A sunrise hot air balloon flight for approximately one hour over Mansfield.

Enjoy a truly remarkable experience of a sunrise hot air balloon flight in Mansfield - one of the world's most picturesque flying regions.

It starts with an alarm; that familiar shrill that drags you from bed and dares you to meet the dawn. Today is different. Your adventure starts before the city stirs. Birdsong begins as balloons inflate and you find yourself drawn to the heat of the flame. For an hour, it's just you and the sky. This is what freedom feels like; you have nowhere to be but here. Mansfield is just waking up – and you've already crossed something off your bucket list.
