RORP has been busy with PG's removed from Richmond and 11 PG's were packed into a container on Saturday for sending to Fiji. The cluster arrangement continues to be a success (there were about 20 rotary members present for the container packing last Saturday from various clubs). Thanks to Jerzy and Mark H for there help in representing Glenferrie at the container loading

Our committee member, Amelia Anderson, is exploring a rotary project involving the support of neonatal needs in PNG. More information to follow.
