

An article from Facebook by Jenny Foster of the Rotary Passport Club of Melbourne.

Rotary Passport Melbourne members who live here are so eager to get back to our headquarters at DIK to get those containers packed full of medical & education items.

The sense of achievement when you finally get a 40ft container of medical equipment packed & ready to go as shown here in front one of 3 x 40ft containers that we sent to the National Referral Hospital in Honiara, Solomon Islands....is amazing! The last one was unpacked in collaboration with the RC of Honiara in March this year.

Many of our RPM members & others have also helped our wonderful friend & Kirabati Rotarian Ruth Cross, get those containers packed to head over to her country.

At RPM we are the connection point of Rotary, Days For Girls & CWA (that also connects us to ACWW - Associated Country Women of the World) to do so much more together to help those who need our help most in Timor Leste & the Pacific Nations.

We work together to 'Open Opportunities' to 'Do Good In The World'....in this case, Australia's nearest neighbours. AU FJ VU SB PG CK
