WENDY'S WISDOM

A couple of weeks ago John and Kay Kerr, Barbara and John Leddy and I spent some time together at Maroochydore with 350 other Rotarians – It was the District 9600 Conference.

I went back this year because the first experience was a good one. This year similarly. It's interesting to meet people with like values and to learn together – the speakers were outstanding and diverse. For example we heard from Vivianne Dawalabi, a 1981 Nobel peace prize recipient for the work she has done around the world in refugee camps. She has now established Wellness Centres on the Sunshine Coast and we heard from Erica Rose Jeffrey who had us all involved in her session. She's a Peace Fellow working in dance for Peace outcomes. We built new friendships, learnt and gained some more motivation for those days when getting up early seems just a bit difficult.

Less than two months to go till the International Convention in Sydney – June 1-4.

I learnt a bit more about John K too – He's been a Rotarian for 45 years, went to RYLA 50 years ago and he can be stubborn - took longer to open a menthos lolly than anyone else I've ever seen.

At the same time some of you were setting up the Art Show (won't be a clash next year as the Conference is in May). The Art Show is still on as we meet this week and I'm hoping that if you haven't been able to volunteer then you have found time to visit – it really is a great event, and a major fundraiser for us.

INTERNATIONAL TOAST

This week we toast the Rotary Club of Honiara in our own District of 9600. They meet every Tuesday at 5.30 at the Flamingo Room at the Honiara Hotel. No doubt they will be at the forefront of the disaster response and clean up from the recent flooding. We wish them well.
