Kym's Catch Up

A very big thank from the club to everyone involved in making our St Jude's fundraising breakfast a success. It was a wonderful example of what we can achieve together.

Simon Sinek says "We can't be everything to everyone, but we can be something to someone...even a lot of someones..." I'm sure there a lot of someones at St Judes who are grateful for the support we give them to fight poverty through education.

Another Great Rotary Success Story

The Rotary successes just keep coming. The breakfast for Gemma Sisia and St Judes was a huge success. The table decorations were beautiful, Godman, graduate of St Judes was a brilliant guest speaker and Deborah, the Zebra was a huge hit. The final reconciliation of the funds raised is still being undertaken but raffles and auctions alone raised \$12k so with matching donations and all those envelopes and sponsorships yet to be tallied, it will be an impressive sum. What was particularly pleasing were the number of unfamiliar faces at the breakfast, it was a brilliant way to spread the word and get others involved in Rotary and St Judes. Many members won raffle prizes and if you get the chance to talk with Russell, ask him about his great raffle win.

Tiina's Report

Tiina has had another busy week, it started with a futsal tournament. The success for the team wasn't the best possible but they all had a good time, which is the most important thing. They didn't play for sheep stations!!! The rest of the week was spent trying to recover from playing six games without subs. She also caught up with school friends and went to the breakfast at St Lucia for Gemma's presentation which she found really interesting. In the evening she went for her first 10km in two years.
