## Today's Competition Rules

Even though we are running a hole in one competition today, the normal rules as laid down by the Royal & Ancient Golf Club of St Andrews will apply. If you're in any doubt about any aspect of these rules, please ask one of the competition officials and they'll be happy to help.

## Hole In One Competition Rules

When you make your attempt at the hole in one hole, please make sure that one of our competition officials is there to witness it. There will be a supervising Marshall at each prize hole. Each player is entitled to one shot at the hole at each prize.

Practice shots are not permitted, though practice swings are fine. Should you make a hole in one on the prize hole you must continue and complete the round in order to be eligible for the prize.
