5 November 2020

Rotary Foundation

From our President – Margot Baillie

What a fantastic meeting we had last week. Everyone looked splendid in their Melbourne Cup hats. Thank you for making the effort. It was also great to welcome so many visitors and prospective members to witness Susie Lawson, from AVEO Newstead, receiving her Pride of Workmanship Award, as well as getting a unique update on St Jude's from Noela Phillips. Noela's presentation very effectively shared the joy of St Jude's through video messages of thanks from all the students that are sponsored by members of our Club and the brilliant photos from previous visits by our Club to Africa and St Jude's. The presentation was inspiring and there were a few happy tears shed as we gained a better appreciation of the impact our support is having on students and their families. Thanks to Cassie who assisted Noela with the technology. This presentation made me realise that even during Covid restrictions BHR is still having a huge impact on making the world a better place.

Don't forget to check your Trifecta tickets on Tuesday afternoon and good luck to everyone in backing a winner at the Melbourne Cup. This Thursday there is no meeting as we are attending the Art Show Celebration at St James College, which has prepared a great menu for our event. See page 4 for event details (timing, parking and the menu). Tickets are still available.

Keith has also done a brilliant job of securing a donation of paint from Bunnings and Dulux to support our service project of painting key areas at 3<sup>rd</sup> Space. If you are able to join the paint crew on 21 November please contact Keith ASAP.

The Christmas Party team are continuing to work on the event and make good progress, it looks like it will be a very *Merry* event with excellent food prepared by a chef. If you haven't already, make sure you let Yvonne know if you would like to attend as there are only a few places left.

Also our best wishes to Lindsay Marshall for a speedy recovery, free of back pain.

# Last Week's Meeting

Melbourne Cup fever was alive and well at BHR last week with everyone joining in the fun and wearing their race day finest and participating in the Tanzanian Cup. Our two last Pride of Workmanship Award recipient received their awards. Susie Lawson from Aveo at Newstead received her award from Helen Fox at the meeting, while Ross Perfect at Maestro Meats at 5 Eric Cres, Annerley received his award at his butchers shop. Noela's presentation on the Joy of St Jude's was a big hit and made us all "travel sick" for Africa.

## ST JAMES COLLEGE SITE PLAN

# Support Noela Phillips Challenge Yourself for St Jude's

While many of us know Noela well and have seen her in some glamorous outfits her current fundraising efforts for St Jude's sees her in practical exercise gear. Noela is participating in the 2020 *Challenge Yourself For St Jude's* to raise money for The School of St Jude. As we heard last week St Jude's IS transforming lives. It is important to note that 98 cents in the dollar raised through this campaign goes directly to the school, to help the children receive the best education Tanzania and indeed East Africa, can provide. "In a classroom, the world begins".

Gemma's vision to fight poverty through education began with a single \$10 donation. It would mean a lot to Noela if you could support her Challenge by making a donation to "The Power of 10" and spread the word, any donation, even \$5.00 would be greatly appreciated. Donations can be made at this link.

## Barb's Joke Corner

A man running a little behind schedule arrived at the cinema, went in to watch the movie that had already started, and as his eyes adjusted to the darkness, he was surprised to see a dog sitting beside its master in the row ahead, intently watching the movie.

It even seemed to be enjoying the movie: wagging its tail in the happy bits, drooping its ears at the sad bits, and hiding its eyes with its paws at the scary bits.

After the movie, the man approached the dog's owner, "Wow, your dog really seemed to enjoy the movie. I'm amazed!"

"Yes, I can't believe it myself," came the reply. "He hated the book."

When I went to get my driver's license renewed, our local motor-vehicle registration office was packed.

The line inched along for almost an hour until the man ahead of me finally got his license.

He inspected his photo for a moment and commented to the officer, "I was standing in line so long, I ended up looking pretty grouchy in this picture."

The officer looked at his picture closely. "It's okay," he reassured the man, "That's how you're going to look when the cops pull you over anyway."
