BACK TO SCHOOL EDUCATION IN NEPAL

The objective of the project is to address educational disparities in Nepal, focusing on Siraha and Udayapur districts.

Specifically, the project aims to bring children who have dropped out of school back into the education system, support their education up to the secondary level, and enroll those who have never attended school.

This initiative will create a conducive learning environment through pre-school tuition and mentoring support, with a focus on marginalized communities such as Dalit, Muslim, and ethnic groups.

KEY INITIATIVES SUMMARY

- 1. Back to School Programs:** Enabling access to education for all children from disadvantaged backgrounds in Siraha and Udaypur
- 2. Water, Sanitation, and Hygiene (WASH) Improvements:** Creating a conducive learning environment by ensuring access to clean water and sanitation facilities.
- 3. Teacher Training and Capacity-Building Workshops:** Equipping educators with the skills and resources they need to deliver quality education

TARGET AREAS

1. Lahan Municipality, Siraha District
2. Triyuga Municipality, Udayapur District

President Sunil Shakya with Education Coordinator of Lahan Municipality

Janapremi secondary School, Udayapur

TARGET SCHOOLS

- Four schools within the targeted municipalities are selected based on their high concentration of vulnerable groups.
- Janata Basic School, Lahan Municipality
- Shree Babaji Rajaji Secondary School, Lahan 13
- Churiya Mai Basic School, ward 13, Mohanpur, Udayapur
- Janapremi secondary School, Udayapur

PROJECT IMPLEMENTATION PARTNERS:

- [Dalit Jana Kalyan Yuba Club](#), Lahan

(DJKYC) is a registered social development organization based in Lahan Municipality Ward No. 10, Gudigaw. Founded by Dalit youths in 2000, DJKYC is dedicated to empowering the Dalit community through various campaigns and advocacy efforts. These include rights-based initiatives such as workshops, trainings, rallies, and advocacy for social justice. With a strong presence at the community level and recognition from district and municipal stakeholders, including the District Education Office and District Administration Office of Siraha district, DJKYC plays a vital role in addressing the needs and concerns of the Dalit population. Through its active engagement and advocacy, DJKYC strives to bring about positive change and upliftment for Dalits in the region.

- Social Transformation Nepal, Udaypur

(STN) in Udayapur is a dynamic organization dedicated to catalyzing social change and empowerment. With a focus on community-driven initiatives, STN actively engages in projects and campaigns aimed at uplifting marginalized groups and fostering social justice. Through strategic advocacy, workshops, and grassroots interventions, STN works tirelessly to address the pressing issues facing the region. Recognized for its impactful work by local stakeholders and communities, STN stands as a beacon of hope and progress in Udayapur, driving meaningful transformation for all.

PROJECT PHASES:

- **Phase 1: June 2024 - March 2025**

- 1. Back to School (June-August):**

1. Finalization of dropped-out children profiles and non-school going children.
2. Selection and training of mentors (1 mentor for every 10 children).
3. Tuition and coaching support to children by mentors.
4. Provision of classroom furniture, student packs, learning materials, and sports equipment.

- 2. WASH Facilities & Sanitation (July-September):**

1. Repair and maintenance of toilets.
2. Installation of sanitary machines and pad disposal areas.
3. Provision of soap and filters.

- 3. Teacher Training (October-December):**

1. Training sessions conducted by Phase Nepal for quality teaching and learning.

**Phase 2: April 2025 -
March 2026**

**Replication of Phase 1
Activities:**

Back to School initiatives, WASH facilities, and teacher training extended to two additional schools in the districts.

- **Phase 3: April 2026 - June 2026**

- 1. Teaching Aid Extension:**

1. Provide teaching aids such as whiteboards, educational posters, maps, and globes to enhance the learning environment.
2. Ensure cultural relevance and literacy promotion through reading materials, library resources, and educational games.
3. Equip schools with audio-visual learning tools, science kits, math manipulatives, and early childhood teaching kits.

PROJECT MONITORING AND EVALUATION:

- Regular monitoring and evaluation of project activities conducted by implementing partners.
- Data collection on enrollment rates, attendance, academic performance, and sanitation improvements.
- Coordination with local authorities, schools, and community leaders for feedback and support.

ACTIVITIES TIMELINE: Phase 1

[illegible]

COMMUNITY ENGAGEMENT AND EMPOWERMENT:

- Conduct community meetings, workshops, and awareness campaigns to involve local communities.
- Provide capacity-building support to mentors, teachers, and school administrators.
- Foster ownership and sustainability through active participation of community members.

REPORTING AND DOCUMENTATION:

- Maintain accurate records of project activities, expenditures, and outcomes.
- Prepare progress reports and contribute to project documentation efforts.
- Share project success stories through various media channels for visibility and knowledge sharing.

PROJECT FINANCING:

BACK TO SCHOOL
