Peace and Conflict Prevention/Resolution Month

Brisbane High-Rise

Kym's Catch Up

It's great to see High-Rise planning a painting bee at Albert Park FLC next week (pop it in your diaries!). This is one of a couple of activities we are involved in with school at the moment.

Albert Park is widening their community connection by hosting a delegation from the 'Ship for World Youth', which is docking in Brisbane on Friday. The SWY program is funded by the Japanese government and invests in young global leaders, preparing them to work and thrive in globalised, diverse communities.

I have been asked to speak to the delegation on behalf of the club, about our involvement with Albert Park over the years. I am looking forward to - if you'd like to come along please let me know. The program runs from 12pm to about 3pm.

We are also donating \$20 on behalf of our speakers to the school for resources. This amount adds up quickly over 6 months and we will making a donation in July.

It is such a positive connection we have built with Albert Park over many years and a pleasure to support young people who need a hand up not a hand out!

President Kym

WORKING BEE

ALBERT PARK FLEXIBLE LEARNING CENTRE

One of the major themes of the 2020 Strategy Plan is 'collaboration' to combine limited resources to maximise leverage for our charities and projects. This includes partnering with other Rotary clubs. It also provides the opportunity to meet new friends and networks. Both our Brisbane High-Rise and the Toowong club have been assisting the Albert Park Flexible Learning Centre for a number of years and our clubs are now working together on a combined 3 year plan to best service the needs of the school.

To kick of the 2019 service projects please spare some time to support the Green Thumb gardening project

- Date: Saturday 23 February
- Time: 8.00am to 12 noon
- Location: Albert Park School Milton
- Bring: Hat, Sunscreen, Water, Gloves, Gardening tools(some supplied)

Barb's Joke Corner

A tourist was visiting a small village in Newfoundland.
He approached a local person and asked, "What's the
quickest way to Marystown?"

The local, scratched his head,
"Are ya walkin' er drivin'?" he asked the stranger.

"I'm driving," said the stranger.
"Well, that's the quickest way."

They say we learn from our mistakes. That's why I'm
deliberately making as many as possible
Soon I'll be a genius!
