Dear Senator Kelly,

I am a Verde Valley School staff member and am writing on behalf of Afsana Nawrozi, a high school senior from Afghanistan. Afsana has been accepted to our high school here in Sedona, Arizona, yet cannot come to the US because of problems with her visa. Due to the deteriorating situation in Afghanistan, Afsana recently fled to Pakistan where she is now waiting for her visa. This visa, though previously approved, was recently put in "administrative review". She is stuck in Pakistan without family or friends and desperately wants to join us at our school. Since classes began on September 1st, each day that passes puts Afsana further behind in school and prolongs what is a very stressful and uncertain situation for her.

Everyone here at our school is engaged in a letter writing campaign on Afsana's behalf. We urge you to contact the US Embassy in Pakistan and use your influence to fast track her visa for approval. I know that you are very busy and will appreciate anything you can do to help Afsana.

Afsana's information is as follows:

Full Name: Afsana Nawrozi
Passport Number: P02617808
Case Number: AA00A2X5FJ
Interview date: 13 July, 2021

If you have any further questions about Afsana or her situation, please feel free to contact our Director of Admissions Kim Hollingsworth at 928-308-2743.

Sincerely,

Verde Valley School
