President Stan's Summary

After an "Interest" meeting on 10 April 1980 and an "Organisational" meeting on 24 April the Provisional Rotary Club of North Balwyn was admitted to Rotary International on 8 May 1980.

On 29 May 1980 was our most memorable Charter Presentation night at the Camberwell Civic Centre when DG Jack Nankervis presented the Club Charter to Charter President Stan Hibbert in the presence of members and guests including the Mayor and Mayoress of Camberwell. The District Governor's Special Representative, P.P. Duncan McKenzie supervised proceedings with, we believe, some degree of satisfaction.

Our first full year began on 1 July 1980 and all members, with the exception of the Executive, were allocated to one or more Committees.

The 1980-year commenced with 31 members and during the year five members were inducted and one resigned leaving a net membership of 35 on 30 June 1981. Members inducted in the first year were John Reddish, Roger Horton, Trevor Friend, Frank Fricke and George King.

The Board accepted with regret the resignation of Vocational Director Jim Burkhalter. Following his resignation Helmut Scheiber led the Vocational committee.

Ken Proposch and his Program team organised a well balanced year of programs which included 24 guest speakers. Almost all of the members presented their autobiographies and two members gave job talks.

Four combined meetings were held with other clubs and a meeting was held at a large engineering works.

David Stockman, Fellowship Director, got us off to a fine start when prior to Charter Bev and Stan Hibbert opened their home enabling our ladies to meet, many for the first time.

That very pleasant meeting was followed shortly by an evening at Argenti's Receptions.

Our 'Changeover' night, also at Argenti's, culminated a very happy Club social year. The range of activities laid the foundations for the excellent spirit of friendship being experienced in such a short time.

The Vocational Committee organised autobiographies, job talks and, together with the Youth Committee, provided careers talks to children approaching school leaving age. These activities also provided members with an understanding of one another's jobs.

International Director Graham Foard and his committee's first aim was to make us a 100% Rotary Foundation Club. The very successful Art Auction was the highlight of their year.

Patrick Culshaw, as Youth Director, with the assistance of Ron Carnell quickly established a relationship with Greythorn HS and ran an essay competition for the students. (This competition subsequently became the Vern. McConchie Awards).

Fred Pike and his hard working Community Service Committee organised the sale of wine, shirts and plum puddings as fund raising activities and established our Christmas Stocking raffle. The Senior Citizens' Centre benefited from the success of these activities by way of cutlery, crockery and blackout curtains.

Each member of the Club during its charter year "Took Time to Serve" and we certainly achieved the first object of Rotary – "Development of Acquaintance as an Opportunity for SERVICE".

The Rotary year of 1980-81 had been a year of challenge for our Club in its Charter Year. As President, I have been thrilled with the acceptance of this challenge by all members. The Club has performed its Rotary tasks with enthusiasm and success.

I believe our most significant success has been fellowship. We are no longer just members; we are friends on a family basis and this augers well for our future in Rotary.

This year for me, and for Bev, has been one of stimulation and learning and I take the opportunity to thank all members and their families for their assistance and fellowship during the year.

I also thank most sincerely PDG Jack Nankervis and P.P. Duncan McKenzie for their friendship, guidance, tolerance and commitment

President Geoff's Summary

The year was one of furthering our catch cry, fellowship. We also saw the initiation of many projects that helped members to become involved as a Club. Our Car Rally beginning with breakfast at Banksia Park, a pool party at the Reddish's and Gosford Conference attendance, in spite of our being more concerned with our "prawn meal" than with Conference Roll Call, all assisted in this goal.

With seven inductions and seven terminations our membership remained at 35.

Community Service activities involved all members and created great fellowship. Included were bicycle marking with the Balwyn Police, manning a Blood Testing caravan, assisting with the Red Shield appeal, organising a "white elephant" stall for the EDAR Fete and painting the EDAR hall in Cherry Road, Balwyn.

Youth Service organised an essay competition at Greythorn HS and the award of prizes to the successful entrants and a bus trip to Euroa for Greythorn HS students who were hosted for lunch by the local Rotary Club. We saw the departure of our first out-going Exchange Student, Elizabeth Roy, to Japan after our hosting of Menami Kondo. Vocationally, we assisted Marcellin College with mock interviews.

PP Stan Hibbert initiated a special project in June 1982 when he attended a Camberwell Council meeting to present our plans for a "Rotary Park" adjacent to the Eastern Freeway. The plan was well received and related activities continued for many years; regrettably the Council failed to meet its initial commitments!

Fund raising was limited but we did raise \$600 from an art auction and \$1,856 from two stalls at Camberwell's May festival.

We were saddened by the death of Charter Member Vern McConchie on 21/08/81. Our Greythorn HS Essay Competition was renamed the Vern McConchie Award in his memory.

President John's Summary

A very busy year for all surrounded the RI President's theme: this was further expressed in our work with youth. We hosted a Rotary Foundation Scholar from Germany, Dorothea Bringman, and in each of 1982 and 1983 had student exchanges with Japan with Manami Kondo and Koichi Hara here and Elizabeth Roy and Janice Alexander to Japan respectively.

The Vern McConchie awards were presented at Greythorn HS and we held mock job interviews at Marcellin College.

Based on my own theme of "Fellowship Through Communication", fellowship activities included our first "Safari" dinner, a very successful Fashion Parade at the Auburn Heights Bowling Club, family barbecues at various locations, XMAS breakfast meeting at Ron Liner's home (the start of another Club "tradition") and a "pool" party at Reddish's. Ten couples attended District Conference as did Dorothea and Manami.

Community Service was a highlight with the Club's involvement in the EDAR Fete, the Community Health Surveys, bicycle marking, and a fete at Yooralla School.

Unscheduled, but magnificently supported, was our assistance to Mount Macedon residents and our matched Club, Gisborne. Assistance with the clean up after the devastating Ash Wednesday bush fires and our donations were greatly appreciated.

Fund raising activities included the Fashion Parade, XMAS stocking raffle, wine sales, an Art Auction at Marwal Avenue, sales at the Camberwell festival, and for Ash Wednesday direct donations of money, goods and toys, and the auction of a painting donated by Melva Haycraft. Roger Wiggill donated a canteen of cutlery.

Under P.P. Stan's leadership we finally gained approval for our major community project in starting the Rotary Park along the Eastern Freeway.

President Kevin's Summary

Our Club accepted the challenge of DG Norm Moore to pursue membership development as a matter of priority for this year. Our membership at the beginning of the year was 39 and on 21 June 1984 we inducted our 50th member.

Our "Club Father", PP Duncan McKenzie of the Balwyn Club who was the DG's Special Representative for our Club's formation, was named as our first Paul Harris Fellow.

The Fashion Parade held at Camberwell Civic Centre was highly successful and provided the major part of our service funds for the year. My special thanks go to Paul Fitz, Ron Liner and David Cheney for their hard work and leadership.

Our first outward Exchange Student, Liz Roy, assisted District Committee in the preparation of outgoing students for their time overseas. Koichi Hara from Japan had a most successful year of exchange with us and made a major impact at Trinity College.

Thirteen members and their wives attended the District Conference at Albury and enjoyed our distinctive approach to these events!

The Club received a Presidential Citation for 1983 – 84 from R.I. President Bill Skelton for outstanding Public Relations and this was under the Directorship of David Cheney; thank you David for your well recognised efforts.

President John's Summary

Our Club prides itself in being a family club and this year's fellowship activities enhanced this reputation. Nine new members were inducted during the year bringing the end of year total to 55.

The Fashion Parade spectacular provided the major part of our fund raising and what a spectacular it was. While it was difficult to keep Ron Liner under control (who could?) the work which he and Paul Fitz undertook led to the establishment of an outstanding team.

By gaining the District Bulletin Award for the Club, John Etkins again proved his dedication, and what a stalwart he is.

David Cheney and his committee set up the Probus Club of North Balwyn with Mr John (Jiggy) Harris as its President. Our first venture into Extension.

Our exchange student participation saw Jenny Hunter, an outstanding representative, go to Japan while we hosted Denise Maksail from the USA.

A new project, the Youth Painting Exchange was initiated this year by Roger Wiggill and we hope that this will be the first of many such exchanges.

In March, six members and their wives represented the Club at the District Conference where the presentation on the "Autoroll Ripple Mattress" project by Geoff Steinicke and me was well received.

A Club Church Service was held at St. Aidan's with our own Rotarian Geoff Ross officiating.

President Paul's Summary

Our sixth year was based on building the fun and fellowship within the Club and expanding our activities in all avenues of Rotary Service.

A major event was a gala function at Argenti's when on 26 November the Rotaract Club of North Balwyn was chartered by DG Edwin Peatt, with 26 members.

Regrettably, we were unable to identify a major local community service project. However, we helped with the Red Shield Appeal, the EDAR Fete, we painted and maintained the Marwal Avenue Centre and we conducted a Health Survey.

With our emphasis on youth, we organised inter-school debating, a careers seminar and employment interviews, literary awards, and we selected participants for RYLA, RYPEN and R.I.'s "**Walkers for Peace**" competition. Our Youth Art Exchange project became a District program. Our "unexpected" youth exchange student, Vanessa Lowe, urged the Club to build a classroom in Zululand. Out-going student, Martyn McInerney went to Brazil and Carolyn Green was selected to go to Canada.

Members of the Club missed a meal and donated the cost to support PolioPlus, and our membership increased to 61 with 9 inductions and 2 transfers.

Excellent speakers including "Weary" Dunlop, Harry Beitzel, Jan Cleland, Fr. John Brosnan, Phillys Frost and Bruce Ruxton helped us maintain attendance in spite of the large number of members travelling overseas, and our wives took control of a meeting for the first time and ran it very successfully!

A 12-function fellowship program including the first Safari Dinner, the Rotary / Rotaract Raft Race, Rich River Golf weekend, and participation in the District Conference in Canberra ensured the further development of our fine club spirit.

President Geoff's Summary

My first objective was above all others, to see that members enjoyed their Rotary. From fellowship and through all avenues of service, I believe we achieved that objective.

Our attendance records were of a very high standard attributable, no doubt, to the quality of guest speakers and member satisfaction. This satisfaction, too, was reflected in the communication quality of our bulletin, the Grapevine.

We raised \$4,600 for PolioPlus enabling us to name three Paul Harris Fellows, and over \$14,000 was raised for our community service activities as well as supporting the Salvation Army Red Shield appeal and the EDAR Fete.

Our Rotaract Club has become the largest in the District with 35 members and our own members have given them excellent support. We had the pleasure of hosting two Exchange Students, Matti Paljakka from Finland and Vanessa Lowe from South Africa. Martin McInerney returned from Brazil and Carolyn Green left for Canada, a wonderful group of young people.

DG John King's vision of enthusiasm for PolioPlus, Life Education and Peer Support were reflected in our Club's goals and hopefully they will receive support from all Australians.

The introduction of a round table as the "head table" has improved fellowship and unity of spirit and we can be proud of the way in which the singing of the national anthem has reflected our pride in Australia.

Our ladies have again provided that very special support without which we would be a much lesser club and I thank them sincerely.

President John's Summary

This year will be remembered as the "Polio Plus" year, in which every Rotary Club undertook the task of fulfilling a commitment to raise sufficient funds to immunise the children of the world against Polio and other vaccine-preventable diseases.

Our Club achieved its target of \$10,440 and was one of twenty-two clubs in our District to receive a 100% banner in recognition. The club embarked on a hole-in-one competition as the principal fund raising event for the year.

With the guidance of Fund-Raising Chairman David Cheney, \$16,787 was raised and this became the most profitable venture undertaken in the eight-year history of the Club. The project will also be remembered for the fellowship enjoyed and the hands-on approach that we revel in. With this money, together with that raised from other activities, over \$30,000 was dispensed to various charities and organisations.

Our involvement in all facets of Rotary Service, confirms that we practiced the theme - "United in Service - Dedicated to Peace".

The Club hosted a GSE team, hosted two in-bound and sponsored two out-bound Exchange Students, participated in the RYLA Seminar, subsidised a student to attend the Science Summer School in Canberra and continued the development of the R.I. Youth Art Exchange project. Our involvement with the Rotaract Club has ensured its growth and stability.

During this year the President's Award was introduced, the winner of which should be the Rotarian who, the President alone considers has made an outstanding contribution to the Club during that year. It is not surprising that the first award was made to Ron Carnell.

President David's Summary

At the beginning of the year I challenged the Club to meet ten goals similar to the challenges made by R.I. President Royce Abbey to all his Club Presidents. The intent of each was achieved with the exception of the Foundation Bequest program which we have only just started to promote.

We have had 15 inductions and lost four members this year making a net membership of 71. With the influx of new members "fireside" meetings were conducted for new members and their wives to become better acquainted with Rotary and with each other.

The Club continued to be influential at District level with many members serving on District Committees.

After another great result with our "hole-in-one" competition, the Camberwell Council has offered us a five-year agreement.

The newly formed Administration Committee spearheaded the upgrading of our club by-laws and we became an incorporated association thus limiting the possible financial liability of individual members.

We had the "Great Sex Debate" that will be remembered by all who were members then when views were expressed as to whether we should remain a "male only" Club. Emotions ran high at times but it was vital that the topic should be aired and apart from some initial adverse comments we survived that, and later ordeals, to continue to grow as a Club.

I cannot leave this summary without paying a special tribute to Jan and to all our wives who have given us, and the Club, such wonderful support.

President Tom's Summary

A successful year, with a fundraising record achieved with Hole-in-One, Cash-a-Can and Aeromodellers Display being the major highlights, the Christmas Stocking was rebuilt on a trailer and resulted in a much more portable and eye catching display with a record outcome.

The Club became an incorporated body and a constitution change now permits ladies as members in Rotary.

PP Greg Ross was elected to be District Governor in 1991-92 and we were challenged to host the DG's Dinner for DGE Colin Martin.

Community Service was a highlight, with Canteen, The EDAR Fete and the health check survey, and Yooralla to name a few, and our efforts in the Senior Citizens area saw the start of the North Balwyn Ladies' Probus Club which was officially inaugurated in November 1989 by Bill Thackray.

Fun and fellowship directly associated with the youth programs, particularly Youth Exchange, where we welcomed Adriana (Adri) Zaniol from Brazil and farewelled Christopher Rush to Belgium, thus maintaining our international outlook.

This year was vibrant with Club activity and commenced with the ladies' choir on the first Club night vowing to serve Tom for the year. It also included the "induction" of Susie Wong (aka Clive Hughes) as our first "lady".

The year closed with our largest attendance of children for our Christmas Party. A very happy and enjoyable year was made possible by our Fellowship Director, Greg Ross.

The year was never dull, and was enlightened by the quoted wisdom of Confucius.

President Ralph’s Summary

In celebrating our 10th anniversary I suggested that we were in danger of becoming complacent about our achievements and that new projects were required to ensure that we always had a new and exciting challenge. This challenge was accepted by Bob Ballantyne, and subsequently David Goldsmith, who laid the foundations for an “Adult Literacy in Small Businesses” Program which could become a pilot scheme for Australia.

This year also brought an extension to our international relationships through naming “sister” clubs in the Philippines and in India.

Locally the combined Camberwell clubs commenced a program called “Rotary Adolescent Family Team Supports (RAFTS)” and in this Murray Carr has been outstanding

Our “in-Club” activities were again highlights, with a “Ladies night” in September at which our ladies under “President Lorna” took control of the meeting. Our Xmas party was a special affair at which we gave gifts for the children under the care of the St John’s homes. Our “Birthday night” in May not only served our special needs but also served as a farewell to the GSE Team from D763 Marylands, USA. The World War II “concert party” displayed the hidden talents of many of our members in shared good fun.

Regrettably, two Charter Members who were also Past Presidents have tendered their resignations and we shall miss immensely the fellowship of Dorothy and Geoff Clark and Johnnie and John Etkins who have all given us so much in friendship and fellowship.

Bulletin Editor	Ray Zuccala		

President Ron's Summary

When I identified this year that keeping members informed was one of my primary concerns, I didn't know what a tremendous job Grapevine Editor Ray Zuccala would do. We were very well served by our program team of Russ Fynmore and Bill Kneale, and by Sergeant Brian Hurnard and Almoner Capt Arfon Jones. Member interest, with an average meeting attendance of 88%, was excellent. I am indebted to all office bearers and Directors for their continuous contribution.

The Kidcare Project, with other Camberwell Clubs, took shape and Murray Carr and latterly John Moyle have worked tremendously on this.

Glen Walmsley's baby, the Rotary Diary, and the "Adult Literacy in the Workplace" started by Bob Ballantyne and developed by David Goldsmith, were most successful new projects, both of which won District Awards.

The Ladies' MCG Card Luncheon, under Norma Wing Young's guidance, raised \$1600 for Kidcare.

The Club responded magnificently to hosting "The Vintage Conference" in Adelaide to support our own District Governor Greg Ross. David Cheney and his team were brilliant and really placed North Balwyn at the pinnacle of the District's clubs. Who will ever forget the 'outfits' – not "uniforms".

Highlights included Clive Hughes as MC, the white-suited RI President's Special Representative, the standing ovation from the other clubs at the box luncheon, and the blow-up doll presented to Murray Carr on his 50th birthday!

The loss of David Stockman, who was much loved and respected, was a blow to us all and we extended our sympathies to June and the family.

President Tony's Summary

A lifetime experience for local Rotarians was undoubtedly the International Convention attended by over 22,000 Rotarians from around the world and many of our members were able to take an active part in proceedings and in assisting. As well as home hosting and our greeters at the Radisson Hotel those having an official role included PDG Greg Ross, Ron Carnell and Prof Bruce Knox.

Special events for the year included:

- Our 8-member F.A.I.M. Team who spent nearly three weeks of their time assisting in building a school in Western Samoa.
- Leadership by PP Paul Fitz of the outstanding D9800 GSE Team to D5050 in USA / Canada, which also included our nominee, Jenni Coburn.
- The Russian Tractor project initiated by PP John Robson.
- The completion of "sister club" relationships with Patumwan, Bangkok.
- The continuation of the "Kidcare" project under Murray Carr's leadership.

We again continued to have fun at all of our meetings and our Sergeant Jim Studebaker was often quite "demanding" in his efforts to keep us in order.

One highlight, which we will always remember, was the Official Visit of the DG on the night that the heavens, and Argenti's roof, opened, with a steady stream of water landing on the "top-table" from the overhead light fitting. The DG thought that we had especially planned this reception for him and was "not amused".

President Roger’s Summary

Undoubtedly, one of the greatest challenges we faced this year was to meet our outstanding commitments and to also fund this year’s projects. Fund Raising Chairman, Geoff Dwyer, ensured our success. The Charity Auction, Hole-In-One and Xmas stocking were the basis of our \$41,000 raised. The Charity Auction, under PP David Cheney’s chairmanship, was a new venture raising \$21,000 and brought excellent fellowship.

We have been able to set aside funds to support Kidcare if its trial phase proves to be successful.

Our ladies again played an important part in the running of activities and in fund raising. Without them, we would not have achieved the successes we did.

“Carols by Candlelight” and “Paint Your Heart Out – Benalla” were two “hands-on” projects that gave excellent community support. Our team’s efforts and donations were greatly appreciated in both. We helped District in the restoration of properties damaged by the floods in northern Victoria.

PP John Reddish and his team were so successful with the Grapevine Editor that they won us the Hugh Paton Perpetual Trophy as a District Award.

Our participation in District conference and related activities again brought great fellowship to those who could attend, and our “song title” birthday night, and our Xmas night were outstanding successes.

John Thwaites has truly earned the President’s award this year.

Bulletin Editor	Dick Johnson		

President Peter's Summary

The Rotary International President's theme of "Be A Friend" is easily fulfilled by North Balwyn through both its Fellowship activities and its Service programs.

Our District activities this year included successfully hosting the RYPEN camp, and nominating three students who were accepted for Exchange, two of whom were finally sponsored by other clubs.

We also participated in the R-Bird project supplying seed funding for small business development in Thai villages. "Donations in Kind" were arranged to support the Samarinda Hospital in East Kalimantan, Indonesia.

Our Quiz team comprising Ron Carnell (Coach), PP Stan Hibbert, Richard Johns, Bruce McIver, and Peter Mrzyglocki won the \$2,000 District Award by beating the District Rotaract team (mainly North Balwyn) in the final; well done fellows.

Our fund raising, under Roger Benallack, had a most successful year with our second Charity Auction raising \$22,000, the Hole-in-One \$16,100, the Xmas Stocking raffle \$9,584, and the Ladies Card Luncheon \$2,046 as the main items.

We sponsored a further Probus Club with an initial membership of 100, with our past member Bill Kneale as President and Gwen Foard as Vice President.

Conference attendance at Darling Harbour provided several highlights, and our members enjoyed success at the Official golf competition.

President Bernie's Summary

Our catering excursions extended from the days of the Aeromodellers to the Australian Grand Prix at Albert Park. Terry Keyhoe gained enormous support from members and families to supply breakfast to the CAMS crews. Through his initiative and extensive contacts, Phil Francis organised the "Lap the Track" raffle with Peter Brock. This fund raising was well supplemented by the Xmas raffle, the Golf Day and our Ladies' Card Luncheon.

Our involvement in Community Radio started, and we now have "Rotary Radio Ron" as a regular monthly feature on 96.5Hz Inner FM.

The Youth committee was again very involved with Youth Exchange, RYLA and RYPEN, and we were delighted that with Chris Howell, as Rotaract President, we won the District Rotary / Rotaract Award. Our Community Service team involved us in the Salvos Red Shield Appeal, Marwal Avenue painting, Cents for the Shrine, blood donations and the Portsea Camp.

Rotary Foundation activities received prominence and we were delighted to successfully sponsor past Rotaract President Maria Moffat as a member of the GSE team to Brazil.

International Service involved us in the Posyandu project and in ROMAC support, and Vocational Service expanded our involvement in the Science Summer School activities, Operation Livewire and in excellent visits to Toyota, and the Microsurgery Unit at St. Vincents.

Our Xmas party and Birthday nights were again very special meetings, and the Horizons committee has suggested important challenges for us.

Ursula and I have been privileged to have had the support of an excellent team.

Major Donations	\$		\$
Variety Club	10,000	Matched Grant (+Rotaract)	2,100

President Clive's Summary

Our involvement in staging the District's Annual Conference, and the number of members on District Committees made this year particularly busy, yet we successfully carried on the Club's normal activities and commitments.

Maria Moffat, past Rotaract President and GSE Team member, became our first lady member.

Our thanks are due to John Anderson and the Rotaractors for their assistance and participation in our fund-raising and community service.

Ken Maxfield's action in donating his 50th birthday "gifts", totalling \$2,680, as the basis for a \$6,000 Matching Grant, supported by District, to supply sewing machines to a region in Bangladesh was one of the year's highlights.

Fund-raising activities were successful under the guidance of Phil Francis.

Resulting from our involvement with the Eva Tilley Homes, we were invited to appoint a Director, a role filled by Max Hunter with distinction.

We were again able to name four Paul Harris Fellows this year, and the Club took particular pleasure in naming Pauline and Roger Benallack, Norma Wing Young and Chris Howell, a past Rotaract President of distinction.

We all took particular pleasure in hosting the District Conference for our own District Governor John Reddish. Against all predictions, holding the conference in Melbourne, although a risk, was outstandingly successful for the 960 attendees. PP Stan Hibbert led an enthusiastic team and it was again the commitment of all members and their partners that brought achievement.

President John's Summary

This year, the Club turned 18 and Jim Studebaker casually asked "Do you have a theme for our Birthday Night?" "Yes", I replied. "We can now vote, drink and drive." Well, a skit on each of these with the joint imaginations of Bernie Smith, Ted Angleton and Max Hunter to name but a few, made the Birthday Night one of the funniest nights of the year.

The weekly meetings were always fun even if we overstepped the mark with Ted Angleton's marathon reading of the fishing weekend program and attendance lists.

Sergeant Geoff Griffiths displayed hidden talents with his weekly "conservative (dry) humour" and Editor Brian Hurnard's "Mystery Member" in the Grapevine kept everyone guessing. Radio Ron on 96.5 Inner FM became part of our Rotary outreach and kept the community informed.

The sudden and devastating loss to Rotaract of the Bowling Trophy was a great blow and we were reminded of it for the rest of the year!

The Club was greatly indebted to Ian Taylor for record fund-raising, and to John Mollison as Rotary's Special Representative on the Board of the Hormone Research Institute at the Royal Children's Hospital to which we donated funds.

We were all saddened by the loss of two of our dedicated members in Prof Bruce Knox and our Club's "Father", PP Duncan McKenzie.

President Bruce's Summary

A strong year of management coupled with a plan for the future. In particular a member survey and appraisal of projects, both present and future, with a view to addressing the future needs of our Club.

The establishment of the 2005 Committee chaired by PDG John Reddish formed a major part of this process.

Vocational Service and Youth, including Rotaract involvement, were well nurtured and we nominated a person with a disability for Shine On Awards.

Fundraising continued to be strong with the Christmas Raffle, the Grand Prix and Charity Golf Day being the major projects.

The greatest commitment of time and effort for the Qantas Grand Prix was again handled by Terry Keyhoe, and resulted in a record member response to this increasing club activity. Again a great result.

Community Service was a steady commitment with Portsea Camp, Camcare Food Vouchers, Unicare and Salvation Army involvement.

As Sergeant, John Gartlan's courtroom stories kept the members eagerly awaiting the next instalment.

With the advances in technology and my "reputation" in this field, we decided to move further towards computerisation of Club activities and this is now well advanced.

A solid and progressive year was enjoyed by all.

President Gregor's Summary

First, my sincere thanks to all members of the Board for their support and dedication. The Club administration has been successful under our professionals John Rennie and Bob Woolgar and their support crew.

Bill Oakley's fund raising team had a very successful year and our special thanks go to Lindsay Pegg for the Christams Raffle, and to Terry Keyhoe for the Grand Prix breakfasts, netting \$8,616 and \$11,451 respectively.

Barry Cummings' International committee organised our \$3,900 Literacy in Thailand Matching Grant, the major portion being donated by two members. Three of our members acted as Counsellors for Ambassadorial Scholars.

Youth Exchange saw Nils Andriessen from Germany as our incoming student and Lyndel Hopkins went to Norway as our out-going student.

We have had mixed success in finding a suitable alternative venue for our special meetings but we now have a small stage when required at The Kew Golf Club.

A big "thank-you" to Ken Maxfield whose untiring efforts have helped keep the Rotaract Club afloat. Our congratulations also to Eve Lustig on her nomination for a Shine On Award, and special thanks to all of the 44 who joined us at the Canberra conference.

VP David Cheney has given me outstanding support and guidance, and I am especially indebted to him for substituting for me when I have been away.

President John's Summary

This year saw the introduction of 12 new Special Project Teams chaired mainly by ex-presidents aiming to use their expertise and maintain their enthusiasm for Rotary and for North Balwyn. Teams covered Club History, Environment, Homeless Youth House, Challenge, Climb the Mountain, Centenary of Federation Celebrations, Community Awards, Multicultural, GSE, Stock Exchange Seminars and Sponsorship.

Our main fund raising was at the Olympic Games when over 150 Rotarians, partners, Rotaractors, and friends lived at the "Hilton" Lindfield scout hall and worked at catering at the Homebush stadium, making chips and hot dogs or pouring beer and wine. An outstanding success both in funds raised and fellowship. Many even saw the opening and the closing ceremonies, the lucky ones seeing Cathy Freeman winning the 400m.

The Olympic Fun Run was added to the list of events like the Grand Prix for which we now cater.

Arriving in January was our 17-year old boy exchange student from Sao Paulo, Diogo (Joe) and he has fitted in very well.

Our Murray golf weekend this year was based at Corowa where some played golf and many took the trip across to Beechworth for the Celtic Festival.

Funds raised this year supported the Children's Hospital (Golf Day), Cystic Fibrosis (Fun Run) and Asthma Victoria (Xmas Raffle) amongst others.

We renamed our President's Award, "The Ron Carnell President's Award", honouring Ron on his 80th birthday and for his 21 years of outstanding Service to Rotary and our Club.

Major Donations	\$		\$
"Community House"	50,000	Royal Children's Hospital	(4,000)
Rotary Foundation	8,000	Starlight Foundation	(2,500)

Treasurer	Lindsay Pegg	Vocational	Ann Kerr
PA to Terry	Jane Pennington		

President Terry's Summary

A great year for the club and what a fantastic contribution by the members! Little wonder it went so quickly!

Activities for the year, organized by the Fellowship, Fundraising, Community Service and Vocational committees, kept the members busy and included:- the Melbourne cup night, the Christmas breakfast, the golf and fishing weekend, the Safari Dinner, the Olympic Fun run, the NAB Docklands BBQ, the Christmas raffle, the Australian Grand Prix, the charity golf day, the decoupage exhibition, maintenance at the Marwal Centre, the Salvo's door-knock, the Variety club Christmas Party, 'Drains to the Bay', Camcare, Camp Getaway, Camberwell Scouts, Royal Children's Hospital, Portsea Camp, and 'Music for the Elderly'.

As if the above was not enough, we also managed to include visits to both the William Angliss College and the new Channel Seven headquarters at Docklands, plus we continued with the debating team, conducted computer classes, arranged for students for the Siemens Science Experience, sponsored students to RYPEN, MUNA and RYLA, and hosted two incoming Rotary Exchange Students.

Highlights of the year included the matching grant organized by our International committee, resulting in a hospital in Thailand receiving \$47,500 worth of equipment and the formation of a new Rotary Club (Boroondara) aimed at a younger membership, with the help of our Burke Cluster Group.

Towards the end of the year, it was my privilege to award two Paul Harris Recognitions to Dr Keith Mutimer and our own Lew Lustig, and the Ron Carnell Presidents Award to Jane Pennington.

Thank-you to my family and club members for their assistance, patience and support that allowed me an experience I will treasure for evermore.

Sergeant	David Cheney		

President Peter's Summary

Rotary International was fortunate to have such a truly inspirational leader as President Bhichai. His wonderful theme was truly memorable, not only for its beauty but also for its various humorous interpretations during the year!

The year saw the completion and handing over of the Jack Nankervis House for homeless youth. Apart from the keys, which were handed over to Anglicare at a December dinner meeting, we also handed over a cheque for \$45,000 to complete our commitment to the project and provided another \$1,909 in "white" and other goods.

All board members were challenged to introduce at least one new project or program for the year. This challenge they took up with gusto, and, as a result, were born "sounding board" (to provide advice and support for small business people); a RAWCS project to refurbish a hospital in Vanuatu destroyed by a hurricane; a plan to develop a community centre in north Balwyn Village to celebrate RI's Centenary in 2005; a major family bike ride; a community computer centre and the hosting of country children from drought stricken areas.

2002-3 also saw the rewriting of our club by-laws by PP David Cheney and his committee. This was not deemed satisfactory by the dogmatic and pedantic committee, and was not presented to the club for approval until ten drafts had been written.

Special mention should be made of the outstanding contribution of our members towards the eradication of polio worldwide. We set a target of \$125 per member as well as \$115 per member for Foundation commitments. In total, we set a target of \$240 per member – a total of \$20,400. The incentive of matching contributions by RI, Government, the World Bank and the Gates foundation saw us able to more than fulfill our commitment. This was an achievement that I believe will stand as a record for our club for many years.

Major Donations

	\$		\$
Jack Nankervis House	45,000	Rotary Foundation	20,487

Sergeant	Ian Mollison	New Generations	Ros Horne
Bulletin Editor	John Rennie		

President Brian's Summary

The year brought in some changes. A new concept - 'Family of Rotary' was introduced under John Mollison's guidance as the caring arm of Rotary. First to receive practical assistance in the form of property maintenance was Donna Adams (widow of Greg Adams).

After many years of faithful service as compere of the weekly radio programme '*Radio Ron*' Ron Carnell was forced by ill health to pass the microphone onto Don Bowden who kindly volunteered his services.

The toast to the Queen was phased out and the emphasis of our Club loyalties are now directed more to Australia and Rotary International.

The Jack Nankervis House project was completed with the final landscaping and paving work. Prime mover was Greg Matthews who richly deserved his PHF Sapphire, presented by an appreciative Marj Nankervis.

Much was achieved on the International front. Seven volunteers spent a hot and humid 3 weeks in Vanuatu renovating a hospital and building an eye clinic. We also funded the temporary and very unhygienic market at Baucau East Timor to be returned and refurbished back at its pre war location.

John Robson with quiet persistence achieved the amazing feat of having an incubator installed at the Al Yarmouk Hospital in Baghdad. This was done with help from our Burke Cluster Group and proceeds from a concert, together with some help from DG Don Jago. The incubator was dedicated to Paul Moran an Australian television journalist who was the first Australian killed in Iraq and bears a Rotary plaque in English and Arabic with his name.

President Jim's Summary

Rotary celebrated its 100th Anniversary during this Rotary year. Priorities for our club were to further increase our strong membership base, engage in a significant community service activity, engage in a significant international service project and enjoy the year.

During the year, eight new members were inducted, two members resigned, and we achieved our membership goal of 100 members (94 Active and 6 Honorary) in Rotary's 100th year.

We sent a team of 10 members, under the leadership of Peter Cleary, to the Eyre Peninsula in South Australia to assist the Rotary Club of Port Lincoln in rebuilding fences destroyed in the January 2005 Bushfires. Our club has now established a strong working relationship with the Port Lincoln Club and we have undertaken subsequent bushfire recovery projects with the club.

We established the club's 'Adopt a Community' project on the isolated island of Tulagi in the Solomon Islands. PDG John Reddish led a team of four members to Honiara and Tulagi to identify meaningful projects which could be undertaken by our club to significantly improve the health and living standards of the 2,000 people who inhabit Tulagi.

The Tulagi 'Adopt a Community' project became a 'benchmark' Rotary International project featured by our District at subsequent District Conferences.

And while doing all this, we had fun – occasions such as The Greek Olympic Night, the District Conference in Hobart and our 25th Club Birthday Party at the Manningham Club featuring virtuoso pianist Alan Kogosowski, with 169 members, partners and guests attending.

President Peter's Summary

This year we continued our strong club fellowship together with club activities to fulfill the theme for the year, Service Above Self.

For our International Service project 'Adopt a Community' at Tulagi in the Solomon Islands we were successful in obtaining a matching grant from The Rotary Foundation of \$US 46,257.

With the financial support from the RC of Balwyn, RC of Goksu, Turkey and district designated funds from D9800 & D2420, we were able to proceed with the purchase and installation at McMahan Community School of desks, lighting, water tanks and ceiling fans for the classrooms, and septic tanks for student toilet blocks.

The highlight of our fellowship was the Golf / fellowship Weekend held at Bright. The choice of destination proved very popular as over 100 of us turned up to enjoy the varied program of golf and other activities.

We were fortunate to have Livia Popp on exchange from Switzerland. Livia won us all over with her charm, and her obvious interest in her host country.

Other highlights for the year were the successful nomination of Jim Studebaker for the position of District Governor for the 2008 - 2009 Rotary year, and the ARHRF Medal awarded to Phil Francis for his tireless work over many years.

President John's Summary

In our 27th Year, the "Adopt a Community" project in Tulagi showed great results with the first matching grant funded by our club and supported with District Designated Funds, the RC's of Balwyn and Goksu in Turkey and The Rotary Foundation. An application for a second grant was being developed.

With the guidance of Paul Fitz, as Horizons Committee chairman, we focused/reviewed three aspects: our structure, membership and communications resulting in changes to our board structure and our focus within the club.

David Willshire, as chairman, strongly supported by Bill Thackray and George Selkrig successfully established the Probus Club of Greythorn.

The idea for "The Friends of Rotary" was germinated.

The Fund Raising committee, under chairman, Bill Oakley, raised some \$70,000, including \$6,000 earmarked for a new kitchen at Camp Getaway.

Paul Harris recognitions were presented to Jan Cheney, George Selkrig, Peter Elliott, Lindsay Pegg and Don Bowden. Stalwart Ron Phillips received the President's Award, and relative newcomer, Terry Gretton, the inaugural Royce Abbey Award.

During the year, I emphasized the importance of our partners; promoting the culture of not taking ourselves too seriously; and to continue to help both each other and, at the same time, helping others. These are major ingredients in ensuring the success of the club.

President Ian's Summary

No president can act alone and I must congratulate and thank all members of the Board for their hard work throughout the year. I feel honoured to have had such a talented team to work with.

Several features stand out from the year:-

There were many outstanding speakers at our dinner meetings who covered a wide range of issues, ranging from Alex Danne who spoke about "Surviving the Sudanese Hangman" to Nigel Dick of television fame who spoke from the heart about the wonderful work in drug rehabilitation done by Odyssey House.

On another occasion, Deputy Commissioner of Victoria Police, Simon Overland presented an award on behalf of the club to Donna McGowan who had gone to the assistance of a young Dutch backpacker who had been shot in the streets of Melbourne. What a night it was with such a turn up of media with their television cameras.

The wonderful work by the International Committee in supporting the village of Tulagi demonstrated the best of Rotary service, especially when the delightful Joseph Aaron, the young agriculture teacher, was sponsored to come to Australia to study rice agriculture, assisted by a Royce and Jean Abbey Agricultural Scholarship.

The club can feel justifiably proud of its substantial contribution to the Rotary Shelter Box program, most of which was donated on a partners' night in response to the natural disaster that had struck Burma.

Major Donations	\$		\$
Shelter Box Program	20,000	Rotary Foundation	10,200
Olivia Newton-John		Eva Tilley Home	4,380

President Bill's Summary

This year saw Jim Studebaker as the club's third District Governor, and so had us organising and hosting the District Conference in beautiful Launceston. Over 110 members and partners crossed Bass Strait to support and participate in a great conference.

We changed the structure of the board this year to include both Fellowship and Foundation directors, reflecting the importance of these two aspects of Rotary for the club.

Highlights for the year included the creation of "Friends of the Rotary Club of North Balwyn", and the inaugural running of the Fun In Retirement Expo (FIRE),

In the wake of the Black Saturday Bushfire, our club worked with our cluster clubs in renovating Hamer Hall in High Street, Kew to provide emergency accommodation; and joined Rotarians from Port Lincoln Club in a fence building project in Upper Plenty.

Additionally, we had involvement with 'Boroondara Cares' in Moira Shire on the Murray, along with 8 other Rotary clubs, a project which won a Rotary International Award as the most outstanding across club cooperative project.

Internationally, we continued our work in the Solomons.

Major Donations	\$		\$
Bushfire rebuilding projects	30,000	Rotary Foundation	22,000
Tulagi & Rice Growing project	20,000	Camp Getaway	5,000
Boroondara Cares	4,000	Future Fund	5,000

President Tony's Summary

The Club's 30th year of existence provided an opportunity for consolidation and development, underpinned by a revised administrative structure based on Rotary's Club Leadership Plan.

Work began on developing a strategic plan for the Club, including a facilitated planning session in which members of the Club participated.

The Club remained an active partner in Rotary Community Service programs including recovery activity for areas ravaged by bushfires in February 2009. Specific funds were earmarked for a major effort at Marysville where the Club previously enjoyed excellent golf and fellowship.

Other partnership activity included support for Boroondara Cares, a program in which all the Rotary Clubs in the Boroondara combined to support the drought stricken Moira shire in Northern Victoria.

The International Service program of recent years in the Solomon Islands moved towards maturity and the International Committee began to review future projects, possibly in Vietnam.

Presentations were regularly scheduled at Club meetings highlighting Vocational Service and Rotary knowledge, including The Rotary Foundation. As part of our Vocational program, two teams drawn from members of the Club debated the topic "Ethics in Business – The Responsibility Lies with Regulators, not Directors, Managers or Employees".

The Club hosted the inbound GSE team from Spain, while South America was the focus of Rotary Youth Exchange, with the arrival of Cecy Silveira Perez do Nascimento from Brazil and the return of Olivia Bassini after a successful year, also in Brazil.

The Club hosted the D9800 RYPEN camp at Lancefield in March.

Fellowship remained a key element in Club life and this year's Committee developed an excellent and varied program for members.

A trend towards declining membership was noted and addressed by the Membership Committee with the development of innovative programs to attract new members.

Fundraising also remained a key issue with various options under review. The Club conducted extensive due diligence on a proposal to develop and operate an Op Shop style of retail outlet to raise funds to support service programs .

Major Donations

The President's Award

The President' Award was established in the 1987 – 88 Rotary year, resulting from personal donations made by the then President and the Past Presidents of the time. The award is made by the President alone to the person who in the President's opinion has made the greatest contribution to the Club during the current year.

The award was renamed "The **Ron Carnell President's Award**" in 2001 in recognition of Ron's 80th birthday.

1987 – 1988	Ron Carnell
1988 – 1989	John Thwaites
1989 – 1990	Glen Walmsley
1990 – 1991	John McBride
1991 – 1992	Gregor Matthews
1992 – 1993	Ron Arthur
1993 – 1994	John Thwaites
1994 – 1995	John McBride
1995 – 1996	Phil Francis / Terry Keyhoe
1996 – 1997	Anthony Stokes / John Rennie
1997 – 1998	Ian Taylor
1998 – 1999	Brian Hurnard / Ian Taylor
1999 – 2000	John Moyle
2000 – 2001	David Goldsmith
2001 – 2002	Jane Pennington
2002 – 2003	David Cheney
2003 – 2004	Lindsay Pegg
2004 – 2005	Peter Cleary
2005 – 2006	Matthew Pauli
2006 – 2007	Ron Phillips
2007 – 2008	Geoff Haddy
2008 – 2009	Terry Keyhoe

June 2000.*

Past Presidents' Annual Dinner

In 1996/97, the then president, Clive Hughes, suggested that each year there should be a dinner for the past presidents of the Rotary Club of North Balwyn. The dinner would be formal, would be run along the lines of a Rotary club meeting and each past president would relate an interesting aspect of his particular year at some stage during the evening.

The concept was readily accepted by the past presidents so on Wednesday, 11th June, 1997, the inaugural Past Presidents' Dinner was held at The Australian Club and has been held every year since.

Each year, the immediate past president is given the task of organising each dinner and all the past presidents look forward to being present when gross exaggerations about their year are exchanged to every one's delight. The first three were held at The Australian Club, the next seven at The Savage Club and the last two at the RACV Club. One feature of each dinner is the presentation of a feather duster to each new past president, an initiative of Terry Keyhoe. This is to signify the transition from "rooster" to "feather duster".
