

# FLAGS FOR HEROES

The Rotary Club of Montgomery/Rocky Hill invites you to visit the Flags for Heroes display in front of Montgomery High School at 1016 Rt. 601, Skillman. 250 full-size flags are on display from December 5-15. Each flag honors someone's hero... including veterans, teachers, parents, and others.

We invite you to come walk among the flags, read the medallions displayed on each flag and discover who is being honored and why. Take a moment to think about the heroes in your own life. The flags will also serve as a spectacular welcome to the Wreaths Across America convoy when it arrives at MHS on December 12.

## WHEN VISITING:

- Please park in the Montgomery High School parking lot. Do not park along Route 601.
- Flags are arranged first by group dedications, then alphabetically by honorees name.
- Flag are also arranged numerically, the medallions include the corresponding number shown on this list.
