

THE 1000 STORIES PROJECT

Providing books for children 3 months to 5 years from disadvantaged and refugee backgrounds in the Ascot Vale, Flemingington & Kensington area, through Maternal & Child Health Nurse visits.

For many of these children, books in the home are rare; and results in them starting school without the recommended *1,000 Books before school* or 5,000-word vocabulary identified as a necessary learning base.

Can you help us with good condition used books?

Labelled books may be dropped off at one of our Op Shops:
444 Racecourse Road Flemingington or
135 Railway Avenue Werribee or call for pick up
