1 INTERNATIONAL TOAST

Today we toast the Rotary Clubs of Oakville, Oakville-West, and Oakville Trafalgar, Ontario - Canada. They packed 1,000 bags of barley for St. Vincent & the Grenadines, helping a country recovering from natural disasters. With quick work, they accomplished what would normally take two shifts in three hours. This is part of the Oakville club's monthly commitment to volunteer at GlobalMedic's warehouse for disaster response.

FROM THE PRESIDENT – BARBARA LEDDY

I have just come home from a wonderful meeting of the Club. We presented a Pride of Workmanship Award to a beautiful recipient & inducted our new inherited Rotarian from Stones Corner, Phil Gough.

Greg Beard brought Rebecca Keating to our notice describing her commitment & diligence to her job as a Cystic Fibrosis Nurse working at the Mater Hospital. Greg has had firsthand experience receiving regular injections at the hospital done by Rebecca. As a caring professional Rebecca has gone way beyond her usual duties helping non-privileged patients afford their medication & transport.

Rebecca is currently working towards a PhD from a local university. Rebecca is the epitome of one who deserves, beyond doubt, the Pride of Workmanship Award.

Last Monday Dyls & I presented another award to the workers at 'The Coffee Booth' in the City. As they weren't able to come to our morning meeting, we went to them to present their award.

A young vibrant group of enthusiastic workers, they, according to nominee Dyls Bertelsen, served her coffee every day with a smile & a personal greeting. They were efficient, professional & eager to please their clients. They were thrilled to accept their award & are already displaying it prominently in the shop.

A well-deserved Pride of Workmanship Award!

It was a great privilege to induct Phil Gough into the Club. Phil comes from a very successful Club at Stones Corner which has a track record of Rotary service to be in awe of. The ageing members felt that their vigour had waned & it was time to hang up their Rotary caps. The young Phil, still full of the excitement of life, looked around and saw great possibility for more Rotary service at High Rise, especially in the realm of Art Shows. Phil is an Art Show guru having been involved in Rotary shows since Adam was a boy!

A most exciting project looming for the Club is the fundraising breakfast will have when Jemma Sisia arrives in Brisbane on 12 June for the launch of her new book. Bill Phillips & his bevy of beauties will make the day a great success with raffles & speakers from Tanzania to rekindle our interest in St Jude's. We hope to make this event one to remember.

QUOTE OF THE WEEK

"If only you could sense how important you are to the lives of those you meet; how important you can be to people you may never even dream of. There is something of yourself that you leave at every meeting with another person."

Rotary Meeting

Great meeting with Brisbane High-Rise club members! Greg Beard introduced us to Rebecca Keating, an exceptional Cystic Fibrosis Nurse at Mater Hospital. Rebecca's dedication extends beyond her job as she assists non-privileged patients with medication and transport costs. Kudos to her!

Rotary Youth Programs

ROTARY YOUTH PROGRAMS – an overview

Many will know more than I do about Rotary Youth Programs and our club's past involvement in them. However, there are several now who may not know the extent of the program for youth offered by Rotary.

Many are international and in fact, one very significant international program, Rotary Youth Leadership Award, RYLA, was started in this District by Hamilton Club over 50 years ago.

There are ten Youth Programs in all at a District level and our club adds an additional program with our support of schools in Tanzania. All programs are broadly aimed at aiding development and understanding opportunity.

Over the next few months, I'll note small articles about each program. Please ask me for more information, or raise questions at our meetings about these programs.

The first are programs in schools.

1. EARLYACT – A school based community focussed program for primary school groups of students. A Rotarian supports students (and teachers) involved. EARLYACT enables students to set goals, plan collaboratively and develop Leadership skills.
2. INTERACT – a program for high school students, similar in aims to Earlyact. However groups are responsible for developing and running their own programs. Both local and international service are encouraged.
