation Army: Ian Richardson recruited an army of 20 willing doorknockers for the annual Red Shield Appeal on May 25 and collected \$3,227.50 for this worthy cause.

Variety Club: Don Haycraft undertook the task of organising over 30 members to assist with the setting up and organisational management of this great Christmas party for 5,000 of Victoria's Special Needs Children. This really is the "Project Of A Million Smiles".

Marwal Ave Senior Citizens Centre: This centre is an extremely valuable resource to our Club and in appreciation a working bee was held at the Centre on Anzac Day to assist Management maintain their rather extensive garden. Over 15 members attended and did a great job in what now appears to be established as a regular Anzac Day event.

Health Presentation: This April 2 presentation at the Camberwell Civic Centre was successful in attracting 380 attendees from 8 of the Burke Cluster Rotary Clubs. The evening was chaired by PDG John Reddish and the speakers included Mr. David Webb FRACS, Consultant Urologist and Mr. Campbell McComas.

Music for Senior Citizens: The Club provided financial assistance for Isobel Byars to enable her to conduct musical afternoons at Eva Tilley, Sefton Lodge, Maranoa House, Broadmead and Bethany Senior Citizens Residence.

Thanks to all our Committee members for their attendance and input at meetings, resulting in the attainment of planned objectives. Thanks also to those members who hosted meetings in their homes.

Phil Francis

President Peter presenting the computer to Camcare.

NEW GENERATIONS

Committee

Director

Bronwen Dimond
George Selkrig
Lew Lustig
Brian Bergin

Rosalind Horne

Maria Moffat

John Mollison

Gregor Matthews

John McBride

Max Hunter

David Willshire

Thank you to all Committee members for their contributions to a successful and rewarding year, both in teamwork, and individual efforts. This year the New Generations Committee increased its number of projects to include The Siemens Science Experience and the National Youth Science Forum, both managed in the previous year by the Vocational Committee.

The names in brackets next to each of the following projects indicate the leaders of that project.

The Siemens Science Experience (Bronwen Dimond)

Two students, Jennifer Nguyen and Jasmyn Dhillon, both from Balwyn High School, attended the Siemens Science Experience at Monash University in January 2002, a three day hands-on program for students about to enter year 10. The students heard about the wonders of science and technology, performed interesting experiments in university laboratories and learned about careers in science, technology and engineering.

RYPEN - Rotary Youth Program of Enrichment (Lew Lustig)

North Balwyn Rotary Club hosted the RYPEN camp in October 2002, catering for the camp weekend from Friday evening to Sunday lunchtime, at Camp Weekaway near Lancefield. New Generations Committee members Bronwen Dimond, George Selkrig, Gregor Matthews, John Mollison, Ros Horne and John McBride, were assisted by Nino Sofra, Jane Pennington, Marg Selkrig, Anthea Mollison, Heather Matthews, and Bev Sofra. We were very grateful for the expertise and organisational skills, (and not forgetting the cooking skills), of Bill Oakley, who guaranteed the high quality of food and service. The Saturday night dinner was a three course sit down dinner with a guest speaker, and attended by our President Peter. The waiters and cooks were suitably attired in their black and white and delivered a high class meal!

In March 2003, the Club sponsored four students to attend the RYPEN camp. The students, Sae Rom Lee, Diana Lam, Vivienne Smenga, and Balazs Lovrecz, attend Balwyn High School. Feedback from the students indicated they all had a great weekend, enjoying a wide range of activities provided for them by Rotaract Leaders. Thanks to Lew, Ian Richardson, and in particular Michael Kelly from Melbourne North Rotary Club, who provided the transport. The students received a great surprise when Michael arrived in his stretch limo to take them home. Thanks also to Maria Moffat, District RYPEN Representative, who worked hard behind the scenes to make the camp such a success and provided such strong support to the New Generations Committee.

RYLA - Rotary Youth Leadership Award (George Selkrig)

This year Rotaract were to nominate two candidates for the RYLA Award, as NBRC had nominated the previous two. The role of the New Generations Committee was in the selection and organisation of the students for the Award week.

Renee Damon, a Library Technician at Box Hill TAFE and Veronica Unkles, a Deakin University student, were selected to attend the week long RYLA camp, which was held at Rutherford Park near Daylesford in late November 2002. Following the camp, they attended a dinner meeting at North Balwyn Club and impressed the members with their confidence and public speaking skills during an address to the members. Renee and Veronika expressed their sincere gratitude for the experience, where they learned to improve their leadership skills and to examine their own strengths and attributes.

Thanks to George for going the extra mile and attending the RYLA Dinner meeting during the week, on our behalf.

RYE - Rotary Youth Exchange (John McBride, Maria Moffat)

The 2002-2003 New Generations Committee happily supported Eduardo Paiotti in his final six months of Rotary Youth Exchange. Eduardo completed his exchange year in January 2003, and was farewelled at a BBQ kindly held at Peter and Robyn Elliott's home. We were treated to an interesting and emotional final address by Eduardo where he expressed his gratitude to the many Club members who had supported him during his stay. In addition to the host families and counsellors acknowledged in last year's Youth Report we also thank Delina Schembri-Hardy for her fine efforts in this regard.

The New Generations Committee have selected a student for the outgoing RYE program for 2004, and congratulate Nick Reynolds from Camberwell Grammar School on his selection and recommendation to the District Committee. Interviews at the District level will be held in June.

MUNA - Model United Nations Assembly (Max Hunter)

The MUNA camp was held from 31 May to 1 June 2003 at Lake Burnbrae Conference Centre, near Bacchus Marsh. The camp was organised by the Rotary Club of Bacchus Marsh. Our Club sponsored two Year 11 students, Josh Buckland and Eleonor Ratcliffe, selected by Balwyn High School. Their allotted country was Japan, and found the Assembly a worthwhile experience to practise their debating and negotiation skills, and to make new friends. They were very successful and have been selected to go to national level. Thanks to Max for transporting our students to and from the camp.

NYSF - National Youth Science Forum (John Mollison, Ros Horne, Gregor Matthews)

Three candidates applied to attend the National Youth Science Forum this year. The students were from Trinity Grammar School, Balwyn High School and Camberwell Girls' Grammar School. The applications were all of a very high standard and indicated a variety of interests in the Science field, including Medicine, Arts and Science, and Electrical Engineering. Interviews will be conducted the week following the writing of this report. We wish all candidates success in their schooling and future careers and hope they will continue to pursue their scientific interests.

Rotaract (John McBride, Ros Horne)

We were all very honoured at North Balwyn Rotary Club this year to receive the Rotary Rotaract District Award, presented at the District Conference in Bendigo, 2003. Congratulations to President Sarnia Rawlings on a splendid effort at the helm this past year. We have enjoyed Sarnia's regular attendance at Club meetings and her lively and enthusiastic Rotaract reports. The Rotaract Club is small, but holding its own, and our Club will continue to provide strong support in the coming year.

*Rotaract President Sarnia, District Governor Des and Rotary President Peter
at the presentation of the Award*

Rosalind Horne

VOCATIONAL

Committee

Director	Jim Studebaker	
Nino Sofra	John Magor	John Moyle
George Swanson	David Morris	Thelma Wright
Geoff Bell	Neil Ramsay	Marcel Muntwyler
Duncan Ansell	Greg Adams	

It is a pleasure to report that this year's Vocational Service Committee enjoyed wonderful Rotary fellowship whilst fulfilling the majority of its goals and putting in place the firm foundations for initiatives, which will be either completed in the near term and/or continuing in the future.

Job Talks

Nino Sofra headed up the Job Talks team and arranged for a number of our members to speak on their wide-ranging vocations. This activity enlightened all members on different vocations but also enabled our Club members to have a better appreciation and understanding of the varied occupations held by our members.

District Shine On Awards

Our Club had three nominations for the District Shine On Awards this year. Thelma Wright did a great job in sourcing the candidates from the Royal Institute for the Blind (Victoria). Two of the three nominees spoke to the Club before the awards ceremony in Kilmore. Thelma Wright and Jim Studebaker attended the award ceremony and each of our candidates was highly recognised. The ceremony was a moving event with our own David Goldsmith still taking an active part and supporting his son as prime sponsor of the Shine On Awards.

Vocational Visit

Thelma was also very active in the latter part of the year organising our Vocational Visit to William Angliss School of Hospitality where we had over 80 members and partners enjoy the hospitality and learn of the activities of the school.

Initiatives

1. Internet Centre

The Vocational Committee undertook to get two initiatives established during the year. The first was to establish a fully equipped computer and internet centre to instruct senior citizens in the use of computers and, more particularly, in the use of the internet and the application of email. The computer centre is located at the North Balwyn Community House on Doncaster Road. At the time of the writing of this report, John Magor, Nino Sofra and Neil Ramsay had arranged for the accommodation of the computers, drawn floor plans for the computer room, arranged for instructors from Probus, located computers through the District computer contact and are close to arranging the operating software. Desks, chairs and modem connections are all that remain to fully complete the project. My thanks to

John, Nino and Neil for sticking to the project over the past few months and I hope that the computer project will be commissioned before the end of June.

2. Executive Bank (Sounding Board)

The second new initiative undertaken was to form an 'Executive Bank'. Executive Bank will comprise a group of members with business skills who would make themselves available to mentor small businesses in our local community. It was felt, that with the breadth and depth of executive talent residing in the members of our Club, a vehicle should be created to harness and focus that talent. Geoff Bell picked up this project with gusto and has since formed a sub-committee with Duncan Ansell and David Morris to formulate an action plan ready for execution later this year. The sub-committee has been meeting regularly this year and I would like to give special thanks to Geoff Bell for his organisational skills and his passion for this project. Executive Bank has been recently renamed 'Sounding Board' to more properly reflect its purpose. Geoff will be continuing this project next year and I know he will make a great success of Sounding Board, which will be a model programme that can be replicated to other clubs and other districts.

My thanks to all committee members for their work and support during the year. Special thanks to members and their partners for hosting our monthly meetings.

Jim Studebaker

INTERNATIONAL

Committee

Director

Roger Benallack
Geoff Dwyer
Geoff Perdriau
Clarence Tang

Ralph Lee
Bob Bott
Imre Lele
John Reddish
Bill Thackray

Barry Cummings
Ian Mollison
Bernie Smith

The committee has had an enjoyable and successful Rotary year, meeting twelve times during the year. I thank the Rotarians for their active participation and for making their homes available for our meetings and the hospitality that followed our meetings.

Our committee set a goal of undertaking two new projects for this Rotary year.

RAWCS - Rotary Australia World Community Service - Project Volunteers

We decided to examine the possibility of our Club being involved in a RAWCS – Project Volunteers. Bernie Smith accepted the task of finding a suitable project. After reviewing a number of projects, the committee accepted the Vanuatu Hospital Refurbishment Project to be undertaken by a team comprising Club Rotarians who indicated their desire to represent the Club in this project.

The team is currently scheduled to depart for Vanuatu on 16 August 2003, and will return on 31 August. The cost of this project for a team of 8 members will be \$12,800. The Board has agreed to financially contribute \$750 to each team member, with a maximum contribution of \$6,000 towards the project.

ROVE - Rotary Overseas Vocational Exchange

This is one of Rotary's International Fellowship programs, which gives people an opportunity to work in an overseas country to gain experience in their chosen field of expertise and/or study. The program utilises Rotary's network of business contacts to find appropriate employment and relies on Rotary families for hosting the participants.

Bill Thackray agreed to find a suitable person for this project. Unfortunately, after the sub-committee interviewed a possible applicant who had expressed interest in participating in the program, the applicant changed her employment and, after a number of months, withdrew her interest in the program.

We would still like to be involved in this program if we can find a suitable applicant.

Other Activities

RAWCS - Rotary Australia World Community Service

The Annual Subscription contributed by Rotarians resulted in a donation of \$152.45 from our Club for the work of RAWCS.

International House

We endeavoured to make a Club visit to International House, for an evening dinner meeting with students. However, it was not possible for our Club to join with the students because of our membership numbers.

ROMAC/Interplast

Following our recommendation to the Board, \$500 was donated to both ROMAC and Interplast.

Geoff Steinicke

Don Bowden
Geoff Griffiths
Ian Taylor

It is with a great deal of pleasure that I summarise here the activities of the Fundraising Committee during the last 12 months. Due to the hard work of previous fundraising committees we had a very good base to work from and we were able to add a few new activities as well. I would like to start off by thanking my fellow committee members who were extremely willing and helpful during the year. Furthermore, due to the nature of fundraising, almost all the Club members have helped in one or other of our activities during the year and I consider that a great deal of fellowship evolved from these activities.

During the year we raised funds via the following activities:

Wine Bottling: On a lovely August day we managed to bottle approximately 1000 bottles of wine. A number of bottles were sampled during the day and it only took a week or so for all bottles to be purchased by Club members and friends. Nett proceeds \$2290

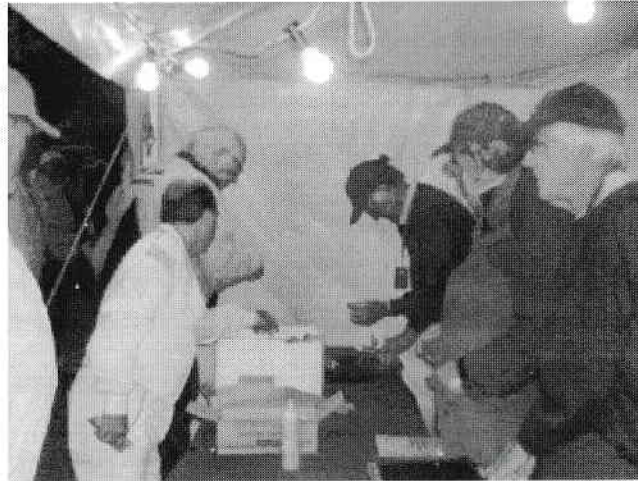

Quality control is a very important part of the wine bottling day

Christmas Raffle: I don't think anyone really likes selling raffle tickets but our members did a fantastic job this year at the various locations around the area in the weeks leading up to Christmas. Nett proceeds \$8360

Christmas Cakes and Puddings: These are always very popular and once again the members were very supportive. Nett proceeds. \$654

Old Fashioned Film Night: In lieu of one of regular meetings, a large number of members enjoyed a step back in time by watching some old film clips and movies. Nett proceeds \$635

Grand Prix: At the direction of the Grand Prix Corporation, our participation at this years event was scaled back to only serving breakfast to the marshals. Personally I think they did us a favour, as I believe the event is now much more manageable for our Club. Nonetheless it was a huge undertaking by our members with four very early starts combined with set up and packing up. The fellowship at this event was outstanding. Nett proceeds \$7166

Rotary members hard at work at the 2003 grand prix

Golf Day: We were blessed again with fantastic weather for our annual golf day and the feedback indicated a great day was had by all. In particular I would like to thank Ian Mollison and other Club members who sponsored our event and I would encourage all Club members to consider their range of services. Nett proceeds \$9166

Market Research: This activity involves an hour or two of members time to participate in face to face focus group discussions, for which we receive a cash donation. It is fairly easy work and will provide a regular flow of income. Nett proceeds \$1635

Trash and Treasure: This was a very enjoyable project although very tiring on the day. Nett proceeds \$674.

Entertainment Book: At the time of writing, the book is currently being sold to members and friends. It offers great value for a range of services and goods. Nett proceeds \$500

Equestrian Event: We were involved in a fundraising activity with the Equestrian venue in Werribee. Net proceeds \$1818

Other Functions and Activities: In addition to the above activities run by the fundraising committee a number of other functions and activities were generated by the Club and I would like to recognise them in this report.

- Bills Jams - Nett proceeds \$500
- PETS catering - Nett proceeds \$411
- Bali Appeal - Nett proceeds \$600
- Bushfire Appeal - Nett proceeds \$213

- Country kids to the city - Nett proceeds \$433
- East Timor Relief fund - Nett proceeds \$328
- Polio plus - Nett proceeds \$13,387, comprising \$8,632 of donations and \$4,755 of fundraising

In summary, the Fundraising Committee was directly involved in projects that raised \$32,712 whilst another \$9,437 was raised by other club activities. The total of \$42,149 is a credit to all members of our Club and I thank everyone for the opportunity to serve you as Fundraising Director for this year and I look forward to another successful year ahead.

Michael Barden

HORIZONS

Committee

Chairman	Ron Phillips	Past President
Peter Courtney	President	
Brian Humard	President Elect	
Paul Fitz	Past President	
Terry Keyhoe	Immediate Past President	
Jim Studebaker	President Nominee	
Thelma Wright		

Objectives

The main objectives of the Committee were identified as:

- To identify issues that may have an immediate / future impact on the Club
- To review the medium and long term (five year) future of the Club
- To canvas and investigate worthy projects for referral to the Club's Board for consideration.

Activities

The Committee met five times during the year with the initial discussions recapping a number of issues concerning members and the Club. These issues included:

Club insurance	Sexual harassment
Computerisation of records	Retention-storage of Club records and assets

Club history
Community radio.

Youth exchange program

It was concluded that the current Board was addressing these items and that it was not necessary for the Horizons Committee to discuss the matters any further. After some initial discussion the possibility of forming a new Probus Club was referred to the Club's Board for further follow up.

Possible future projects were identified and discussed and it was agreed that three projects, Bike Ride and Family Day, Commonwealth Games Support and a Community Project in recognition of Rotary's 100th Anniversary, were suitable and warranted further follow up. The Club's Board has subsequently approved the Bike Ride project and approved, in principal, Rotary's 100th Anniversary project. As the Commonwealth Games are still some years away, this project will remain with the Horizons Committee for the medium term. Don Bowden has agreed to keep abreast of the Games' development and has had discussions with Phil Francis with a view to identifying and meeting (if possible) members of the Games' organising committee. The types of activities the Club could become involved in are, catering, drivers, escorts, parking officials etc.

It was also agreed by the Committee that there is a need for a major project to be identified so that the Club has something to focus on when organising "hands on" functions and fundraising activities. No suitable project was identified and the topic will be referred to next year's Horizons Committee.

I would like to take this opportunity to express my thanks to all members of the Committee for their support and valuable contribution during the year.

Ron Phillips

MEMBERSHIP

Committee

Chairman Paul Fitz
 Greg Ross

The Club commenced the year with 85 members and 5 honorary members and finished the year with 87 members and the same number of honorary members.

Four members, Rowan McClean, Alan Fabry, Len Dean and Peter Cowley, resigned for very valid business reasons and will be welcomed back into the Club when those pressures ease.

Seven new members were inducted. Geoff Bell, David de Garis, Meg Morris, Clarence Tang, Maurice Walters, Elisabeth Hall and Maria Gouvoussi are already making significant impact on the Club's programmes and activities.

In May, Greg Ross organised a "Fireside Chat" to which all new members over the past year were invited, together with their partners. President Peter, Greg and Paul Fitz made brief presentations and answered many of the questions raised. Thanks are extended to Meg Morris for hosting the function and providing a delicious supper.

Paul Fitz

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR 11 MONTHS ENDED 31ST MAY 2003

Note 1 House for Homeless Youth

During previous financial years the sum of \$50,000 was committed by our Club to this project. These funds were held in **Funds on Deposit** along with funds totaling \$2,447 donated from the Ladies Card Day (2000/01). Total funding for the project was \$52,447

During 2002/2003, the following actions occurred

- \$45,000 - Expended on construction of the house (total cost \$50,000, \$5,000 previously paid)
- \$ 1,909 - Expended on white goods, etc for the house.

The balance of the funds i.e. \$538 are held in **Funds on Deposit** to cover any future expenditure on this project.

Note 2 Cash on Deposit - Service Account

The following funds were committed during 2002/2003 for expenditure in 2003/04 or later

- \$ 1,400 - Donation to 6th Camberwell North Scout Group to upgrade shower facilities for disabled scouts.
- \$ 538 - House for Homeless Youth (balance of funds from previous commitment see **Note 1**)
- \$ 3,000 - Presidents Fund. These funds have been set aside towards a future large project
- \$ 6,000 - Rotary Australia World Community Service (RAWCS) Project. A number of our Club Members will be heading overseas in August 2003 as RAWCS project volunteers. These funds have been committed to assist members with the cost of the activity.
- \$10,000 - Rotary Centenary Project. These funds have been set aside towards the cost of a significant community project to mark Rotary's Centenary in 2005.

Note 3 Donations Paid - Administration Account

The amount of \$2,677 represents donations made as follows

- \$ 950 - The Australian Rotary Health Research Fund (Silver Pot proceeds for 2002/03)
- \$ 600 - Bali Appeal
- \$ 213 - Bushfire Relief
- \$ 433 - Country Kids to the City
- \$ 328 - East Timor Relief
- \$ 153 - RAWCS
