Kym's Catch Up

High-Rise members have been enjoying the Christmas break with many of us travelling overseas. Its wonderful to see everyone's holiday photos from all over the world.

As the year gets started we are looking forward to the next 6 months and the activities we have planned for the club. Vascolynna will be in Brisbane for her operation in four weeks time, then we are hosting a breakfast for the School of St Jude's on 17 March. We are also host club for the District 9600 conference in March. Holidays will be behind us vey quickly!

But in all the busy-ness we still find space for us to help others and support each other. Its part of what makes Rotary a wonderful organisation.

The fellowship of our club is strong and while we were in Africa I witnessed a wonderful bond between everyone in our group – both members and newbies! It was never too much trouble to help or support someone else, or to chat and spend time together. That willingness to put others, and service, above ourselves enables our club to take on the busy-ness together with laughter and joy.

AFRICA 2019

A wise Rotarian from Nairobi comments that *Rotarians move the world one project at a time*, Next week's meeting is one not to be missed as Andrew Albury will be speaking to the club on achievements of RC High-Rise, its Rotary partners and friends in Tanzania. We will hear of this latest club safari to Tanzania and learn first hand how this group of Rotarians is indeed moving the world towards international understanding. We may also hear about some of the fun they have along the way.

From the Tillmanns.....

Hi Everyone, it is with a very heavy heart that I leave the UK and move onto the US. We have had the most amazing time and really enjoyed London and Cardiff. Cardiff was a very pleasant surprise, the weather was fantastic (we saw sunlight for a full day!) and Cardiff Castle worth the visit. The Australian schoolboys rugby team were visiting while we were there, so everyone was very welcoming of Australians.

While in London, we saw a number of shows and enjoyed the museums and usual tourist sites. Experienced an amazing sunrise at Stonehenge - very memorable. The girls did a fair bit of shopping (sales were fantastic) and we have acquired a new suitcase. May need a semi trailer to get all the luggage home from the airport as we are shopping today in New York to avoid the arctic freeze temperatures (- 9).
