

# HOT AIR

3 October 2019

## Brad's Broadcast

This October is going to be another exciting month, with many in the club heading to Longreach for the Royal Flying Doctors (RFDS) Ball and to tour around this historic region. We also have a fellowship social pizza night for members and guests and the Rotary city cluster has its "lift the lid" ball. And our services event this month is Margot's Walk for Awareness. And importantly our special Pride of Workmanship award breakfast, on 24 October which encourage you to please support.

Continuing with the theme of "growing our club", October is dedicated to "bring a friend" month. And we ask every member to invite at least one family, friend, work mate along to one of our famous BHR breakfast club at the Marriott. And this is extended to any past Rotarians or Rotaractors which we are going through our archives to contact.

And again to grow the club, and catering for potential members who are unable to make our breakfast club regularly, but still love to be part of Brisbane High-Rise, we are trialling a quarterly evening meeting format which will complement our weekly breakfast club meetings. This will be more an informal light drinks/nibbles networking format, held at an attractive and accessible city CBD Valley bars from 5pm to 7pm mid-week. We encourage family and friends of Rotary and local community and business houses to attend. We are in discussion with our City Cluster Rotary clubs, to see if we extend the invite.

More specifics in the next newsletter.

Lastly, please really get behind this week's special and informative breakfast speaker Paul Coughlan as he talks about the successful new Brisbane airport runway that opens soon and opportunities the extended airport capacity will bring to the city.

Warm regards

Brad

Birenda Sunar from the Children's Welfare Centre in Nepal was able to update members on the growth and programs of the Centre. Birenda is a past student of the school and now Manager of the Centre. It was a proud moment hearing about Man Kumar's academic success. His secondary schooling was sponsored by High Rise and he achieved the top ranking in his final exams. Birenda was accompanied by Penny French, member of Aspley RC, President and Sponsorship Convenor for the Childrens Welfare Centre in Australia.

# Riverfire 2019

Riverfire has become a tradition for High-Rise. It's a time we relax and enjoy Rotary fellowship on this beautiful reach of the river as the city lights up for the Brisbane Festival closing. It was a fantastic evening hosted by Queensland's Maritime Museum. About 30 members, family and friends enjoyed good food, great company and the spectacle of Riverfire. Great to have Africa and Harry join us while Bill and Noela are still overseas. Also Susan's friends the Macuga family who introduced their Terrace exchange student, Kohei to Riverfire. Kohei hails from Japan. And a huge thank you to Maggie Goodman for manning reception with Rob Tillmanns.

## BARB'S JOKE CORNER

The new draftee refused to march with his squad. Instead, he rode his invisible motorcycle beside them while making motorcycle noises. After a few weeks of this and several psychiatric exams, he was given a discharge. He rode his Hog to the main gate, propped it up on its invisible stand and walked out. "Hey," called the gate guard. "You forgot your bike."  
"No," replied the draftee, "I'm leaving it for the next guy who wants to get out."
