1 INTERNATIONAL TOAST

Today we toast the Rotary Club of Erdington - UK. The club meets at 7:00 PM on the 1st & 3rd Monday in a month. Together with other District 1060 clubs, they distributed lightweight one-person tents to homeless people in the UK. Sleep Pod will do all they can to support people as they sleep underneath the stars, for whatever reason they find themselves there.

Why Join Rotary?

There are many reasons that people of all nations join in Rotary - one of the strong drivers is "The Opportunity to Serve"

Rotary is a service club.

Its business is mankind; its product is service. Rotarians provide community service to both the local and international communities.

This is the best reason perhaps for becoming a Rotarian; the chance to do something for somebody else and to sense the self-fulfillment that comes in the process. Rotarians believe in Service

above self; it's richly rewarding. "He profits Most Who Services Best"

On June 4 June 1993, the Brisbane High-Rise Rotary Club was chartered with 27 members.

We have maintained a strong connection to "The Opportunity to Serve" both in new membership and those members who have been with us for many years. **Phil Breene** was with us just last week - an original founding member and now celebrating his 90th Birthday.

No matter the events of the world around us - it takes those people who "act" on the Opportunity to Serve to help throughout the world.

Brisbane High-Rise Rotary is proud to serve and welcomes along any persons who might also like to know more about how Rotary fulfills its mission: We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders."

Greetings from Munich

A message from Frank

After weeks of farewell events and trips to Sydney, Wagga Wagga and other parts of NSW as well as a visit to New Zealand, Sabine and I are now settled back in our home in Munich.

After 23 years in Australia we had made so many real friends and to hug them "goodbye" was touching. The last was Rosemary Meadows at QPAC when we saw the QLD Ballet performing on the night before our departure. Unforgettable the party at the O'Donovans and all the nice words from Rotarians and from so many other people. We thank you all for joining our paths in Australia with so many memories engraved in our hearts.

What a lucky country you are living in, which we enjoyed but we had to leave to go home. Many people asked us why? Especially during the war times in Europe with hard consequences for our quality of life. We are now eyewitnesses of a new area in Europe, which is fighting to survive the difficulties on many fronts. This creates mutualities and new friends but our old friends in Australia will stay forever.

Please come to visit us when you are travelling to Europe. We would love to see you again. Some have already announced their intentions.

I will update you from time to time about our new adventures.
