LAST WEEK'S MEETING

Last week our guest speaker was Corey Allen from the Queensland Police Service. Corey explained the importance of communication to deescalate situations in policing. It was a very interesting and informative meeting. Corey loved the Rotary four way test. Sam also returned for another visit and enjoyed fellowship with Yvonne and Jane.

These are the most awesome conference stands ever seen. And 3,000 global airport, airline and tourism delegates descended on Adelaide. Next year global Routes heads to Milan...

BARB'S JOKE CORNER

Reaching the end of a job interview, the Human Resources Officer asks a young engineer fresh out of QUT, "And what starting salary are you looking for?" The engineer replies, "In the region of \$100,000 a year, depending on the benefits package." The interviewer inquires, "Well, what would you say to a package of five weeks vacation, 14 days study / conference leave, 25% superannuation, and a company car leased every two years, say, a red Porsche?" The engineer sits up straight and says, "Wow! Are you kidding?" The interviewer replies, "Yeah, but you started it."
