

### Club Meeting 17 October

Our speaker this week was Jim Callahan.

As well as being on the Board of Caterpillar Holdings Australia Pty Ltd, Jim is the General Manager for Hard Rock Vehicles, Caterpillar Inc with responsibility for product strategy, product development, marketing, after sales support and Manufacturing of Caterpillar's hard rock underground mining product portfolio.

A graduate of Melbourne University with a Bachelor of Engineering (Hons), Jim has extensive mining experience, including 23 years now with Caterpillar.

Jim spoke to us on the environmental responsible behaviour of the mining industry and Caterpillar's input into this area. Product development has included technical development of more efficient diesel engines that have reduced polluting outputs.

Jim also commented on a change from open cut mining to targeted boring to access underground resources and underground mining which has a greatly reduced impact on the environment.

Jim (pictured right) was presented with our Certificate of Appreciate by host for the evening Findley Cornell.

On Sunday last President Pete attended the birthday parties of Jack and Dawn Watson (90 and 85 years old respectively). Jack and Dawn are the founders of Computers for Community (C4C) whereby they recognised an opportunity in the year 2000 when uncertainty about the ability of computers to carry on beyond past the year 2000 caused a flood of second hand computers to be made obsolete. Nineteen years later C4C continues to receive second hand computers from businesses and others to be repurposed for Rotary Projects locally and overseas.

Jack and Dawn also founded the Shine-On Awards in recognition of those with disabilities who achieve greatness in the face of adversity. Jack and Dawn were awarded Rotary Hero Awards by President Pete on their Birthday in recognition of their fantastic contribution to Rotary.

## President Pete's Report

This week we saw a number of Community activities keeping our members involved in volunteering.

There are a number of Cluster, Foundation and District Events coming up next before the end of the year. Please read The Grapevine for details and attend if you can make time!

Last weekend we enjoyed our annual Camp Getaway Working Bee which we reported in last week's Grapevine, and again thanks to Greg Matthews for making the arrangements for this activity. It's not only a help to Camp Getaway but also a great fellowship weekend.

At DIK on Tuesday Sue McDonald and Garth Symington met with Jenny Foster (D9800 Dir. International) to hold discussions with John MacDonald (Ballarat Rotary) and Trina Sale (Solomon Islands National Referral Hospital (NRH) ED Director) who was brought to DIK by Joanna Wood from Adelaide's Flinders ED. John will go to The Solomons this week to support an Oral Centre with David Goldsmith (Dentist and Rotarian from Ballarat) at The Solomons NRH. The upshot is that Trina has now seen what DIK has to offer and John and David can see firsthand and discuss with Trina what items the next container from DIK to The Solomons could include to satisfy maximum immediate need. This is Solomon Islands Coordination in action exemplified.

On Wednesday we were invited to a Community Event at Boroondara Arts Centre in Hawthorn to cater for their Annual Community Event which this year was associated with the White Ribbon Organisation. Over 400 participants were treated to key note speakers on family violence followed by a lunch presented by our Club. We provided Halal Chicken, and Sausages, accompanied by fresh salads and vegetarian options. Thanks go to Nino and Bill and helpers on the day to make this day the success that it was.

Saturday 19<sup>th</sup> saw a number of us Walk Against Polio at Albert Park where we met to walk one lap around Albert Park Lake to help raise awareness of Polio and raise funds for our continued End Polio Campaign.

Nino and Gregor turned on the BBQ and Greg Ross handed out the drinks for the fifty plus Rotarians, partners and friends who participated.

This weekend sees more Community Events happening; thanks everyone for your ongoing support of these activities which include, The Gardening Program, Second Bite delivery of food to Boroondara Cares, FareShare Volunteering, Primary School Reading Program, Camberwell Market volunteering, Mens Shed attendance, DIK volunteering and Cluster Meetings. We must also acknowledge the ongoing work by our Board and Committees in keeping our Club Programs and Meetings meaningful, constructive and engaging for all members.

Keep up the great work! President Pete

## MEETING ROSTERS

**Thursday 24 October**  
**Greeters:** Tony Hart, Jagath Jayasinghe  
**Setup** John McBride, Neil Marshall  
**Desk:** Marcel Muntwyler, Bill Oakley

**Speaker:-** Jane Sullivan  
**HOST:-** Jane Pennington  
**Topic:-** Storytime

Readers of the Saturday Age will be familiar with Jane's weekly column called "Turning Pages" in which she discusses all manner of matters literary, from classics to their modern day equivalents. She writes for readers of all ages including ourselves when we were young, recalling her own childhood love of reading as a fan of Enid Blyton, Alice in Wonderland, The Wind in the Willows and Christopher Robin and Winnie the Pooh. Jane is also an author and in her most recent book she reviews her love of childhood reading from an adult perspective. Those of you who are members of a book group could find that your fellow book group members are most interested.

**Thursday 31 October**  
**Melbourne Cup Night Partners Night**  
**Greeters:** Greg Cribbes, Peter Elliott  
**Setup** Larry Fitzpatrick, John Gartlan  
**Desk:** Ian Adams, Adam Hillary

**Speaker:-** Bryan Martin  
**HOST:-** Bob Bott  
**Topic:-** Horse Racing in his blood

Bryan Martin OAM is a well-known race caller who has lived for horse racing since he listened to his first Melbourne cup on radio as a six-year old. His career has taken him all over the world including the excitement of Japan in 1990 when he called the great run of the Australian thoroughbred champion, Better Loosen Up winning the prestigious Japan cup. We may be able to recreate a little of that excitement on the night.

**Thursday 7 November**  
**Greeters:** Geoff Kneale, Imre Lele  
**Setup** Findley Cornell, Rob Head  
**Desk:** John Rennie, Nino Sofra

**Speaker:-** Vocational Awardees  
**HOST:-** Kinga Paulheim  
**Topic:-** The importance of Vocation in Rotary

A night very close to home for those familiar with North Balwyn Village. Signorelli's Fresh Fruiterers and The Village Cafe will each be recognized for their contributions and service to our local community

**Thursday 14 November**  
**Greeters:** Phil Wade, Maurie Walters  
**Setup** Sue McDonald, Ian Mollison  
**Desk:** Geoff Steinicke, Jim Studebaker

**Annual General Meeting**  
**Speaker:-** Peter Elliott and Garth Symington  
**HOST:-** Takao Yukawa  
**Topic:-** Autobiographies

Once the formalities of the AGM are concluded, it will be time to relax and listen to the stories of two of our members.

## Birthdays and Anniversaries between October 20 to October 26

**Birthdays:** David de Garis  
**Inductions:** Duncan Ansell

### Geoff's Health Tip

Recently it was reported in The Age that one in five Australians were being woken by texts and social media alerts, or waking up to send them. The study conducted by lead researcher Sarah Appleton at Flinders University's Institute of Sleep issued a dire warning on the serious knock-on effects for our waking lives.

"When the alert sounds the temptation to look is enormous, and it is a really difficult problem to manage because it is so pervasive and ingrained in our population."

Even more frightening is sleep-texting, which is the sending of texts while you are asleep. It occurs when you are sleeping with your phone close to you in bed. These messages are more often sent in response to an alert. The chime or alerting sound that would signify a new text message during our wakefulness may similarly prompt our attention during sleep. Replying to a message while asleep may almost be an automatic behavior, but it may not be without errors although autocorrect may help make sense of the reply.

The most important thing to realise is that your entire brain may not be asleep or awake at the same time. It could be akin to sleep-walking or sleep-talking. It is not just teenagers that sleep-text although they are more susceptible. Adults who send a lot of texts during the day and sleep with their phone are also known to sleep-text.

In today's society it's easy to underestimate the importance of a good night's sleep. In particular, it is important to eliminate sleep deprivation. In April, the federal government's inquiry into Sleep Health Awareness found inadequate and interrupted sleep cost the economy \$66.3 billion.

Dr Howard LeWine, Chief Medical Editor of Harvard Health Publications, in summarising the results from the Nurses Health Study, published several tips for getting better sleep.

- \* Remove your mobile from the room and far enough away so you can't hear the alert.
- \* Be sure your bed is comfortable and your bedroom is dark and quiet.
- \* Have a consistent bedtime schedule.
- \* Practice deep breathing, especially increasing the capacity of your upper-lungs.
- \* To decrease middle-of-the-night urination, don't drink any fluids after dinner.

Garth Symington's family teaching Mongolian students water safety and surfing at Angelsea in January 2018.

### **Mongolian Cultural Immersion program**

On January 5<sup>th</sup> a contingent of 8 Mongolian students and 3 female chaperones arrive for a two week stay, departing January 20<sup>th</sup>. We are seeking home hosts for students and chaperones. Chaperones may be home hosted singly but Rotary International decrees students MUST be hosted in pairs. There are four boys and four girls in the group.

The students range in age from 12 – 17 years. The 12 year old boy is the grandson of the contingent leader, Byamba Chultem, who is very experienced in working with young people travelling internationally. Her grandson will be hosted with one of the older students. The ages of the other students range from 14 – 17 years.

The Youth Committee has planned a program comprising day activities, a bus tour along the Great Ocean Road and free time for host families to choose daily activities. The Melbourne students we took to Mongolia in July are invited to join the Mongolian students in all activities.

All members of the host family over the age of 18 years are required to have a Working With Children's Check.

Day activities will include catering for lunches or evening meals. Assistance with catering will also be required. It is another opportunity for RCNB members to meet and interact with the Mongolian group.

The visit by the Mongolian group in January 2018 was very successful with RCNB members contributing where they felt able to.

Ask Jane Pennington, Ian Adams, Bill Oakley, Peter Downton or Estelle Kelly for further details.

### Christmas Hamper Project

Dear Members,

Last year Diane Goetze asked us to support the socially isolated at Christmas time by helping provide a Christmas gift of Toiletries and Food. This Christmas Hamper is a way of showing that people are thinking of them at this difficult time. The response last year was great and we wish to repeat it.

Items requested are Toiletries, non-perishable food and failing this, cash donations are always welcome!

Last year members asked local pharmacies and businesses for samples which was well received.

The Christmas Hamper Project aims to provide 497 hampers to the vulnerable in our community.

Each week from later in October, Hugo will have a box or basket at Club Meetings to collect the toiletry items for the men & women in Kew rooming houses.

Thanks in advance for your help.

Hugo and Diane Goetze

**Dr Andrew Browning**

#### *Maternal health care in Africa- an Australian intervention*

Dr Andrew Browning spent 17 years living with his family in Ethiopia and Tanzania amongst some of the poorest people in the world.

He specialises in treating a devastating birth injury called obstetric fistula. This results from women giving birth at home, without medical help. In labour for four or five days they deliver a stillborn child and the tissues in their pelvis are destroyed, leaving them with large holes (fistula) to their bladder and bowel. Leaking continually they are shunned, depressed and suicidal.

Andrew is one of only a handful of surgeons in the world who have dedicated their lives to helping treat and prevent this. His charity has now built three maternity hospitals in Africa and aims to build many more.

**All funds raised will be used to support Rotary Foundation projects that make lives better in your community and around the world**

- The Rotary Foundation of Rotary International has received 12 consecutive 4-star ratings, the top rating, from Charity Navigator as at January 2019.
- Charity Navigator also rates The Rotary Foundation as Number One in their list of the 10 of the Best Charities Everyone's Heard Of.
- It also received an A+ from Charity Watch its highest rating in 2017 (the most recent rating).
- The Association of American Fundraising Professionals named The Rotary Foundation as the outstanding Foundation for 2016.

# Songs & Stories from the Deep

Water is often used as a metaphor. It is serene and turbulent, deep and shallow, calming and disturbing, pacifying and irritating.

All Directions Community Choir have chosen water as the point of departure to explore what it means to be human and living with a mental illness. We have incorporated some gospel and modern songs that use water as a focal point, and added to these our own original songs, poetry and prose.
