Welcome to the New Rotary Year

## Brad's Broadcast

Greetings Brisbane High Rise members. It is a great honour that I continue the journey of so many past Rotary presidents in our successful club. We will continue to provide a high quality service to provide a better life for those less fortunate in both our community, across our great country and also globally. Our Club will continue to be based on strong fellowship, fun, support and genuine mateship that bonds us as a family.

Firstly, congratulations President Kym on such a successful and enormous year. I would like to thank all the members and family, friends that made our Change Over dinner so enjoyable and a big thanks to Margot, Rosemary and Kym on their efforts behind the scenes for the dinner. Kym presented recognition awards for outstanding service. I would like to also add my congratulations to John Ker for 50 years of dedication and service in Rotary, an awesome achievement. Congratulations to our two new double Sapphire Paul Harris Fellows - Bill Phillips and Lindsay Marshall. Bill and Noela Phillips were also presented with the 2019 inaugural and prestigious Rotary BHR Member of the Year trophy. A special thanks to Deb Le Garde for her weekly dedication to bringing a smile for Villa Maria residents with new magazines kindly donated by Woolworths. Over \$20,000 value of magazines have been distributed.

The main focus of the BHR Board and my year will be to consolidate on the great work done and develop a 2-3 year strategic plan, which will be aligned with the community and charities' needs. The Board will develop our Club's strategy with the help of the members. Directors will provide a short overview of their portfolio aims and strategies and will report and communicate the achievements of our Club throughout the year.

Thanks again for your support and experience, which I will draw on, so we all have some fun and success over the coming year.

Warm regards  
President Brad

## LAST WEEK'S MEETING

Last week there was a make up table at the Marriott, hosted by Lindsay. This time a few friends joined him and enjoyed a "healthy" breakfast. Stella made a point of farwelling Tiina in style.

## FAREWELL TO TIINA

On a wet Saturday afternoon, after a final flat white, Tiina started on her 30 hour journey home back to Oulo in Finland. Achieving the impossible of no excess baggage, but wearing two jumpers and a coat, she was a sad, forlorn, but well padded figure. Many tears were shed and promises to catch up in Finland from the farewell party – the Marshalls, Haberley Family, Tillmanns and Maggie Goodman. We wish Tiina well in the next stage of her life.

# A Great Changeover Night

It was a great night with members and friends learning more about the RFDS through trialing a virtual tour of a plane and hearing about the great innovations in rural health services from the guest speaker, Trent Dean of the RFDS. Russell did a wonderful job of MC'ing the night with the changeover of Presidents, from Kym to Brad. Kym did some great presentations outlining the highlights of the year and recognizing contributions from all members. Special recognition went to John Ker for 50 years service to Rotary, PHFs were bestowed on Lindsay Marshall and Bill Phillips. Lindsay was recognized for the huge contribution he makes through being Treasurer and providing such a great welcome at every meeting, plus his willingness to get involved in every major project the Club undertakes (Youth Exchange, Science Forum, Vascolynna, Maheno visits and many more). Rotarian of the Year was Bill and Noela Phillips for their contribution to the Rotary Art Show, supporting Vascolynna, St Judes Breakfast, Mamba renovations and the African trip that reinforced the broad rotary networks we have with Tanzania. The night concluded with Brad outlining his vision for the year ahead and the introduction of the new Board (see final page). Tiina also bid us farewell as she was due to fly home the next day. Thank you to Nicole Bishop, Kym, Lindsay and Brad for their photos.
