Kym's Catch Up

This week is all about Africa for High-Rise! The club welcomed in the New Year with a trip to Tanzania for 29 members, family and friends. We visited the Mamba and St Jude's schools as well as hosting a Rotary lunch in Arusha. There was also plenty of time for exploring Tanzania and venturing on Safari for 5 days.

It was a truly inspiring experience to see first hand the impact our club has made in the region and how our collaboration with the Rotary Club of Mkuu-Rombo has epitomised what it means to be a Rotarian.

We opened a new assembly hall at Mamba that was built in conjunction with RCs of Stones Corner and Mkuu-Rombo. It is an impressive building, providing the school and surrounding community with a fabulous facility that will also yield a small income.

It was inspiring to look through the building works the club has undertaken over the past 8 years and how an idea from Past President Bill to build a water tank grew to be such an outstanding project.

We provided stationary and learning resources to the Mamba students and were fortunate to be able to hand these out to hundreds of local children.

Our visit to St Jude's reinforced the club's support of the school and students; we now have over 20 sponsor students within the High-Rise community. We also met the student members of the thriving Interact Club – a great example of Rotary in action.

A Rotary lunch in Arusha topped off the 'official' events and was a wonderful opportunity to mix with local Rotarians, Rotaractors and Interactors.

Thank you to everyone who has been involved in these projects over many years – it's a proud moment for High-Rise members.

President Kym
