

Dear Members  
Welcome to 2010

At our first meeting for 2020 we enjoyed a BBQ at Kew Golf Club and heard from Members about Club activities over the Christmas break. We also had an address from Vincent Kelly who was our RYLA Candidate at last year's RYLA Camp.

Most importantly was the running of Mongolian return visit. Estelle Kelly and Peter Downton reported that all is going well and chaperone Byamba & Bolormaa attended the meeting. The contingent departs for Mongolia on Monday.

Vincent Kelly spoke to the meeting about his positive experiences on the recent RYLA camp and thanked the Club sincerely for sponsoring him on the camp.

We also received a thank you letter from Ned Lindenmayer who we sponsored to attend the "Big Camp" at Somers (Lord and Lady Somers Camp). Our Club sponsors a girl and boy each year as part of our youth program and it is a great Youth Development Program.

Geoff Kneale reports that Greg Matthews, Geoff Haddy, Rob Head and he conducted the Numurkah Drought Relief Town Hall briefing last Wednesday afternoon. The discussion went well and further planning will take place shortly.

### Fire Relief.

Duncan noted that his preferred donation point at the [Bendigo Bank](#) has raised \$15 million dollars already! Rotarians have been offered several ways to donate and a District D9800 Fire Relief committee has been formed to keep us up to date. Our Jim Studebaker is a member. At the request of Balwyn RC we agreed to donate our contribution to the last two Camberwell Markets to the Bush Fire Relieve Appeal. The outcome of the last Market was \$6,700. Thank you to those who are volunteering on the roster.

Regarding individual donations to Fire Relief; below is a phrase of the current advice from BlazeAid. Please note the types of donations of immediate need.

*BlazeAid base camps are everywhere in Australia - now 14 but growing to 50 from Kangaroo Island to the Queensland border after these fires (just google BlazeAid base camps to find one close to you) please consider driving it all up yourself or organising a truck to take all of what you and kind and generous Australians have given to others. We have hundreds of fire survivors without homes and the basic necessities of life (below) and because BlazeAid has up to 100% of farmers registered after Natural disasters, we get this precious cargo out EVERY day as we arrive to clean up and rebuild their properties!*

•Keep these coming to ALL BlazeAid base camps-

*Non perishable foods, ladies and men's toiletries, treats and snacks, flour, sugar, rice, pasta, long life milk, two minute noodles, tea, coffee, milo, first aid packs, fly spray, gladwrap, foil, tomato sauce, soap powder, dish-washing detergent, hand sanitiser, hand soap, shampoo, toothpaste, toothbrushes, cooking oil, tea towels, sponges/scouring pads, chux wipes, storage containers, jams, peanut butter, rubber gloves, Klip-It plastic storage containers for foods, tongs, garbage bags etc.*

### APOLOGIES FOR CLUB MEETINGS

Sign the "apology sheet" at the front desk if you know in advance.

From Our Member Rowan McClean

### 1. Community Representatives on Boards

Both the Stroke Foundation (based at Hamer Court in Kew) and Boroondara Park Primary School (North Balwyn) are seeking community representatives as Board members. These are important roles for the organisations and will help consolidate partnerships for Rotary North Balwyn

If members or friends are interested in either of these opportunities to serve our community, please contact Rowan McClean (0412 966 066).

### 2. Visits to Phu Tho Province Vietnam.

In February two teams will visit the poor communities we are supporting in North Vietnam.

Tony O'Brien (Rotary Balwyn) and Rowan McClean will work with our Hanoi-based allies to deliver furniture and equipment to schools and health clinics in three of the communities.

Drs. Mala Desai (Friend of Rotary North Balwyn) and Jim Cary (Balwyn Rotarian) will visit all four communities with Rowan and conduct education programs for community leaders, teachers and parents on the importance of dental care, hygiene and diet for the children. They will train local medical staff in the process of applying flouride paste to the teeth of young children and then work with them to treat about 400 kindergarten children. This is an exciting first initiative that will become a six-monthly sustainable process.

Trip reports will be circulated after the visits.

**This is a great example of how Rotary connects communities**

Rowan McClean

Farewell function for our Mongolian visitors was well attended by Club Members, host families and others who helped with events. In appreciation to those who had helped and hosted, gifts were presented from the Mongolian Visitors and our Club.

**Around the Club:-**

Brunch at Warren Glen was an enjoyable affair with good company, lovely weather and great service by the Warren Glen Staff. Our thanks to Don and Ala Taylor for organising the event.

At the Clifford Park Recreation Centre, the Mongolian visitors had a great time participating in the different activities .

A superb BBQ and salad lunch was organised under the guidance of Bill Oakley with the help of North Balwyn Rotarians and Friend of North Balwyn Rotary Reg Parsons.

Estelle's moon boot isn't the result of a skiing incident in Aspen but was the result of a cow stepping on her foot while showing the Mongolian visitors around a working farm.

Jim Romanis hard at work preparing the Rover Hut for the event.

"Our ARH Scholar Jacqueline Kuruppu has provided the Club with an interim report on her activities. Jacqueline will be attending the Golf Day and will also address the Club early this year. In the interim if anyone would like to read her report please contact Tony Hart."

### Geoff's Health Tip

#### The Smoking Ceremony

Last week I participated in the Aboriginal Heritage Walk at the Royal Botanic Gardens with the Mongolian students and their leader.

We had a young aboriginal male from one of the western Victorian tribes introduce us to the use of plants and herbs commonly used by his forbears, but especially his grandmother.

Through the history of aboriginal existence in Australia, healers used plants in tandem with precise ritual. Plants could be made into a poultice using animal fats for topical treatment of a variety of skin ailments, others were chewed, with some kept in a bolus in the mouth over many hours.

One particular plant added to a still area of water temporarily reduced the oxygen content which forced fish in the vicinity to rise to the surface where they could be easily gathered.

Walking through the gardens our guide showed us a surprising number of plants that yielded high levels of essential oil. Although the aborigines didn't have the technology to extract essential oils via distillation, other methods such as smoking ceremonies were widely used to apply the particular properties of aromatic plants in various healing methods,

Oil from plants such as *Malaleuca Alternifolia*, which we know as Tea Tree Oil, spawned an industry of global proportions. Tea Tree Oil is a superb antiseptic and one that I have used on cuts and abrasions over many years. Another is *Pittosporum angustifolium*, also known as 'Gumby Gumby', was involved in a significant number of traditional medicinal applications. The most common of these were related to the treatment of coughs and colds and eczema.

At the end of our tour we participated in the 'smoking ceremony'. There were four plant species used, one was acacia, another was the lemon scented eucalypt, I can't remember the other two, but each had a symbolic meaning - a welcome to visitors, for the young, for the elderly and to promote the well-being of their tribe. All of us found the smoke *was non-irritant, even refreshing with a hint of medicinal properties.*

*It left me with the feeling that maybe there is more to this ancient aboriginal custom than we thought.*

Geoff

Our Club is now extending our Drought Relief Program to a second area in Victoria, around Numurkah.

This photo shows some of the 33 community leaders in Numurkah who attended our briefing session sponsored by the local Rotary Club.

The Rotary Club and community are enthusiastic about our program, and we have the commitment of all nine targeted retailers to participate in our voucher program.

Rob Head (for DR committee)

### **Drought Relief Program (DRP) Update**

This week our team of Geoff Haddy, Greg Matthews, Rob Head and Geoff Kneale presented in the drought stricken town of Numurkah. The purpose of the two day trip was to launch our second DRP program. Doubling our ongoing St Arnaud commitment, the Numurkah project is a community of double the size of St Arnaud and in more dire need of our support.

Numurkah is at the centre of the Victorian Dairy Industry – an industry simultaneously hot by drought, a collapse in the dairy industry (spiralling costs, diminished returns and negative overseas corporate influence), and now bush fires.

Our Wednesday Town Hall meeting was to launch our new program. The meeting was well attended by a broad representation of the community – CFA, CWA, District Hospital, Churches, schools, various farmers, dairy company representatives, councillors, etc.

Presenting ourselves as a unified Rotary team comprising Numurkah, Nth Balwyn and Balwyn, the purpose of the Town Hall meeting was to gain both an understanding of the pending launch of our DRP and to stir awareness, commitment and support within the whole community.

The next morning we signed up the selected retailers – grocery, pharmacy, school clothing and fuel stores. Our next step is to commence printing and distributing vouchers in February. Following that will be our commencement of planning for a community event mid-year – perhaps another highly successful “Comedy Festival”.

### **SUKIN COSMETICS –**

Late last year, we were offered a large range of high quality ladies cosmetics. Great thanks to Jane Pennington!

We have now delivered these goods to -

- \*50% to St Arnaud - through CWA/St Arnaud Rotary to mothers in drought affected areas - pre Christmas;
- \*25% to Numurkah District Hospital to ladies as part of mental health and maternity welfare - distributed 2 weeks ago via Rotary club of Numurkah;
- \*Balance to – Women in Farming which is a network of dairy farming women stricken by the drought and infrastructural changes in the dairy industry that has seen a vast majority of family dairies collapse;
- \*Numerous boxes were given to the Numurkah Community House.

Regards Geoff Kneale

Hi,

My name is Kirstin and I am a single mum of a two month old baby. I was talking to my maternal health nurse and she suggested I contacted the local rotary club.

I was wondering if someone would be able to assist me with getting my licence? I would just need someone to take me for drives so I can get some confidence with driving before I go to my licence.

It's currently pretty hard to get around with a baby and no car. I'm not sure if this is something you offer but it would be much appreciated if you could let me know.

I don't have a car so if it is possible I would need to use someone's car if that's okay and I would need to bring my daughter as well. I have a car seat though.

Many thanks, Kirstin

## MEETING ROSTERS

<b>Thursday</b>	<b>23 January</b>	<b>Speaker:-</b> Andrew Sutherland And Hugo Goetze
<b>Greeters</b>	J Jayasinghe, Duncan Ansell	
<b>Setup</b>	Geoff Kneale, Rowan McClean	<b>Host:-</b> Jagath Jayasinghe (J.J.)
<b>Desk:</b>	John McBride, Eileen Toohill	<b>Topic:-</b> Autobiographies

One youthful third-generation Rotarian and one not-so-youthful but invaluable and highly esteemed Rotarian will entertain us with their stories. This evening promises to be up there with all the best of past autobiographies.

<b>Thursday</b>	<b>30 January</b>	<b>Speaker:-</b> Sandi Givens
<b>Greeters</b>	Kinga Paulheim, Sam Hardikar	<b>Host:-</b> Jane Pennington
<b>Setup</b>	Sue McDonald, Greg Matthews	<b>Topic:-</b> Relay for Life
<b>Desk:</b>	Neil Marshall, Nino Sofra	

Sandi Givens is an inspirational volunteer guiding the Manningham Relay for Life which is an exciting and moving overnight experience that raises vital funds for the Cancer Council's research, prevention, information and support services. The Rotaractors have met Sandi because they had a team in the 2019 Relay for Life and are keen to repeat in 2020.

## The Blue Line

A Happy New Year to all. It has been a busy period for all emergency services with the fires across Victoria and a significant number of police from within Whitehorse and inner east being deployed to assist working in high risk locations for excessive periods of times. I am sure your thoughts and best wishes are with the fire fighters and other emergency services assisting as well as the effected communities.

I recently met with Neighbourhood Watch and we discussed the forgotten art of engraving your prize possessions. This may include tools, bicycles or anything that you wish to record. NHW have the engravers available so if you're interested please contact your local NHW who can assist in the process. If you do engrave I recommend you use V followed by your driver's licence number as this is easily identifiable and traceable. If you have small valuable items that you wish to record I recommend you take a photograph of it along with a description. By doing this it will hopefully assist if it is either lost or stolen and if recovered aid in the return to the rightful owner.

Thank you for your ongoing support and I look forward to a safe and rewarding 2020.  
Campbell Mill - Inspector - Whitehorse Local Area Commander

(Editor – we suggest you place a ruler or coin next to your precious smaller items to show size).

## Showcase your Project at District 9800 Conference 2020!

This is an amazing opportunity for your members to experience rotary beyond your club. A chance to see and experience some of the wonderful projects and programs that are being undertaken throughout our district, throughout our country and indeed throughout the world.

D9800 Conference 2020 Showcase will be held in the school gymnasium adjacent to the Ulumbarra Theatre - an ideal location for us to explore possibilities and opportunities all whilst enjoying our breaks from the Conference.

Does your club have a project that you would like to promote throughout the district? Registrations are now open for you to come on board, attend Showcase 2020 as an exhibitor and join in the fun of D9800 Conference 2020 where we will be enjoying *Conversation, Connection, Collaboration and Celebration*.
