"We're getting organised for our Christmas Carols & Markets on Saturday 19 December. We would love to see if Rotary would be interested in getting involved and helping us make the event a great community night. We're looking for a local community group to assist us with a few things on the day, while also providing an opportunity for Rotary to raise some funds for your

club. What we're looking for:  *Gold Coin Donation / Entry We'll be asking attendees for a gold coin donation on entry. We would love Rotary to help manage the donation point and bring along donation buckets/bins for collecting the funds. This would allow Rotary to raise funds*

while supporting a great local community event.  *Event Assistance / Security We'd also appreciate some assistance with keeping an eye on the entrance and general event area, particularly while the markets are operating and people are arriving. Rotary volunteers would be very welcome to stay on after the markets finish and through the start of the Christmas Carols, giving you the opportunity to continue collecting donations and fundraising. Event Times*

Markets: 2:00 pm – 5:00 pm

Christmas Carols: From 5:30 pm We're hoping to make this a fun, family-friendly community event and would love to have Rotary involved."
