

Club Meeting 30 January

Presidents Report

Dear Members,

[The 2020 21 Rotary International Theme](#) has been announced! President-elect Holger Knaack revealed the 2020-21 presidential theme, *Rotary Opens Opportunities*

We had very enthusiastic Speaker Speaker, Sandi Givens who heads up Manningham's Relay for Life. Sandi gave us a wonderful overview of the event which includes recognition of those who lost their fight with cancer, those who were affected by such losses and the carers who assisted the cancer victims.

The Relay for Life is a continuous cavalcade of events which include music bands, competitions for Best Team Tent, Best Mascot, Best Cross Dressing Participant (didn't seem to appeal to many of the Club Members)

During question time, it became evident that a considerable amount of our gear could be useful to the event and help contain some of their costs.

It was a great pleasure to re-induct John Burley back into our club after an extended period conducting work in Laos and Vanuatu. We have a fast track re-induction for such absences. Welcome back John and Chris!

From the Directors we have the following messages

- * Can volunteers for the Camberwell Sunday Market please consider volunteering for a double shift as this will help reduce the over number of volunteers.
- * Nino is managing the Catering Roster and thanks members for their support. There are a number of events coming up so keep volunteering! The Grand Prix is also approaching in March for which planning meetings are well under-way.

President's Report continued from page 1

- * Bronwen thanked The Club for supporting the North Balwyn Primary School by providing the cost of a bus to take their Chess team to the National Junior Chess Tournament held at the University of Melbourne in December, and that it was not in vain as they won!
- * International Director Rowan is organising a joint Club trip to Vietnam shortly to supply \$20k of furniture to schools in a region and separately help coordinate a visit of a dental team to fluoridate 450 school age children's teeth.
- * The annual Charity Golf Day is coming up on the 21st of Feb – bring wine and money to the next meeting for prizes, and your chance to win on the day!
- * St Arnaud's Harvest Festival is being held this weekend (Feb 1&2) and the Sutherlands and The Sofras will attend to support the event and represent our Drought Relief Project on behalf of our committee who have done such a great job over the last twelve months or more.

DIK is under some pressure in February to pick up goods and load containers. The DIK operation days are Tuesdays and Thursdays and if you can attend and help out at shed 39 400 Somerville Road West Footscray you will be most welcome!

Next week's Speaker is Paul McDonald. Paul is the CEO of Anglicare Victoria, The organisation is renowned for being Australia's leading edge provider to disadvantaged children, young people and families. His previous positions have included Deputy Secretary in the Department of Human Services responsible for the leadership and management of Victoria's Child Protection Services and Youth Justice Program. He also led the Government's response to the heroin overdose crisis that captured Melbourne in the late 1990's to early 2000.

He won, on behalf of the Department of Human Services, the Prime Minister's

Award for his Department's work in harm minimisation during that time.

Have a great week in Rotary

President Pete

Our host for the evening was Past President Jane Pennington who met Sandi last year when The Rotaractors participated in the Relay For Live. Jane advised us that the Rotaractor Membership has grown to around 25!!

Whilst Sandi was trying to convince our Club to participate as group, the sentiment in the room was clearly that of supporting the Rotaractors.

A large team of **Malvern Rotarians** and various members of their families fronted up to the Gardens of Government House on Australia Day to cook and sell "Aussie snags" (with or without onion) and soft drinks, with all money raised to be donated to the Gippsland Emergency Relief Fund. It was heartening to see many people making a donation in addition to purchasing items, and it was interesting to see many international visitors in attendance: we served Chileans, Ethiopians, Germans, English, Italians and Irish people, and I am sure there were many others of whom we didn't get the chance to engage with.

Citizen of the Year 2020, city of Boroondara, Rotarian Ted Wilkins

It was smiles all round at the [City of Boroondara](#) Australia Day Citizenship Ceremony held at [Hawthorn Arts Centre](#) when Mr Ted Wilkins was awarded the 2020 "Citizen of the Year" honour in recognition of his dedicated service history with the [Rotary Club of North Balwyn](#), [North Balwyn Uniting Church](#) Carols in the Park.

The Hon. [Josh Frydenberg](#) eloquently acknowledged Mr Wilkins vast array of achievements in his speech. Dignitaries in attendance included [Tim Smith MP - Member for Kew](#), Georgie Crozier MP, [Paul Hamer MP](#), [Will Fowles MP](#), Mayor [Cr. Cynthia Watson for Maranoa Ward](#) and Cr Garry Thompson. Former award recipient Mrs Jan Dimmick conducted the official welcome to the 132 naturalised citizens as we proudly celebrated our culturally diverse population with residents from 150 countries embedded in the social fabric that constitutes the magnificent Boroondara Community we love.

Well deserved Ted.

Australia Day Honours

Congratulations to the following Rotarians who have been recognised in the 2020 Australia Day Awards.

Past District Governor Julie Mason, a member of the **Rotary Club of Wyndham** and Principal of Baden Powell College was appointed an officer of the Order of Australia (AO) in the Australia Day Honours List for service to the community and to education.

Julie is the District 9800 Learning & Development Chair and also serves as the Zone 8 Assistant Public Image Coordinator for Victoria & Tasmania.

Edward (Ted) Norman Baillieu, a member of the **Rotary Club of Glenferrie**, and former Premier of Victoria was appointed an officer of the Order of Australia (AO) in the Australia Day Honours List for "distinguished service to the people of Victoria and to international engagement". Ted represented the electorate of Hawthorn in the Victorian Legislative Assembly from 1999 to 2014 and was Premier of Victoria from 2010 to 2013.

Reginald Norman (Reg) Smith from the **Rotary Club of Melbourne** was appointed an Order of Australia (OAM) in the Australia Day Honours List for service to youth through intercultural programs.

Rae Merlyn Kingsbury, a member of the **Rotary Club of Castlemaine** and former member of the **Rotary Club of Melbourne** was appointed an officer of the Order of Australia (AO) in the Australia Day Honours List for significant service to the international community of Timor Leste.

PP Gary McClure of the **Rotary Club of Castlemaine** was awarded Citizen of the Year recognition for the Mount Alexander Shire Council. He is pictured wearing his **Rotary** shirt with local Federal member Lisa Chesters

District Governor Grant Hocking

Happy New Year

Welcome to a new year and new decade. I hope everyone enjoyed time with family and friends over the holiday season.

The devastating impact of the recent bushfires on the regional communities is yet to be fully assessed but there is no doubt that there has been tremendous loss in a very short period of time. The Australian and international humanitarian response and generosity have been overwhelming.

Recently I communicated to you all directly by email outlining the activities our District has been undertaking to support bushfire recovery in Victoria and across Australia. Rotary's focus is to be active in where we can in the immediate sense and definitely in the recovery phase. This message is repeated in this edition of Networker and contains donation information.

Over the last month District 9800 has established a **Bushfire Response committee** to coordinate our District response to the bushfires.

Rotary has an ongoing presence through existing Clubs and Districts together with strong community partnerships across the affected regions. We are well placed to take the lead and provide support for families and communities in need. We will be coordinating our efforts (financial and logistical) with the impacted Districts to ensure that all communities are supported.

Through our networks and partnerships, we have already secured support from many areas.

- * Bendigo Bank has partnered with Rotary International District 9800 to establish an appeal with 100% of donated funds going directly to affected communities.
- * CUB has made a \$250,000 donation and on the Australia Day weekend donated kegs of VB to its outlets with all proceeds going to bushfire efforts
- * Personal protective masks (500,000) were donated by Direct Relief (US) through Rotary connections to RC Melbourne and are being distributed all across Australia to emergency agencies and communities.
- * Very recently the Victorian Transport Authority (VTA) has made available hundreds of shipping containers which will be very useful for homes needing to secure items needed for the rebuilding/recovery efforts.
- * Many Rotary clubs are already donating funds to our funds, the RAWCS fund and the D9820 fund as well as contacting Rotary clubs in the affected areas.

I am truly appreciative of the support we are receiving from Rotarians, Rotary clubs and our partners. To coordinate and maximise our response to those communities and ensure it is based on identified needs from those communities. **We need to have a record of all efforts from Rotarians and clubs in our district. Please contact PDG Jim Studebaker with information about your recent efforts and any plans for or to discuss future relief efforts (jimstude@bigpond.net.au or 0413 304 864).**

A Bushfire Business Breakfast is being organised for Wednesday 19th February at Hyatt Place, Essendon Fields, and is a great opportunity to make a contribution and help raise funds. As you read this you should start seeing the invitations to this event.

Geoff's Health Tip**We Now Have the Evidence - Dark Green Vegetables and Tea
Significantly Lower Alzheimer Dementia Risk**

Researchers from the Rush Institute of Healthy Ageing, Chicago, USA recently published the results of a study linking dietary flavonols, which are components of many fruits, vegetables, and tea, to a significantly lower risk of developing Alzheimer Disease.

- * It was found that those who reported diets highest in the flavonol, kaempferol, had a 48% lower risk in developing Alzheimers Disease than those who consumed the lowest level of kaempferol.
- * Beans, spinach, kale, apples, olive oil, tomatoes, black and green tea are among the richest sources of kaempferol.

The study involving 921 participants commenced in 1997. The participants, now with a mean age of 81 years, were community-dwelling seniors living in the Chicago area. At baseline they were all free from Alzheimer dementia, but over the intervening years 220 participants developed Alzheimer Disease. Alzheimer's Disease is the most common form of dementia.

After adjusting for age, sex, education, late-life cognitive activity, and physical activity, the results were consistent with earlier research that showed a similar result.

Alzheimer Disease represents a huge public health concern, and results of such significance as this trial should be widely publicised.

The take home message: Eat your fruit and vegetables, particularly dark leafy greens, and berries and drink some tea and a glass of red every now and then.

Geoff

Proceeds from the Camberwell Sunday Market over two Sundays in January collected \$12,570 for Rotary's Bushfire Relief Fund - a great effort by our Cluster Clubs.

Direct Relief, a non-profit disaster relief organisation based in Santa Barbara have just shipped 24 pallets containing 97,500 face masks for people in bushfire areas needing protection from smoke inhalation & they're now at Rotary DIK in West Footscray, Victoria, for redistribution.

Because of the swift action of Rotarians more than a third of these were delivered on the ground on January 15th to North Eastern Victoria and East Gippsland! The others are destined to go to volunteer fire fighters and the Red Cross early the following week. As the community need for more masks becomes clearer, Direct Relief has promised to ship more. Thanks to Direct Relief and Rotarians in California!!!
