

## MEETING REPORT

### Our Guest Speakerr, Jelena Popovic on the Victorian Koori Court

Jelena Popovic is Deputy Chief Magistrate in Victoria, and Supervising Magistrate of the Victorian Koori Court system.

Jelena showed a video of the Koori court system, explaining that it comes into play for sentencing of an offender, and involves elders, family and cultural considerations in determining an appropriate sentence for an indigenous offender.

There are 9 such courts across Victoria that sentence according to State law, while the focus is on 'restorative justice' which considers the impact of a sentence on the victim, the indigenous community, and the wider community as a whole."

### Drought Relief Program

Great support from all over Victoria continues to roll into our club to further bolster the assistance we are proffering to our drought stricken farmers.

This week's progress –

- Balwyn Rotary Club** – Approved \$50,000 to our fund PLUS their member support for upcoming programs.  
This marks the start of a strong collaborative effort between North Balwyn and Balwyn Rotary Clubs;
- Kerang Rotary Club** – Presented a cheque for \$1,200.
- Community Bags Victoria** – Presented 510 fabric bags for farmers confidential Drought Assistance documents.  
Woodend Community Group presented Brian Thomas and Geoff Kneale with the bags.  
Originally purposed to address the environmental issue of plastic bags, we have now sent these handmade fabric bags to our farmers across Victoria and NSW including St Arnaud, Donald, Wagga Wagga, Wangaratta, Albury, Scone, Tamworth, Deniliquin, Hay, Oakland, Moree et al.
- "Look Over The Fence" Festival**, run by the Victorian Farmers' Federation, RCNB has provided 350 bags for this mental wellbeing festival in the Donald park on Sat 23<sup>rd</sup> Feb;
- Target 500 Books** – The commencement of this fantastic book drive for the children of the Wimmera. Please see article in this Grapevine edition and give generously.

Again, the Drought Relief Program (DRF) is a critical project by our club and is deliberately aimed at being a long term program requiring expansion across our state – particularly towards the middle of this year.

So, stay tuned and stay proactive in supporting our DRF Committee across the myriad of activities.

## MULTI DISTRICT CONFERENCE: A DIFFERENT APPROACH

RC North Balwyn was well represented at Rotary's Multi District Conference at the Melbourne Convention Centre earlier this month.

An innovative approach saw four Victorian based Districts, including our own D9800, combine to present a stimulating program focussing on Rotary activities and areas of direct interest. The theme was *Inspire, Connect, Transform*.

Past RI International President Ian Riseley from the Rotary Club of Sandringham welcomed more than 1,500 delegates and a wide ranging series of informative presentations followed.

The plenary sessions began with a timely review of homelessness by the Lord Mayor of Melbourne, Alderman Sally Capp, a presentation of interest to our Club given our work in this space. Sally Capp made the point that the "stuff" the homeless have in their possession is their most valuable possession and spoke about the development of the council's 'Pathway Innovation Fund' for the homeless and the need to balance 'compliance and caring'.

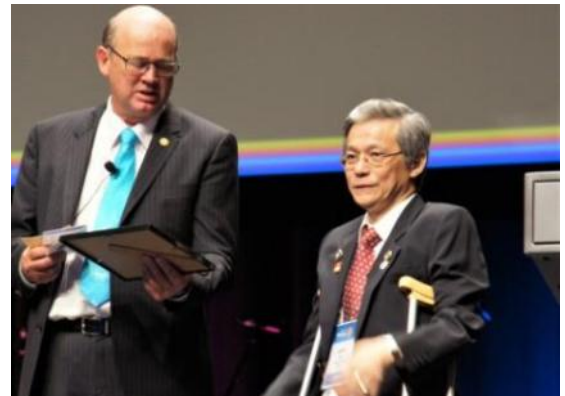

Several Rotary Clubs in D9800 have active programs that address homelessness and Terry Keyhoe and Jane Pennington are associated with a District Committee that is providing support.

Key international speakers included the Chair of the Rotary Peace Centres Committee, Bryn Styles from Canada and Dr Edna Adan Ismael, a humanitarian politician from Somaliland, Africa who

established a maternity hospital in her home country which had been ravaged by civil war. Their contributions, along with that of the Rotary International President's Representative, Stephanie Erchick from Pennsylvania, USA provided international context to Rotary's Global reach.

Other presentations included a personal account by John Soe from Indonesia who contracted polio at an early age and shared his life story with the conference, and a perspective on Leadership in a Male Environment by Victoria's Former Police Commissioner Christine Nixon.

A Peace Building Seminar titled Peace Through Service – the road to harmony – was held ahead of the Multi District Conference. Panellists reviewed Rotary's Peace Programs and the presentations highlighted the links between Rotary's areas of focus and conflict prevention and resolution.

The sessions included presentations on UNICEF's immunisation programs and Nuclear Disarmament as well as other relevant topics.

The Multi District Conference was a departure from D9800's traditional Rotary District Conferences and along with an extensive Rotary showcase provided information on Rotary activity across Victoria as well as nationally and internationally.

Next year D9800 will revert to the traditional District Conference format. The District Governor Elect, Grant Hocking, announced the 2020 District Conference will be held in Bendigo on 27-29 March. RCNB's On to Conference Chair, Greg Cribbes has begun preliminary work on coordinating our participation.

## TARGET 500 BOOKS FOR ST ARNAUD

As part of the Club's Drought Relief Project at St Arnaud, we would like to collect fiction books for teenagers and adults, in good condition, together with DVDs you may no longer have use for.

It has been suggested we do not inundate St Arnaud with more than the Resource Centre can cope with, but we would like to make a start with the collection. Our initial aim is 500 quality books.

Can you help?

Maybe you could bring some suitable books to the Partners night on 28th February.

We would be grateful for your support with this ongoing project.

Jo Wells & Bev Sofra

### Hot Cross Bun Fund-Raiser

Buy your Hot Cross Buns from John Koa's *Bakers Delight* in North Balwyn Village and he will donate \$1.50 to the Club for each 6-Pack sold !

He has *Traditional, Apple & Cinnamon* and new *Cadbury's Dairy Milk Chocolate Chip Buns* and each cost \$7.50 per 6-Pack.

When you buy your buns just tell the *Bakers Delight* staff that you are from the North Balwyn Rotary Club.

*Happy Easter.*

## THE Business of Winning LUNCHEON

“Winning isn’t everything.  
It’s the only thing.”

Friday 15th March, 12noon  
in the MCG Members’ Dining Room

Join us as we take a light-hearted look at “the business of winning” and we learn how it is done from our expert panel. The “Winners Lunch” is 20 years young and enjoys the generous support of Australia’s sporting family as we continue to pursue our vision for “a world without myeloma”.

## Geoff's Health Tip

### Edible Mushrooms for Better Health

Pasta with **mushrooms** is a famous, and delicious part of Italian cuisine.

In particular, the porcini mushroom with its strong nutty flavor is an incredibly popular gourmet mushroom. Like so many other good edible mushrooms, porcini are mycorrhizal.

This means that the underground vegetative growth of the mushroom, called the mycelia, enters into a symbiotic relationship with the roots of plants, and because of this complex relationship that occurs in nature porcini aren't easily cultivated.

- \* Mushrooms belong to the fungi kingdom and represent a distinct type of organism, separate from animals, plants and bacteria.
- \* Mushrooms are prebiotic, boosting our beneficial bacteria such as *Acidophilus* and *Bifidobacterium*, improving digestion and overall health.
- \* Recent independent research shows that certain varieties of mushroom contain our best dietary source of antioxidants, including sulphur-rich ergothioneine and glutathione. Another variety contains selenium, also an antioxidant.
- \* A diet rich in antioxidants helps our bodies withstand normal oxidative stress that damages healthy cells. In addition, mushrooms exposed to UV light are a significant source of vitamin D.
- \* Adding almost any type of edible mushroom to your diet will provide a healthy dose of nutrients, such as protein, fibre, and a complex of vitamins.
- \* Growers at the Collingwood Children's Farmer's Market have an array of different varieties. You will find the growers eager to explain how mushrooms can benefit your health.
