

The Rotary Club of North Balwyn Inc

ANNUAL REPORT 2006-2007

Bill Boyd
President, Rotary International

Bernie Walshe
District Governor, District 9800

PRESIDENT JOHN AND ELAINE MAGOR

2006 - 2007 THEME

'LEAD THE WAY'

'In a world full of ethical challenges, where cooperation among countries and tolerance of differences is so vital to peace, Rotary provides a much needed example of solid integrity, international cooperation and the spirit of volunteerism. The theme *Lead the Way* reflects my belief in the power of 1.2 million Rotarians to change the world.'

Bill Boyd 2006-07 Rotary International President

THE ROTARY CLUB OF NORTH BALWYN INC.

Meeting Time: Thursday, 6.00pm for 6.30pm
Meeting Place: The Kew Golf Club
Belford Road, East Kew, 3102
Postal Address: PO Box 135, North Balwyn, 3104
E-mail Address: northbalwyn@rotaryd9800.org
Charter Date: 8 May 1980
Club Number: 18337
Sponsor Club: Balwyn
ABN: 15 960 124 742
Reg No: A0018007N

THE 2006 – 2007 BOARD OF DIRECTORS

President	John Magor
Vice-President	Phil Francis
President Elect	Ian Adams
Immediate Past President	Peter Elliott
Secretary	Brian Hurnard
Treasurer	Neil Ramsay
Director Club Service	Don Bowden
Director Community Service	Ken Maxfield
Director Fundraising	Bill Oakley
Director International Service	Garth Symington
Director New Generations	Bronwen Dimond
Director Vocational Service	Ralph Lee
Board Minute Secretary	Mike McKay

OFFICE BEARERS

Almoner	Gavan Schwartz
Attendance & Apologies	Hugo Goetze
Auditor	Jim Romanis
Banking	Don Haycraft
Boroondara Club Liaison	Paul Fitz
Catering	Bill Oakley
Database Manager	Hugo Goetze
Family of Rotary	David Cheney
Fellowship	Lindsay Pegg
Foundation	Jim Studebaker & John Reddish
Grapevine Editor	John McBride & Mike McKay
Horizons	Paul Fitz
Interact Liaison	Elisabeth Hall
Membership	Ian Adams & Greg Ross
On to Conference	Ian Adams
Photographer	Thelma Wright
Programmes	Geoff Steinicke, Terry Keyhoe , Richard Dalla-Riva
Property Officer	John McBride & Barry Cummings
Public Communications	Don Taylor
Radio Programme	Don Bowden, Tony Wells & John Mollison
Roster Coordinator	Greg Matthews
Rotaract	Matthew Pauli & Jane Pennington
Rotary Information & Club Protection	Ted Wilkins
Sergeant	Terry Gretton & Ian Mollison
Webmaster	Dick Johnson

WE HAVE VOLUNTEERED TO BE INVOLVED - WE ARE ROTARIANS.

What a year it has been. I would sincerely like to thank those members who were involved, from the Board, to the chairmen of the various committees as well as individual club members, who participated in the activities of the club during the year.

I don't intend to cover all those activities in my report as there is a full report from each committee within this annual report but there are some things I would like to highlight and some members I would like to mention.

Fellowship remains one of our strengths and coupled with a healthy network of support among members and their partners, our club remains strong. The support and involvement of our partners is a strength which I feel needs always to be recognized. Perhaps in reality, we have more members than appear on the records books.

Lindsay Pegg and his Fellowship team, particularly Ron Phillips and Peter Elliott, did a great job during the year to ensure that the strength within our club stays fit and healthy. Besides the normal fellowship activities they were heavily involved with the success of the Trivia Night along with the Fundraising Committee – a most successful joint venture.

Bill Oakley was, once again, excellent as chairman of fundraising and he and his team are to be congratulated as should the members of the sub-committees for the Grand Prix and the Rotary River Ride particularly Michael Barden and Geoff Haddy. The work done by Terry Gretton in organizing the Golf Day and Maurie Walters with the Christmas raffle is also recognized.

Bill's significant contribution to the club should be highlighted as he also raised funds from his jams which assisted our administration funds and doubled up as our chief caterer, an activity from which our club raises some significant funds. The Fundraising Committee, by year end, will have raised over \$ 70,000 with \$6,000 already going to each of the Olivia Newton-John Cancer Centre at the Austin Hospital and Camp Getaway.

The Ladies Card Lunch continues to be a successful annual event to raise funds for Ovarian Cancer Research. I believe at the time of writing this report, with the addition of the craft stall, the ladies raised around \$4,500 this year in what is its sixteenth year.

Ken Maxfield and his Community Service team have had a very successful year with activities ranging from the working bee at Camp Getaway to the grant for the gutter guard at Jack Nankervis House, to raising sufficient funds to pay for the "second skin" for Bridgette Stark for whom Kevin Sheedy manage to raise a further \$3,220 towards her future expenses. Meanwhile, David Cheney once again successfully organized the Redshield Appeal. I sincerely hope that our club will become more involved with Camp Getaway as it is such a worthwhile project.

The club finished the year on a solid financial footing thanks to our treasurer, Neil Ramsay with support from Ron Phillips and I thank them both. Neil, who retires as treasurer this year, can look forward to being a little more relaxed at future club meetings.

I was fortunate to have a very good secretary in Brian Hurnard who not only did a great job but was also very helpful with the "quiet reminder" every now and then and made my task as President that little easier. Brian was also very helpful in regard to the paperwork and the requirements for the formation of the Probus Club. I thank Brian and on behalf of the club, congratulate him on his appointment as District Secretary. We wish you well in what is a very demanding role.

Bronwen Dimond and her committee, New Generations, one of the busiest committees in the club, did a fine job with all the youth programmes which include RYPEN, RYLA, MUNA, Rotaract, Interact and culminating in our new Exchange student Line Madsen arriving next month.

Congratulations also to Ros Horne upon her retirement as District Chairman of RYLA and congratulations to the new chairman, Michael Barden.

Garth Symington and his International Committee have also had a busy and successful year particularly with our major project "Adopt a Community" in Tulagi. The International Committee completed the work undertaken under Matching Grant One and have gone a long way to not only getting the application for a second grant underway but also to provide further initiatives. The school and the hospital have benefited greatly from their work. The Tulagi visitors, John Reddish, Bob Bott, Bill Oakley, Jim Studebaker, Tony Wells (our 2009 District Conference presenter), Duncan Ansell and Don Taylor are to be recognized not only for their contribution but also for undertaking somewhat of an adventurous trip.

The Vocation Committee, chaired by Ralph Lee, successfully completed a number of projects from the *Shine on Awards* to *Kids from the Country* culminating in the Vocational Awards, organised by Findlay Cornell with one award going to the high profile Hugh Wirth.

Throughout the year, we had excellent speakers thanks to a fantastic job done by our very experienced Geoff Steinicke as programme director. The speakers were quite wide ranging from the extreme Sahara desert marathon runners to cooking with Gabriel Gate to a crime writer who questioned a number of major cases.

There are many others I wish to thank such as our Board minute secretary and assistant secretary, Mike McKay. Hugo Goetze, who not only kept the attendance records but had the sometimes difficult task of handling the attendance and apologies and our internet man, Dick Johnson.

Then there is Terry Gretton, our sergeant and the president's right hand man at meetings, who was always keen to ensure that everything was organized and brought his own style to the sergeant sessions.

Tony Wells and Don Bowden continue to do a very professional job on the community radio. John McBride did a fine job as Grapevine Editor as did Gavin Schwartz, our Almoner.

Paul Fitz, as chairman of Horizons and Boroondara Rotary Club Liaison, made a significant contribution. I believe that the work done this year as a result of the Horizon initiatives will be felt by the club for some years to come particularly in regard to membership and the future running of our club.

And we shouldn't forget the Probus Formation Committee chaired by David Willshire and driven to a successful conclusion by Bill Thackray with the help of George Selkrig and Don Haycraft to establish the Probus Club of Greythorn. Congratulations to them and to Peter Courtney on being that Club's Foundation President.

The three PHF awarded at our birthday were all well deserved being Jan Cheney, George Selkrig and Peter Elliott. That also applies to the two awarded on Changeover night to Lindsay Pegg and Don Bowden.

When I started writing this I thought that I would highlight some things and mention some of the members. It seems I have just about mentioned nearly everyone. It just shows how active and strong our club is. If I didn't mention you, please do not feel offended as I know you were involved and to cover myself I would just like to say thank you one and all as you have been fantastic.

During the year, through the Grapevine, I endeavoured to flesh out something of the club's culture. I trust the culture will continue as long as we don't take ourselves too seriously, continue to help each other and work towards helping others. And if we have a bit of fun on the way, as young Mr. Grace used to say, "You have all done very well".

A special thank you to Peter Elliott and Phil Francis for their wise counsel during the year especially to Phil for backing me up all year and for filling in as president when things went a little out of control for me.

I wish Ian Adams all the best for the year ahead and I know Ian, you will give the job your utmost. Could you please all give Ian your support as he guides the club through the the year ahead.

And finally I must thank the love of my life, Elaine for being a most patient and understanding wife.

John Magor.

Rotary's Wheel Emblem

A wheel has been the symbol of Rotary since our earliest days. The first design was made by Chicago Rotarian Montague Bear, an engraver who drew a simple wagon wheel, with a few lines to show dust and motion. The wheel was said to illustrate "Civilization and Movement". Most of the early clubs had some form of wagon wheel on their publications and letterheads. Finally, in 1922, it was decided that all Rotary clubs should adopt a single design as the exclusive emblem of Rotarians. Thus in 1923, the present gear wheel, with 24 cogs and six spokes was adopted by the "Rotary International Association". A group of engineers advised that the geared wheel was mechanically unsound and would not work without a "keyway" in the centre of the gear to attach it to a power shaft. So, in 1923 the keyway was added and the design which we now know was formally adopted as the official Rotary International emblem.

INTERNATIONAL SERVICE.

It has again been a very busy year with our principle focus being the continuation of the key projects in our 5 year "Adopt a Community" program on Tulagi in the Solomon Islands. We also increased our focus on D9800's ROMAC program and are on 'standby' to assist in supporting patients when they arrive in Melbourne for the very important surgery they will require. Our committee is also looking in assisting by way of roster participation in the district at the DIK facility in West Footscray, and in the club support for US\$100 per member to the Rotary Foundation.

As the club is well aware, "*Adopt a Community*" is a needs based program directed towards assisting the development and welfare of the Tulagi community and hopefully helping them to help themselves. The project is registered with RAWCS and is primarily focussed on health and education. It also has synergies with Rotarians Against Malaria (RAM), Safe Water Save Lives (SWSL) and Donations In Kind (DIK)

The Rotary Foundation is a critical source of funding through the Matching Grants (MG) program. There have now been 4 teams from North Balwyn visiting Honiara and Tulagi in the past 18 months as well as distributing a 20 ft container's worth of items to both the McMahon School and the hospital.

MG No1 was funded by our club and supported with District Designated Funds (DDF), and by the RC of Balwyn and the RC of Goksu (D2420) in Turkey and, of course, the Rotary Foundation. The funds were used for 250 locally produced wooden desks, toilets and septic tank, 3 x 1000 gallon water tanks, lighting and ceiling fans for the school classrooms. This first main project is now complete, and has been fully reported to and signed off by Rotary International, which now leaves the way clear for stage two of our program.

We are now in the process of developing an application for MG No2 which will be seeking about US\$50,000 to be used on the Tulagi Hospital which is the main facility for the Central Province of 20,000 people. These funds will be used to install a security fence around the hospital, 4 x 1000 gallon water tanks, a 38 KVA emergency generator and 1000 bed nets for use at the hospital and the outlying clinics. At this stage we have indications of support from the RC of Werribee, 5 clubs from the Mississippi D6800 in the USA and again from RC of Goksu in Turkey.

Following his trip with our team in February PDG Ian Knight from Werribee has been successful in obtaining a very good, and much needed second hand humidicrib from the RC of Bacchus Marsh D9800, (replacement cost would be \$25,000). This has just been shipped to Tulagi Hospital.

We have also been very fortunate in having generous donation of bed nets, payment of shipping costs and individual monies from RCNB members, together with terrific support from the North Balwyn Interact Club.

Two other key programs over and above the Matching Grants, involve the construction of a Technical / Carpentry workshop at the McMahon School to enable secondary students to begin to learn trades and for this facility and students to assist in the work being carried out in the community under our 5 year program. The International Service budget will be contributing A\$5000 to assist with this project, and we are hopeful of obtaining the remaining A\$5000 required from 2 other clubs in D9800.

We have also developed long term relationships with the Don Bosco Salesian order who have a very strong, active mission in the Solomon's which involves itself in running technical institutions and provides help to all sections of the community. This relationship together with the Church of Melanesia, other overseas aid groups, and of course the RC of Honiara, is critical to our success in this large and ambitious project.

Garth Symington

ADMINISTRATION

BOARD MEETINGS

BOARD ELECTIONS

President Elect	Bill Oakley	
Vice President	John Robson	Ann Kerr
Secretary	Brian Hurnard	
Treasurer	Geoff Haddy	
Directors	Elisabeth Hall,	Matthew Pauli, Ian Taylor

During the year we reviewed our Administration expenses and the formats of this Annual Report and our Club Directories have been amended in an endeavour to contain costs.

Brian Hurnard

Web Master

Dick Johnson

Working behind the scenes Dick provides a level of expertise we really appreciate as he keeps our Website up to date. Urgent communication to members, and updating our 96.5FM Rotary Hour are just some of the items that need attention each month. Thanks Dick for all your assistance.

Property Officer

John McBride

Another job handled by John in a most efficient manner ably supported by Barry Cummings. This is the third year John has handled this activity. Our 'Container' is not the easiest of things to look after due our various Catering and Fellowship activities but John and a band of willing helpers have done a excellent job.

Attendance

Hugo Goetze

You need to be good at detail to do this job and Hugo once again has excelled this year. Numbers for membership and District records, and meal accounts for payments are important administration items that have been handled with a minimum of fuss. And assistance with our new policy of 'no apology and you get charged' has helped to overcome potential catering problems with the Kew Golf Club.

Radio Program 96.5FM

Don Bowden – John Mollison

Our Club continues to get good exposure on the first Tuesday every month on the Rotary Hour. John's efforts to get Guest Speakers is really appreciated. Tony Wells is now sharing with Don, on a month by month basis, the running of the program and music selection, and has made a great contribution to the professionalism of the program.

Public Communications

Don Taylor

This is always a difficult assignment and this year was no different. We had few opportunities to get stories published, but when it happened we know members appreciated the effort put in. The Club is looking closely at all aspects of Communication at present hoping to find the 'magic' answer to improving this most important aspect of Rotary. Don, thanks for your concern and help during the year.

Roster Coordinator

Greg Matthews

Rotary doesn't function, especially our meetings, without routine jobs being handed out to people each week. Juggling all the names and jobs to be done to avoid duplication is not an easy task. Thanks Greg we appreciated your efforts.

Don Bowden

CLUB SERVICE

Director

Don Bowden

The efforts and dedication of many people especially the Committee Chairmen of Club Service activities have all contributed once again to the smooth running of our Club.

We have strengthened further our relationship with the Kew Golf Club and special thanks must be recorded for all the assistance given by their Executive Director and Staff.

It was as usual a strong Fellowship year, and Lindsay Pegg's leadership and his Committee have provided members with an interesting and varied program. A separate report covers the highlights.

Membership has been steady, and Ian Adams our incoming President is working on a program to firstly stabilize membership and build a platform for increasing our numbers.

Sergeant

Terry Gretton

If enthusiasm means anything Terry has demonstrated this in fine measure during the year. Research for extracting fines takes time especially when you need to make it humorous. Terry put in the time, he controlled our meetings well and deserves special thanks.

Grapevine

John McBride

Not an easy assignment. John has been our editor for two years and has provided a great level of communication for members. Detail and dedication is required for this weekly publication and everyone has appreciated his efforts. Special thanks to Thelma Wright who continued with her 'photographic' support, and Mike McKay who took over when John was overseas.

Almoner

Gavin Schwartz

Gavin demonstrated a special 'level of care' in keeping us informed of members medical and health problems. And we know his contact with those involved expressing the Clubs thoughts and best wishes were appreciated.

Program

Geoff Steinicke

The Club enjoyed an excellent year of speakers at our meetings. Geoff with his forward planning, contacts and commitment to getting everything in order each week deserves our special congratulations for a job well done. There were many highlights too numerous to ment

Club Protection Officer

Ted Wilkins

Ted once again proved he gets things done. We needed Police Checks for members and Ted's dedication and follow up produced an outstanding result. We are now embarking on the next level – the Government's 'Working with Children Act.'

Web Master

Dick Johnson

Working behind the scenes Dick provides a level of expertise we really appreciate as he keeps our Website up to date. Urgent communication to members, and updating our 96.5FM Rotary Hour are just some of the items that need attention each month. Thanks Dick for all your assistance.

Property Officer

Don Bowden

COMMUNITY SERVICE COMMITTEE

Committee Membership: Ken Maxfield (Director), PP David Cheney, PP Peter Cleary, PP Barry Cummings, Larry Fitzpatrick, Phil Francis, Geoff Griffiths, Ros Horne, Peter Sutherland, PP Bruce Timbs, Thelma Wright

Special Probus project assistance from: Don Haycraft, PP Bill Thackray, David Willshire

Projects undertaken on a continuing basis:

Our collection of food for *Camcare* and discussion with Camcare CEO regarding collection of extra items. Registering with *Community Post* through Sensis online which advises the public of our work with *Camcare*, and the items we require to provide ongoing support.

Support for the local churches' annual *Carols by Candlelight* with funding and manpower assistance.

The second of three years support for the *Indigenous Health Scholarship Fund* through the *Australian Rotary Health Research Fund*. Our donation of \$2500 is matched by the Commonwealth Government. The recipient, Andrew Smith, spoke at one of our meetings and thanked the club for its involvement.

Collection for the Salvation Army *Red Shield Appeal* which returned a record total of \$5645.

The Variety Club 3AW Bicycle Radiothon and the Variety Club children's Christmas party.

Ongoing discussions with Boroondara Council regarding the Centenary of Rotary project.

Sale of Rotary Christmas cards to members and families.

During the year the *Jack Nankervis House* was fitted with gutter protection with funding from *Bendigo Community Bank East Kew* and assistance from *Four Seasons Gutter Protection*. No more climbing on the roof to clean the gutters! We continue to maintain the grounds with mowing and gardening.

Ongoing support when required for the *Eva Tilley Memorial Home*.

(Updated information for our involvement with the *ARHRF Bowelscan* project was not forthcoming.)

In May we formed the new *Probus Club of Greythorn*. Fifty seven people signed up for membership and approximately 70 become Foundation members at the Charter meeting on 12th June 2007.

Other Projects:

Our special assistance with the Variety Club to the Stark family of North Balwyn. Five year old Brigitte Stark has cerebral palsy which, from time to time, requires her to wear a special 'second skin suit'. Both clubs provided 50% of the cost of for this year's 'suit' with further funding for the following two suits being raised by a special auction of seats in the Essendon Football Club coaching box kindly provided by Kevin Sheedy.

Our nominee John Mertel, himself blind, who has given over 20 years of service to Vision Australia, was awarded a special Certificate of Commendation by our District Governor Bernie Walsh at the ceremony in Morwell in the presence of many hundreds of people.

Vocational Excellence Awards – Findley Cornell / Greg Ross

For our inaugural Vocational Excellence Award we decided to make 3 awards. These were for a young member of the workforce, an established member and a person who had given distinguished service to their vocation over a lifetime. The awardees were Jayne Lindstrom-Finger for her work with School after Care services, Terry Larkins, Chief Executive Officer of Eva Tilley Residential Aged Care and Dr Hugh Wirth, who spent 42 years as a local Vet and active President of the RSPCA. The awards were presented to the recipients by President John at a Vocational Awards night on May 17.

Vocational Visits - Greg Ross

Looking at making two vocational visits, one in each half of the Rotary year, the committee had several suggestions, including the Coroner's Court, Port of Melbourne Authority, Eastlink and the Institute of Drug Technology Australia Ltd.

Those preferred were all unsuitable because of the size of our club and they didn't have a facility for meals. Also, the evening time slot wasn't good for the Port Authority and Coroner's.

Ultimately, an Eastlink PR representative gave a DVD presentation at our club meeting on 21st September. In the second half of the year, our preferred date was taken with a club visit to the MCG. Therefore, at our Vocational Excellence Awards night on 17th May, Dr Graeme Blackman from the Institute of Drug Technology Australia Ltd gave an excellent address.

What's My Line – Marcel Muntwyler

Michel Barden, Joseph Ebbage, Geoff Haddy and Anthony Stokes presented short talks on 'what's new' in their workplace. Members learn more about the vocation of members through these talks, and it is a pity that we do not have more volunteers to tell us what's new in their business.

Work Experience – Joe Butler

Rochester Secondary College will again take the advantage of placing their year 11 students with a number of our members in various job placements for the period 23 July-27 July 2007. Bruce Watson is the new co-ordinator, taking over from Graham Willis who has had the role for many years and is known to many members.

Bruce will contact members direct, and the Club will only be contacted should Rochester need more placements. Bruce and two students may come to our Club meeting on the 26 July 2007.

It was my privilege to lead a group of Rotarians this year that regularly attended our Committee meetings with enthusiasm and willingly undertook the tasks listed above.

Our meetings held at 6.30pm on a Tuesday evening, were completed within the hour, and generated wonderful fellowship within the Committee. My thanks to you all for a great job done.

Ralph Lee

FUNDRAISING

COMMITTEE: Bill Oakley (Director)

Bob Adams	Ted Angleton	Michael Barden	Graeme Bird
Geoff Haddy	Elisabeth Hall	Bert Montaubin	Jane Pennington
John Rennie	Ian Richardson	John Robson	Jim Romanis
Bernie Smith	Nino Sofra	Don Taylor	

This year the Club will raise approximately \$75,000, almost 50% more than last year and the best total for many years. This was the result of significant growth in some of our well established fundraising activities and the successful addition of one or two new ones.

The major fundraising activities were:

Christmas Raffle - \$9,500

A well established fundraiser which continues to make a significant contribution. This year we linked the Raffle to our Club's support for Camp Getaway and made a \$6000 contribution towards completion of the second main bunkroom. Special thanks are due to Ian Mollison for Jetset North Balwyn's donation of the major prize of \$2,500 worth of travel. Also to Maurie Walters for continuing to be the mainstay of the organisation even though he is no longer a fundraising committee member.

Rotary River Ride - \$11,000

The careful planning of the past years paid off this year with about a 30% increase in the number of riders and high praise from all in the organising and running of this event. Proceeds from the ride almost doubled from the previous year and a \$6,000 contribution was made to the Austin Hospital's Olivier Newton John Cancer Ward at our sponsors appreciation night. Congratulations in particular to Michael Barden, Geoff Haddy and Don Taylor for a great effort.

Rotary Cake and Pudding Sales - \$1,500

We raised significantly more than in previous years by making some major sales to companies and groups outside our Club's membership through the efforts of Graeme Bird and Ann Kerr.

Grand Prix - \$8,000

We continue to make good money from this catering event while affording the opportunity for the "petrol heads" in and around our Club to get "close up and personal" with the Formula One Grand Prix. Thanks to Michael Barden for his continuing effort at coordinating this activity.

Charity Golf Day - \$12,000

This event grows stronger each year and this year had 21 major sponsors plus a host of additional supporters and an increase in the proceeds for our Club. Particular thanks go to Terry Gretton for his continuing support for this activity although he is no longer a member of the Fundraising committee.

Trivia Night - \$9,500

This new event was a joint effort between Fundraising and Fellowship which produced a great night of fun and fellowship and a tremendous result for our fundraising efforts. Thanks to Elisabeth Hall, Nino Sofra and Jim Romanis for the lion's share of the Fundraising committee's contribution to this event which looks like becoming a regular on our calendar.

Equestrian Event - \$4,500

This year we supported three separate equestrian events at Werribee. The opportunity to see some beautiful horse work and put in a few hours manning entrances or parking cars raises a significant amount for our Club funds. Thanks to Ian Richardson for his continuing effort at coordinating our support for these events.

Catering Events - \$4,000

Over and above the catering provided in support of the major events above we provided catering at a range of other events, particularly Craft shows. Again, this pleasant, not too hard work which provides a great opportunity for Club fellowship while raising much needed funds.

Wine Sales - \$4,000

Thanks to Don Taylor we have been able to acquire some great wine at great prices to support some of our other fundraising activities and raise some funds through wine sales to members.

Other Fundraising - \$8,000

This includes Market Research which will contribute about \$1,000 this year, Bill's Jams – about \$2,000 and raffles and sales to members of about \$2,000.

You can see from the list above that Fundraising has become a major activity for the Club. With some of the exciting activities in which the Club is now involved, and is keen to commence, the demand for funds is likely to remain high and to grow. This will place pressure on Fundraising to generate more funds to support our other activities.

I thank every member of the various Fundraising committees and to the many others who have contributed to a great result this year. To Elisabeth Hall and John McBride who will head up Fundraising and the Catering committees respectively next year, I wish every success and offer my support in any way needed.

Bill Oakley

NEW GENERATIONS

Director : Bronwen Dimond

Committee :	Michael Barden	Tom Christensen	Joseph Ebbage
	John Gartlan	Maria Gouvoussi	Rob Head
	Maria Moffat	Matthew Pauli	Jane Pennington
	George Swanson		

New Generations has enjoyed another busy year, involving many participants in our unique Rotary projects. Wonderful opportunities have been provided for young people to extend their horizons and engage in activities which develop and broaden their skills.

Storm the Stage

Rob Head is working very hard to ensure our participation in this exciting new project, which aims to showcase the musical and dramatic talents of 16 – 19 year olds. Rob is currently selecting young performers for our Club heats, with the hope that successful candidates will go on to the State Finals in Echuca, and eventually, the National Final held at the Burswood Casino, in Western Australia. Substantial prizes are offered to assist these young people with the development of their talents in the performing arts.

Rotary Youth Leadership Award (RYLA)

Jacinta Knight and Anna Grogan attended the RYLA camp, in December. The girls reported this to be a life changing experience and expressed their gratitude to our Club for sponsorship. We were very fortunate to have the experience and enthusiasm of Michael Barden, who has now taken on the role of RYLA District Chairman.

Rotary Youth Program of Enrichment (RYPEN)

John Gartlan's persistence enabled Balwyn High students, Nicole Horton and Isabella Damm to participate in the RYPEN camp, in April. Both students were extremely grateful for the opportunity to be part of such a wonderful weekend, where they felt they were given excellent skills which will assist their personal growth. We were fortunate to have Maria Moffat's continued support as a member of the District RYPEN committee and we are extremely grateful to Delina Schembri-Hardy who, although not a member of our committee, drove the students both to and from Camp Weekaway.

National Youth Science Forum (NYSF)

John Gartlan's reliably diligent approach to this project, ensured that, although our original candidate was not chosen to go to Canberra, we were able to send Belinda Nicholson who had been selected, but who was without sponsorship. Belinda was delighted by our offer of assistance and, after hearing her speak about her experiences, I think the Club was equally delighted that we had agreed to sponsor her. Her enthusiasm, eloquence, obvious intelligence and her gratitude for the opportunity we had given her, made our NYSF involvement one of the highlights of our year.

Siemens Science Experience

Balwyn High School Year 9 students, Effie Markesinis and Annemieke Thorbecke enjoyed the opportunity to broaden their knowledge of things scientific. They spent three days at Melbourne University and reported it to have been an extremely worthwhile experience. My thanks to Maria Gouvoussi for co-ordinating this project.

Model United Nations Assembly (MUNA)

Joseph Ebbage and Tom Christensen arranged for Sherwin Ho and Eric Chua to test and extend their debating skills at this weekend conference in Myrniong. Our team represented Iran and, dressed in very authentic looking attire, showed that they had prepared well to discuss a broad range of tabled United Nations Resolutions.

Youth Exchange

Line Boldsen Madsen will soon become a familiar name to all Club members. Line is a fifteen-year-old girl from Ikast, a small town in the middle of Denmark. Line will be our new "Word of the Week" girl, staying with families from our Club and enjoying all of the opportunities, fun and excitement that is part of the youth exchange experience. In July, we will welcome Line to our Club, where she will be under the experienced care of her Counsellor, George Swanson.

Tournament of the Minds

In November, we were approached by Boroondara Park Primary School, seeking some assistance with sending it's *Tournament of the Minds* team to Adelaide, to compete in the National Finals. Pleased to have the opportunity our committee provided \$500 towards their expenses. We were very interested to hear of their experiences, at a Club meeting, and absolutely thrilled to hear that they had won!

Oz Try (Why Try)

We were pleased to give Chaplain, Jim Vaughn, a donation of \$1,000 towards this excellent program, which now involves every student in Year 9, at Balwyn High School.

Rotaract

For the past two years, Matthew Pauli has offered excellent guidance and support to our Rotaract Club which now has a membership of 8, with three other interested potential members also attending meetings. Nathan Johnstone will take over from Jacinta Knight as Club President and Nadiah Rengannis will be the new District Rotaract Representative. Members have been involved in a number of fundraising and fellowship activities and have provided our Rotary Club with invaluable assistance at the Grand Prix, the Rotary River Ride, the Werribee equestrian events and other Club projects. The Kew Hotel provides an excellent venue for meetings and I am confident that, over the next year, the Club will continue to grow and develop.

Interact

Gregory Dimopoulos is providing strong leadership for our Interact Club, which continues to attract interested students from Balwyn High School. Yet again, "Strictly Ballwyn" was a huge success, with a wealth of talent being demonstrated by many members of the school population. A combined Interact/Rotaract Trivia Night was a great evening, very well supported by our Rotarians. A cheque for \$2,000 was presented to our Club as a result of these fundraising events and the Interactors were delighted to learn that some of this money has already paid for a Pharmacy Dispensing Table, at the hospital in Tulagi.

As a first time Director, I have really appreciated the support and encouragement that each member of the New Generations committee has given me. It has been a great privilege and pleasure to work with such a diversely talented and enthusiastic group of Rotarians.

Bronwen Dimond

FELLOWSHIP

Committee:	Peter Courtney	Peter Elliott	Max Hunter
	Ian Mollison	Dave Morris	John Moyle
	Lindsay Pegg	Ron Phillips	George Selkrig
	Ian Taylor		

The year commenced with a fun **Fellowship Evening** at Ian & Pat Taylor's. A good time was had by all. Thanks again Ian and Pat.

On **Grand Final Night** members and partners embraced the spirit of the occasion by wearing their team colours and participating in the various footy competitions run during the evening. Don Hyde, our guest speaker and former AFL game caller, provided us with many humorous moments as he reflected on remarks made by other callers and special comment presenters.

Melbourne Cup Night saw everyone dressed in their best Melbourne Cup finery and included a Fashion on the Field competition. The Calcutta/Sweep was again popular with 25% of the pool being donated to Camp Getaway.

Maestro's, Don Bowden and David Cheney provided the music for our **Christmas Night** with Ron Phillips enthusiastically leading the carol singing. Christmas presents were donated by members and distributed by the Salvation Army, Box Hill.

Family Christmas Picnic saw John McBride as our jolly Santa entertaining the children and distributing gifts. A most enjoyable day.

Christmas Breakfast was again held in perfect weather at the McBrides. Thanks Jill & John for making your house available.

Our **Lawn Bowls Night** which has now become an annual fellowship event, proved again to be a fun evening for members and partners. Thanks Ian Mollison for arranging.

Fishing and Golf Weekend was great weekend of fellowship with lots of fish being caught and an enjoyable round of golf on Sunday morning. Thanks Dave Morris for making his place available for the Saturday night dinner and Greg Matthews for the Sunday BBQ lunch

The **Trivia Night**, a joint Fellowship/Fund Raising function, was a new venture for the Club and proved to be a great success with some 330 people attending. A most enjoyable night was had by all with some \$9,500 being raised for Club Service activities.

Our **MCC Night** kicked off with a most interesting tour of the MCG and Museum, then dinner at Colombo's in Balwyn. Thanks Terry Keyhoe for arranging the tour

The year finished with our **Birthday Night**. Entertainment was provided by "Loquacious", a group of young singers from Balwyn High School. Areta Hurnard's birthday cake was enjoyed by all.

My thanks to all Committee members and Club Service Director, Don Bowden for their efforts that ensured the success of our activities throughout the year, and a special thanks to Ron Phillips for chairing committee meetings during my many absence's.

Lindsay Pegg
Chairman

'SECOND SKIN' TO LIVE NORMALLY.**

HORIZONS COMMITTEE

Chairman: Paul Fitz.

Committee: John Magor, Peter Elliott, Ian Adams, Bill Oakley, Ros Horne, and Peter Sutherland.

The Terms of Reference of the Committee were to oversee the strategic planning of the Club by:-

- Determining the Club's strengths, weaknesses, opportunities and threats.
- Identifying areas for future development.
- Making recommendations to the Club's Board via the President.

The members of the Committee included the President, Immediate Past President, President-Elect, President-Nominee, two Members of the Club and a Chairman who is an experienced Rotarian.

This year, the Committee met four times and identified three areas which were giving concern:-

- Membership.
- Communications, both internal and external.
- Committees.

In conjunction with President John Magor, three Select Committees were set up to examine these areas of concern, develop Position Papers on each and, if necessary, make recommendations and develop strategies aimed at overcoming any deficiencies that may be found. The Committees consisted of:-

Membership:

Chairman: John Reddish.

Members: Bronwen Diamond, John Gartlan, Geoff Haddy and Ralph Lee.

Communications:

Chairman: Phil Francis.

Members: Michael Barden, Don Bowden, Joseph Ebbage, Elisabeth Hall, Michael McKay and Tony Wells.

Committees:

Chairman: Ron Phillips.

Members: Geoff Dwyer, Ian Taylor, Bruce Timbs and Delina Schembri-Hardy.

All three Committees produced excellent Position Papers which, together with their recommendations, were discussed in detail by the Horizons Committee together with the three Chairmen. The Horizons Committee then requested President John Magor to present the Papers and Recommendations to the Board with the Committee's endorsement that the Recommendations be actioned by the current and future Boards.

Paul Fitz.

SPEAKERS AND TOPICS

July 20	Forum Night
July 27	D.G. Bernie Walsh
August 3	Sarinda Perera 'Sri Lanka - a glimmer of hope or shattered dreams'
August 10	Prue Morgan 'Aeronautics Manufacturing in Australia'

FROM THE YEAR THAT WAS

'Here at Kew Golf Club, Gabriel, we produce real food.'

'Wait till you see my next Porsche!'

'Son, first it will be Interact, then Rotaract, then a busy Rotarian - just like Dad.'

'That's strange, they were both in the trailer when we started out.'

Bill, our catering chief, consults with a higher authority to send some paying customers.

'I tell you, these are much, much, better than Nino's scones.'
