

**The Rotary Club of Flemington Inc. Club Number 24401—Chartered 5 March 1987**

As we run up to the final week of preparations before the Gala Opening to the Art Show, I am amazed at the amount of work put in by some of our members. This Art Show could not have even progressed this far without an immense contribution by Anne McMahon, Allan Bruno, Anne Heyes and Ted Frank.

Thanks must also go to Shradd Sharma, a new member, who worked with Anne Heyes to obtain Silent Auction prizes.

Rob Lawrence and daughter Kate helped Anne McMahon with Gallery247 website issues, Susan Dang has supported with website and admin tasks, John Heyes has been a wonderful support and Len Seddon, Peter Donnellan, Beate McManus, Peter Cribb and Mick Lawn have contributed in sponsorship and silent auction items.

That still leaves a number of members who have the opportunity to assist on Wednesday, Thursday and Friday {given work restrictions} and on Saturday and Sunday at the show itself. Please let Anne McMahon know when you can participate, even if for just a couple of hours.

Ticket sales for the Gala Opening have been slow—all members can book online at Gallery 247 <https://flemingtonartshow.com.au/event/39783/gala-evening> or ring Anne and confirm your attendance at a concession rate. Bring a friend, family members, your neighbours, work colleague and partners.

Simon Peterson from Pepper Café is catering for the gala and we know how good his food is. 4 students from MAC will be assisting with waiting on the night—make sure you chat to them.

Anne has loaded previews of all the Art Works onto the Gallery so you can have a look now and see what tempts you. Also, check out the Silent Auction items, there are some magnificent items on offer. The MVRC and VRC packages are in my mind now.

**We should have a story in this weeks Moonee Valley Leader—keep an eye open for it.**

**STOP PRESS:**

Our meeting on Wednesday 2nd October will be at Kensington Town Hall **NOT** Crown Street Stables. Fines for those who go to Crown Street—Jonathan is taking names for me!

*Lesley McCarthy President 2018-2020*

## **Meeting Report Wednesday 18th September 2019**

It was lovely to welcome Ginny Billson, Past President of the Rotary Club of Keilor East to our meeting this week. Ginny and I have been Presidents together as well as meeting up regularly at events.

We were delighted to welcome Bec Yandell to speak to us about One Girl, and to welcome back David and John Heyes.

Apologies were received from Chris Brock, Peter Donnellan, Josie Magri, Beate McManus, Lorry Rowe, Matiu Bush, Rachel Antonik, Rob Lawrence and Shradd Sharma.

Lesley distributed copies of this edition of Flem-Ken News with articles about our activities.

She then asked for reports:

### **Anne McMahon Art Show**

Over 365 entries received and a large range of work.

Over 100 local community works from schools & the Neighbourhood house.

Excellent Silent Auctions prizes and thank you to Ted Frank and Anne Heyes for their efforts.

Volunteers are needed Wednesday to Sunday—please put your name down for when you can assist.

Members are encouraged to purchase their tickets to the Gala asap for catering.

### **Lyn Borghouts Flyer Distribution for Kensington Garden Show**

Volunteers are needed to letterbox flyers for the Kensington Garden Show. We have just a small area of Kensington to deliver to. The flyers are advertising our Rotary Art Show as well as the Kensington Community Gardens Festival 26-27 October.

### **Allan Bruno Ascot Vale West PS Sensory Garden**

Thanks to members the Sensory Garden is done. 3 Wicking beds & a Buddy Bench/Friendship Seat are installed. Bunnings will donate some plants and another session will be arranged to have the teachers & students plant the plants. Lesley was successful in applying for a Foundation, Grant to assist.

### **Peter Cribb Rotary Overseas Recycled Playgrounds**

The second playground has now been sent to Balibao.

Another 2 playgrounds have been installed in Sri Lanka and we have lots of playgrounds being donated & pulled out by Rotary clubs. Over 30 Rotary Clubs are involved. There are more requests for playgrounds and more to donate. The plans and markups are all being done by Lyn Borghouts and are being used in the installations. Lesley has applied for recognition as a District Endorsed Program. Today's Herald Sun has an article about the importance of playgrounds.

A special mention was made to John Sklenar today. He travelled all the way from Point Cook in dreadful traffic due to an accident. Was at the meeting for just 15 minutes then had to leave to get to Bacchus Marsh for work. Gold medal John!!

### **Guest Speaker Bec Yandell—One Girl**

What a breath of fresh air and such a great speaker is Bec Yandell. Her off the cuff presentation, without visual aids or a presentation was outstanding.

Bec gave us a riveting, enlightening speech, on the importance of Education and opportunity of education for girls. She reminded us all, of how lucky we are to have access to education.

Bec explained how **ONE GIRL** concentrates on 2 Countries in Africa—Sierra Leone, & Uganda. They are the 2 worst places to born if you are girl. If a family has money, the boys are always given preference over girls to attend school. If Girls do get the rare opportunity to go to a school, they must sit on the floor, at the back of the class and are not allowed to ask questions. All the teachers are male.

In Sierra Leone and Uganda the schools have no toilets and no running water. Girls can't attend school when they have their periods and have to walk home to go to the toilet. House hold poverty also prevents girls attending school. By 14 years of age girls are more likely to be married and bearing children, than attending High school. There are few female role models.

Educating Girls, is one of the best ways to fight poverty and climate change. Women are the protectors of the environment, and educated women have fewer children. This year 2019, One Girl has raised over \$ 200,000

#### **One Girl's Mission :**

Imagine a world where all girls have access to quality education. A world where all girls — no matter where they are born or how much money they have — enjoy the same rights and opportunities as boys. A world where every girl has the chance to be the best she can be.

We believe we can create this world using the power of education. We believe we can create this world using the power of education. Because educating girls is the number one way to fight climate change, to reduce poverty, and to create a fair and sustainable planet! When you educate a girl, everything changes. Her health, status, income, and entire future changes for the better, and she'll go on to educate her family and community. The ripple effects are incredible – and best of all, everyone in her community will benefit.

Only 16% of girls in Uganda and Sierra Leone ever complete high school. But when you educate a girl, her income will increase by 10–25% for every year she stays in school. She'll get married when she chooses to, be able to think for herself, have control over her own income, and break the cycle of poverty. The power of education creates immediate and long-lasting change. That's why at One Girl, education is at the core of everything that we do.

**The One Girl Foundation**, started when a young girl knocked on a door of a Youth Hostel, asking for \$ to go to high school. The one Australian girl, there gave this one girl, money to go on to High school.

One Girl now employ 13 staff, 9 in Melbourne., 2 in Sierra Leone, and 2 in Uganda.

By having staff on the ground, in the 2 African countries, all the \$ sent goes to the correct cause, for girls education.

One GIRL promote health and menstrual hygiene. They sponsor girls to complete school. Teacher Scholarships are provide for female teachers, to complete their qualifications.

Please go to <https://www.onegirl.org.au/our-impact> to Understand the achievements of ONE GIRL.

#### **Their motto is DO It IN A DRESS—So put on a Dress And support ONE GIRL.**

Flemington Kensington Rotary will organise a BBQ at Bunnings, to Raise \$ for ONE GIRL

At our Flemington Kensington Rotary Art Show weekend, 4th -6th Oct., we will have a donations box, for One GIRL. Bec will bring a Banner & literature to the Art Show. Allan Bruno has volunteered to wear a dress. Bec will bring the dresses she has about 20 school dresses in a variety of Adult sizes.

## ***Rotary Overseas Recycled Playgrounds Update***

The formal opening ceremony of Playground Equipment for a very remote school in Anuradhapura took place yesterday at around 11.30am. The photos are a clear indication as to how much the children of this school enjoyed using this equipment which they took to use them immediately after the formal opening ceremony. This is a true testament as to how much your act of kindness with the help of the donor of the equipment has benefited these deserving school children.

This particular school currently has 30 children and conduct classes from Grade 1 to 5 (6 to 10 years of age) The potential of number of students to increase is great. Joy in the faces of the children cannot be expressed as they have never seen equipment of this nature.

Another playground, this one extracted from Club Marriott has been installed at Mualtivu Pre School

This playground was extracted with the assistance of the Dandenong Valley Car Club and the installation was undertaken by the Sri Lankan army.

### Do you have ideas to help reduce waste? Community grants available now:

Applications are now open for City of Melbourne's Waste Minimisation and Innovation Fund. We want to support and stimulate creativity and innovation to enable a future where our city produces less waste, and maximises the life of materials through reuse, recycling and recovery. The fund is a key commitment of our [Waste and Resource Recovery Strategy 2030](#).

There will be two categories:

- A stream available for schools, community groups, residents groups and non-profit organisations. Grants of up to \$5,000 will be available.
- A stream for start-ups (including social enterprise start-ups) and universities (including researchers and students). Grants of up to \$25,000 will be available.

Further information can be accessed at [melbourne.vic.gov.au/about-melbourne/sustainability/pages/waste-minimisation-innovation-fund-2019.aspx](http://melbourne.vic.gov.au/about-melbourne/sustainability/pages/waste-minimisation-innovation-fund-2019.aspx)

The funding application period will be open from **23 September to 16 October 2019**, with successful applicants announced in late November 2019.

Please share this information with your networks.
