

From the Community Manager at Camcare:

I wish to express my deep appreciation for the ongoing commitment of the team from the Rotary Club of North Balwyn who continue to deliver fresh food to Camcare from Second Bite on a weekly basis, especially in these fraught times.

Our Fresh Food Program is one of the few client-facing programs we are still operating. This is made possible by a team of interconnected volunteers who are putting in extra effort to meet the increasing need, and the stringent changed safety requirements that Covid has imposed on us all. Client presentations at this program have increased from 45 to 65 during the past few months.

We have phoned older and more vulnerable clients, offering them home deliveries if required. Some have accepted but the majority have opted to attend the service. They say they value the community and social connections as much as the very real hardship relief offered through this program. Please pass on my heartfelt thanks on behalf of Camcare to the Driving Team.
