

## IN SERVICE OF ROTARY

*Our Leadership*  
2015/2016

### The Presidential Proclamation

What an entertaining guest speaker this week when we were very fortunate to have Pete Smith from Channel 9 and the ABC speak about his career. His stories were hilarious and very enjoyable to listen to.

Thank you Jo Wells and her Team for organising and running the very successful Cake Stall. A huge amount of work went into this, culminating in beautifully presented items being sold outside the Commonwealth Bank in North Balwyn Village. Thanks Ian Mollison for the use of his office space for storage.

This month, the Rotary International theme is Disease Prevention and Treatment. Rotary's top priority continues to be the eradication of polio, but Rotarians also take on great responsibilities to fight other diseases. Rotarians set up health camps and training facilities in undeveloped countries, and in communities struggling with HIV/AIDS and malaria; they also design and build the infrastructure for doctors, nurses, governments, and partners to reach the one in six people in the world who can't afford to pay for health care. Our own member Sue McDonald has been involved in health education in Timor Leste.

Disease prevention and treatment takes on many forms, from supporting studies to helping immunize people to improving drinking water and the sanitation infrastructure. The world relies on Rotary to tackle these global challenges, and to set an example for others to follow. This is one of Rotary's gifts to the world.

So this week please do go and

Be a Gift to the World

*President Jane.*

### Guest Speaker Peter Smith: Behind the Scenes in Radio, TV and Vaudeville.

**Peter Philip Smith OAM** (born 29 May 1939 in Melbourne, Victoria) is an Australian radio and television voice-over artist. He is primarily known for his work with GTV-9 Melbourne as their announcer, including being the announcer on the nationally screened quiz show Sale of the Century for twenty-one years.

Peter started his career with the ABC associated with Radio Australia and short wave radio transmission of the Hit Parade. Leading from this he made contact with Short Wave buffs and still corresponds with a friend in the USA who he also visited. In the 1950's everything was live and Pete was the voice of "Welcome to the Sale of The Century" which he laughs came out that way because of a slow scrolling text which made him hang on the word Sale. Peter was good friends with his colleague Philip Brady and they laugh now about how in the 50's they used to work the afternoon shift in dinner suits as the ABC was a very disciplined workplace.

Peter worked for 52 years with TV Channel 9 and worked along side Graham Kennedy who was notorious for trying to put Peter off his task by revving up the audience whilst Peter was reading advertisements.

1979 saw Peter Smith awarded the Douglas Wilkie Medal for doing the least for Australian rules football in the fairest manner.

Peter gave us an animated and enthusiastic presentation and we laughed about the time he tried a comedy act where the props went wrong and Ernie Sigley was speared in the back on stage! Fortunately he wasn't hurt. We could have listened all night. To get a hint of Peter's workplace you must watch this—Click HERE and HERE

Thanks Peter for a fascinating presentation about your ground breaking, history making, career in Australian Radio and TV.

### 2015 Christmas Fare

### Congratulations Bill Oakley

Bill was awarded with a Youth Service Award from the International Fellowship of Scouting Rotarians in recognition of his services to scouting.

Rotary International has been a partner with the Boy Scouts and Girl Guides in serving young people since their inception. The principles and goals of Rotary, Scouting and Guiding are closely allied. Character-building; service to country, to others, and to self; teaching leadership skills; and becoming aware of the world around us—these are all incorporated into the programs and activities of each organization.

The values expressed in Rotary International's Motto and the Four Way Test greatly parallel those articulated in the Scout Oath, Law, Motto, and Slogan.

Rotarians have long served as role models, demonstrating leadership, character, and the value of selfless service to the community. Rotary founder Paul P. Harris was himself a recipient of Scouting's prestigious Silver Buffalo award in 1934. His and others' efforts represent to a high degree the slogan "Every Rotarian an Example to Youth."

### District Governor Nominating Committee

It is official that Past President Adrian is on the nominating committee for the 2018-19 D9800 District Governor. Congratulations Adrian on accepting this position of responsibility.

Brian and Areta Hurnard registered a meeting Make—up on the MS Zaandam, in South Atlantic whist on a cruise to The Falkland Islands!

### Happy News from Solomon Islands

Dear Mr. Bob and Mum Carmel,

I am very happy to inform you that Mr. Joseph and Ms. Cathy just have new babies. They have twin boys. Thanks be to God. Fr. Joseph Thanh, sdb. DON BOSCO RTC TETERE

### Mother Mazzello Development Centre Henderson Solomon Islands

We received a very special email received today from Sister Anna Maria one of the loving and caring Salesian Sisters at the Mother Mazzello Development Centre – Henderson S.I. What makes this Report so very special is to remember the majority of the young women welcomed into The Centre” had been abused and could not read or write.

The email provides detail about The Centre’s achievements and plans for next year. Over the last 4 to 5 years the Centre has achieved amazing success through the support of the Rotary Club of North Balwyn and our most generous Partner, Aisin Australia Pty. Ltd. donating over 20 new electric sewing machines for the young women to be trained in sewing and dressmaking skills.

The photographs showing the happy smiles of the students completes the story – “A picture is worth a thousand words” This Project is without doubt another wonderful example of our current Rotary theme – “Be a gift to the world “

With thanks to all who have worked hard to make this Project possible

Bob Bott

### Message from Sr Anna Maria and Community

*On the 27th of November we had the second group of our small school graduation. 23 ladies achieved their skills in textile, cooking and the other subject we are offering in our Centre. With this last group we reached out 79 young women in these last two years. Most of them have their own small business at home, selling sewing items at the market or for their neighbourhood. Three of them had been employed in a parish rural skills school as Home Economic teachers. A number of them is teaching sewing to women groups in their local areas.*

*We are definitely pleased about the outcome of our small Centre, looking forward for the next year's groups.*

*Hopefully next year we will be registered under the Diocese of Honiara Education Authority, getting recognition of our certificate from the Government. This will require from us the extension of our course from 5 months to a year. There will be 5 months of formal teaching in our school and the following 5 months will be on practical: the participants will be asked to produce what they learned either for their family or neighbourhood, for the market or shops, or eventually to find employment in shops or restaurants. In this way also the mothers with children can fulfil the requirements for the graduation.*

*For next year we will keep the division in two groups of 25 participants and now that we are well known we think it will be full number!!!*

*The Laura Vicuna Hostel is still working. The schools will end the 12th of December even if some USP girls already completed their exams and are on holidays. We had the full number for the whole year: 36 boarders...it means that more girls are studying and more families are concern of their safety and academic achievement!*

*We, the Salesian Sisters, are grateful for your continuous support and help to carry out this program for the progress of the Country through the development of its women.*

*We assure our prayer for your intentions, your health and the goodness of your family.*

*thank you once more.*

Our last 2015 Meeting : Thursday 17th December

### **LADIESCHRISTMAS FARE**

#### ***An Outstanding Result***

Last Friday's Christmas Fare, together with the recent biscuit sale at Bunnings ahead of Father's Day, has resulted in takings of almost \$3,800.

This is an outstanding result which would not have been achieved without the support of the cooks, bakers, helpers, donors, the "boys" who helped with the set-up and Ian Mollison- whose office is a base for the stall in the North Balwyn Village.

A huge thankyou to all who have been involved. Your support is very much appreciated.

The Ladies Christmas Fare and associated fund raising activities have built on the tradition and success of the Ladies Card Luncheons which were held over many years and since 2009 more than \$22,000 has been raised for community projects.

This is a great effort from a dedicated group of ladies. What a team!

### A Fisherman's Tale

Last Saturday our Rotary BBQ was outside Anaconda - the new store in Middleborough Rd., Box Hill South.

A mother with two young sons came out of the store with the obvious intention of buying BBQ sausages for her boys. She was carrying a fishing rod and reel that she had just purchased.

The older lad was 8 and said that he had been fishing and had caught some fish.

Now Nino was nearby and as everyone knows, Nino is a keen fisherman. Nino asked the lad whether he had caught any snapper, and the lad said there were a few in the boat. Whereupon Nino asked "where did you go? To which the 8 year old replied, with a cheeky grin on his face, "I'm not telling!"

### A Quiz for you from Tony Ho

Tony Ho passed on a test question given to a four year old in Hong Kong. We have all heard of the mathematical abilities of these kids so see if you can come up with the answer!

1111 = 0	5555 = 0
2222 = 0	8193 = 3
7662 = 2	8096 = 5
9313 = 1	4398 = 3
0000 = 4	9475 = 1
6666 = 4	9038 = 4
2172 = 0	3148 = 2

What does 2889 = ?

(I had to Google the answer—The Editor)

### Geoff's Health Tips What is the difference between PROBIOTICS and PREBIOTICS

PROBIOTICS and PREBIOTICS – are confusing names given to some natural ingredients that you may have heard of already, but do not understand the difference between the two. I will explain their meaning and the importance of both terms for you. BOTH ARE IMPORTANT FOR A HEALTHY GUT - excuse the expression.

#### PROBIOTICS

Probiotics are the beneficial bacteria that live in your gut. Yoghurt and other fermented dairy products contain some of these bacteria. You can read their names on the label: *bifidobacterium lactis*, *Lactobacillus bulgaricus*, *Streptococcus thermophilus* are the usual ones. You can also buy pills that contain millions of units of these, and hundreds of other, beneficial bacteria. These bacteria are delicate – heat and stomach acid can kill them. Of the millions of bacteria in yoghurt, or in a pill, there will be a small percentage that get through and into your gut to provide the hopeful benefits. Some of the benefits claimed include treatment for irritable bowel disease and bowel infections.

#### PREBIOTICS

Prebiotics are plant fibres that are found in many fruits and vegetables, such as beans, lentils, the skin of apples, bananas, onions, garlic and Jerusalem artichoke (the richest source). These fibres go through your stomach and the small intestine and are fermented in the large intestine, producing food for the beneficial bacteria mentioned above.

For years, hardly anyone in the medical profession paid attention to the role the colon plays in overall health. However we have now discovered that the colon and, specifically, the bacteria that call the colon home, are incredibly important to wellness. The healthy bacteria that live in the gut are reported to strengthen the bowel wall, increase bone density, strengthen the immune system, provide better controlled weight and appetite, improve mineral absorption and aid in the regulation of hormone production.

## THE JOHNSTON COLLECTION

**Kinga Paulheim:** Members are reminded of the visit to The Johnston Collection on Wednesday 10th February 2016.

**Members must book soon as numbers must be finalised by the end of December.**

The Johnson Collection a collection of art works from Mr. William Johnson (1911-1986) who was an art dealer who left his house and collection as a museum for the public to enjoy.

Celebrating 25 years since The Johnston Collection was first opened to the public. We are most grateful to William Johnston for his vision and generosity in gifting his wonderful house and collection to the people of Victoria for everyone to enjoy.

Read more [HERE](#) and see Kinga if you would like to attend.

Facebook Fans Click [HERE](#)

Participants will meet at The Old Hilton; now Pullman Melbourne on The Park (Crn Clarendon and Wellington Pde. East Melbourne; opposite "The G") at 11.30 am and proceed by bus to the destination.

Because the Collection is situated in a residential area, the address is not available to the public, and visitors are transported by courtesy bus.

2. Click [HERE](#) to go to the Website

3. E-mail Hugo Goetze [apologies@rotarynorthbalwyn.com.au](mailto:apologies@rotarynorthbalwyn.com.au)

4. Phone 9857 6701 (leave a message if required). Mobile phone calls & SMS are not to be used.

It is important to advise absences, guests attending, and partners attending. This is needed as the Kew Golf Club needs to know how many are attending each week to ensure we have the correct number of places set, meals provided and service staff employed. The Rotary Club incurs charges if we overestimate numbers attending. A meal may not be available if additional people attend to that advised.
