FROM THE PRESIDENT - DYLYS BERTELSEN

... so diverse ... so active ... with such wide scope.

Breakfast speaker last Thursday was Dr Cameron Curley, a haematologist at Mater Health and co-investigator in the management of acute and chronic leukaemia, myeloma, lymphoma and stem cell transplantation. He came to tell us about breakthrough innovations taking place in cancer treatment, which offers new hope for many patients.

A subject matter expert, with the rare gift of translating the beyond-complex into fascinating everyday language, Cameron held us captivated throughout a talk that made entire sense to everyone!

He explained that Project Penny pays tribute to a late colleague from research partners BDO "who certainly would have benefitted from it." Learn more [here](#).

... with boiled eggs are back for Breakfast.

We've decided to revive the boiled egg profile for new members. You know the one? Where an individual has the time it takes to soft-boil an egg, to tell us all about who they are. Hawys was the first of the batch. And as a former teacher, sailed in like a pro to deliver an expert potted profile. Up next will be Loretta.

... all over Facebook...

Exciting to see so many posts as clubs in our district get

involved across so many diverse activities and initiatives for good. At home and abroad. Spotted last week - the Ashgrove Meals on Wheels van - trundling through Moreton District to bring food and friendly smiles to a neighbourhood well beyond their own.

... supporting Cowboy House...

A mention of this worthy initiative last week prompted a warm response. A small group - led by Jane - is now poised to start planning its actions. More are welcome.

... standing up for early interventions in autism ...

We have some initial interest. But would welcome more, with the first meeting happening within a few weeks. Let me know if you'd like to come along.

... hosting Rotary Exchange Students ...

Many thanks to Margot, Greg and Ann-Maree who have this in hand for 8 December. Helpers and conversationalists are welcome. Talk to Greg. Time and venue TBA.

... taking up RARE opportunities...

The next opportunity to lend your helping hands to RARE (Rotary Australia Repurposing Equipment) - particularly as a Vollie Coordinator will be on Saturday 2 December! Contact Steve.

ROTARY GRACE

For the Fellowship of Rotary we Give our thanks

Last Week's Meeting

At last week's breakfast, Dr. Cameron enriched us with insights into acute and chronic leukemia, myeloma, lymphoma, and stem cell transplantation. It was enlightening to be introduced to Project Penny and contribute to such a commendable endeavor.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1** The development of acquaintance as an opportunity for service;
- 2** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society
- 3** The application of the ideal of service in each Rotarian's personal, business and community life;
- 4** The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

International Toasts

Today we toast the Rotary Club of Seminole Lake Florida. The club meets at 7:15 PM every Friday.

Since 2014, the Rotary Club of Seminole Lake, Florida, has been aiding children in Belize through projects like playground construction, educational support, clothing, and medical screenings, in partnership with the Rotary Club of Belmopan, Belize, with recent efforts including a seventh playground, 1,500 pieces of clothing, toiletries, backpacks, and 30 wheelchairs.

Melbourne Cup

We cordially invite you to join us and become a vital part of the Melbourne Cup event, facilitated by the AEIOU Foundation. Embrace the opportunity to volunteer your time, skills, and enthusiasm to make this experience truly unforgettable. Your dedication will play a crucial role in supporting our cause and creating lasting memories for all involved.
