1 INTERNATIONAL TOAST

Rotary Club of Cornwall Sunrise

(details on page 3)

FROM THE PRESIDENT - DYLYS BERTELSEN

... with Directors sharing information through our Club Assembly

This week saw the first club assembly for our club for this year. Club Directors Bill, Cindy, Greg, Jane, Susan, Robyn, Steve and Angela had their say - albeit a short one. But unfortunately, time was so tight that Lindsay missed out and Wendy had too little time to do justice to her report on the Rotary Foundation. But make no mistake. They'll be back! Wendy will be presenting on the 16th of November.

And the takeout from all of that? The inspiration of seeing so many people working so hard in so many ways towards a common goal. Connecting, sharing and staying together in pursuit of good are precious drivers in a world so fragmented by opposing agendas.

... paying homage to the ties that bind

Connecting and staying together was very much top of mind as we paid homage to Phil Breene who has been a little under the weather lately. Phil is a member of our club, he is kept up to date by numerous other Rotarian friends who stay in touch in the belief that 'once a member, always a member.'

... progressing new initiatives

The first planning meeting for the Cowboys House initiative is booked for Friday 10th November.

And

The first planning meeting around the AEIOU Early Intervention and Diagnostic Clinic is now set for 14th

November. We'll keep you posted on the outcomes.

... foregoing the Melbourne Cup for duty...

With the jam-packed club assembly squeezed into the breakfast meeting on 2nd November, there was sadly no time for our usual Melbourne Cup spoof. That didn't deter Lindsay from sporting his cap and binoculars in deference to the race that stops a nation!

... keeping members up-to-date with events...

Kym has advised that work is in progress on a refreshed website. Among the embellishments is a new, confidential Members Page that will contain Minutes from Board Meetings, details of upcoming speakers and lots of other interesting members-only information. Click [here](#) to view the Members Page.

Do have a look now while it's top-of-mind and let Kym know if you have any bright ideas for the website or for other promotional materials.

... some good news

Dr Cameron Curly and the Car-T Cell Therapy Program team won the Clinical Researchers of the Year Award for Royal Brisbane and Women's Hospital at the Metro North Annual Research Awards last night.

RWBH would like to invite our club to come and have a tour of RBWH Car-T Cell Labs and our Herston Biofabrication Institute and then have breakfast on RBWH campus. We are looking to organise this for sometime in January or February next year.

Last Week's Meeting

During our initial club assembly of the year, the directors discussed various aspects of Rotary, emphasizing our strength in fostering connections, sharing, and maintaining unity in the face of a world often divided by conflicting interests. These values are crucial in our collective pursuit of positive change.

The Flying Doctor's Charleville Base 80th Celebration

Russell Postle joined in the 80th anniversary festivities at Charleville RFDS, where both the base and the WWII hangar marked eight decades; he and Meredith took charge of the BBQ for the staff on Wednesday evening, and notable speakers included Nick Tully, the chief pilot, and the granddaughter of the first doctor, Alan Vickers.

International Toasts

Today we toast the Rotary Club of Cornwall Sunrise in southeastern Ontario. The club meets at 7:00 AM every Wednesday.

The Rotary Club of Cornwall Sunrise in Ontario, in response to the pandemic's impact on older individuals, collaborated with the Rotary Club of Cornwall and the city government to launch "Seniors on Wheels" tours, utilizing three-wheeled cycle rickshaws to provide seasonal trips along the St. Lawrence River for local seniors, with volunteers covering a total of 300 miles last year.
