**ROTARY
SERVING
HUMANITY**

Service to humanity has been the cornerstone of Rotary since its earliest days, and has been its main purpose ever since. No other organisation so effectively brings together committed, capable professionals in a wide variety of fields, and enables them to achieve ambitious goals. Through Rotary, we have the capacity, the network, and the knowledge to change the world: the only limits are the ones we place on ourselves.

Near the end of his life, reflecting on the path that brought him to Rotary, Paul Harris wrote: "Individual effort may be turned to individual needs, but combined effort should be dedicated to the service of mankind. The power of combined effort knows no limitation."

It is our responsibility to achieve those deeds; as it is our privilege to carry forth the tradition of Rotary Serving Humanity.

John Germ
President, Rotary International 2016-17
