

HOT AIR

3 October 2019

Brad's Broadcast

A big thanks to our club for supporting our key speaker Paul Coughlan, Project Director for the new Brisbane Airport runway which opens next year. Paul spoke about world best practice initiatives that the airport adopted to significantly reduce the time and costs of the runway. He also outlined how critical the expanded runway is to not only Brisbane city but also particularly to the regional towns of Queensland.

We had over 35 attend our BHR breakfast club and was pleasing of the support from our New Farm and Brisbane Club Rotarians. As well as new faces from advertising the BHR speaker program.

Paul Coughlan will conduct another update on the airport runway early next year and kindly offered our club a vocational breakfast tour around the runway and the VIP viewing area. So watch out for this one.

BHR also supported Margot's 8km Walk for Awareness on Sunday on a beautiful Brisbane Spring day morning. They had over 3,000 walkers and raises funds for the mental awareness foundation.

Remember that this month is "bring a friend, work mate" Club Membership drive month...how is your planning going?

It is critical to support growing our club and you getting the most out of your membership by attending our many fantastic club options...great breakfast and evening formats with great speakers and fellowship opportunities and trips away. And actively participating in our community service projects, like another Albert Park working bee on coming up on 19th, and fellowship social events.

We have some fantastic events coming up including Rotary "Lift the Lid" ball this Saturday night (see flyer below for tickets), next weeks breakfast speaker Julie Salisbury TMR drivers guest speaker (10th) and our clubs Fellowship social pizza night (16th). We will have our inaugural evening meeting format involving the Rotary cluster announced soon.

Exciting news that a number of club members, including myself are off to Longreach for the Royal Flying Doctors Ball and to support the important RFDS "field day" visits which provide physical and mental check ups for regional towns around Queensland.

Date	DIARY DATES
18 October	Fellowship Dinner - Pizza Night
19 October	Albert Park FLC Working Bee
26 October	FashionAble fashion parade
31 Oct	No Breakfast Meeting

Last week's meeting

Guest speaker was Paul Coughlan, Project Director for the new Brisbane Airport runway. His excellent presentation brought us up to date on this huge project and the positive impact on Queensland's air travelers and the tourism industry. Club Presidents Denise Buckby of New Farm Rotary and Michael Stephens from the Brisbane Club joined us for this informative meeting along with Chi-chicherry Keister, Brisbane Club's newest member.

Mamba School Update

Completion of the School Hall and Community facility paused for a while after this photo in January. Glass for windows and doors needed to be fitted and external walls rendered then painted. It is all underway now and should be finished by the end of the month.

High-Rise members are proud of our 10 year project and the positive impact on students, reflected in their vastly improved academic and social results.

Traveling Club Members

Greetings from Wasserburg at the River Inn in Bavaria and from the Munich Oktoberfest.
Cheers to all, Frank

		9 - 16	Art Show		

BARB'S JOKE CORNER

As she slid behind the wheel for her first driving lesson, my daughter couldn't contain her excitement.

"You need to make adjustments so the car is comfortable for you, the driver," I began. "Now, what's the first thing you should do?"

"Change the radio station," she said
