WENDY'S WISDOM / ANGELA'S ANGLE

It is back to school week for those of us who have young people in our lives. That transition from lazy holiday to structured work environment is never easy. They are hard life lesson to learn and adapt to. Melanie's great talk last week gave us an insight into how to keep things in perspective and persevere. Very useful lessons for the first day back at school or starting a new job. It never ceases to amaze me that many of our most memorable talks have come from our own members. I am looking forward to President Wendy returning and seeing how she adapts after her extended holiday throughout Africa. No doubt she will need all the resilience she can muster.

We have another few members talks coming up which is great. However, next week you can sleep in save your money so you can donate it at the Waitangi Day Lunch – looking forward to seeing you all there!!!

District Governor - Trevor Update

Trevor is progressing well and it is anticipated that he will be home on Wednesday this week. He will still need to continue ongoing rehabilitation sessions once he is home for some time. Hopefully it will not be too much longer before Trevor will be participating in Rotary activities. Robyn and Trevor thank everyone for their thoughts and prayers during these last two months.

Regards

Few names are more synonymous in the world of Rugby, than larger than life sporting icon, Chris "Buddha" Handy. Former Wallaby prop forward, 'Buddha' Handy created mayhem on world rugby fields with uncompromising and rugged play, lifting the Bledisloe Cup in victory on two occasions against the All Blacks. An expert commentator, Buddha's wide and varied following is a testament to his ability to convey the excitement and emotion of the big game to millions of people. Whether he is describing a player as having a "face like a squashed grape" or the All Blacks as being "like 15 mongrel dogs outside a butcher's shop", his quips are patriotic, passionate and a much loved part of rugby's texture.

BoysTown

Fresh start.
New hope.

Supporting

BoysTown assists marginalized youth. Last year, 3,506 disadvantaged young people were placed in employment. This followed opportunities to learn new skills, develop individual strengths and participate in job placement activities. As the beneficiary of this Event your support will make that all important difference for young Australians and young New Zealanders striving to be the best they can be. Many of these young men and women will benefit by the support you give.
