The Presidential Point:

Everyone who made it to the Art Show Cocktail Party had a “night to remember”. Congratulations to the organisers, especially because the numbers were above what was anticipated. I felt the crowd was just about right for the space.

The Art Show judge, Chari, must have had a hard time finding the Best In Show with so much great work. And I congratulate Rob O’Donovan for buying a Highly Commended piece of art, before it was given this accolade!

Don’t forget we still have some days to go to the end of the show. We need a good complement of volunteers on Saturday 27th to wrap everything up, hand the sold art over to the buyers and unsold works back to the artists. Check the roster and fill in those gaps.

I am so proud to tell you all that our Wendy Protheroe, who is a Director of the Rotary Foundation, has been appointed to the role of Endowment/Major gift advisor as part of the Regional Leadership Team. This appointment will begin in July 2025. In the meantime, I think Wendy has quite a bit of training to undergo to fully understand her role and the expectations they have of her. With the Upcoming Meetings & Events list to see when Dyls has scheduled a slot for Wendy in the Speaker program that she can give Wendy to explain to us her role.

**ART
SHOW**

One of the objectives of the Art Show is to promote Rotary and the two clubs. We have had several Rotarians and other interested in Rotary coming up to the Sales Desk to chat and learn about us.

ARTiculate Event

Sunday afternoon at the Art Show was devoted to the ARTiculate wine and cheese event. It went very well with all those in attendance enjoying an enticing selection of wines and delicious cheeses. A feature during the afternoon were demonstrations/exhibitions by a number of artists; these attracted considerable attention.

Pleasingly during the course of the afternoon we sold quite a number of paintings giving our sales a much needed boost.

While we would have liked to see a few more people in attendance, the event was well justified; it was a very pleasant afternoon both interesting and enjoyable. Plus we made good sales.

Thank you to the High-Rise team, Yvonne, Ann-Maree, Greg, Zanthia and Steve who planned and organised the event. Plus we had Phil engaged in demonstrating his artistic skills. Also the ongoing support by Central Plaza 1, allowing us to have the show overall and this event specifically.

Apparently in München it takes

A message from past member Frank Leschhorn:

Dear Rotarian friends of RC Brisbane High-Rise, It is now about two years since Sabine and I departed from Brisbane and relocated to Munich after more than 22 years living and working in Australia. Rotary was part of my life from 1986 and RC Brisbane High-Rise has been the club where I spent most of my Rotarian times.

Last year, in February I joined RC München-Bavaria to become Club Secretary for 2023-24 and since July I am President of the club together with Professor Peter Greischel who only wanted to be President if there was another one to share the duties. I agreed to be the other one. Funnily enough we have our birthday on the same day.

Our club meets every Thursday night at 7.30 pm in the "Ratskeller" of the old town hall at St Mary's place in the old centre of Munich. I would be very happy to welcome Rotarian friends from High-Rise at our club one day.

Kind regards to all of you, I am missing you, Frank Leschhorn
