## To the President and Members of the Board

Dear President and Members of the Board,

### SHELTERBOX AUSTRALIA FUNDRAISING

I am walking 72 km in October to raise money for disaster relief with ShelterBox Australia. I am writing to request a donation. Your donation can be made directly to ShelterBox Australia or to the fundraising website; details are below.

ShelterBox Australia

BSB: 633 000 Account Number: 166 780 163 Please record my name in the reference. *Or to:*

<https://hume-and-hovell.raiselysite.com/paul-twohill>

Our club in Yass has supported ShelterBox over the past three years and this year our Club is assisting ShelterBox Australia to run the 2026 Trek 4 Shelter fundraising event. Mandy Wade, our Vice President & Director of Community Service is the initiator, organiser, and leader of the Trek.

From 15–18 October, 14 hikers from across Australia will take on the first 72 km of the historic Hume & Hovell Track, supported by a dedicated five-person support crew and the generous assistance of Rotary Club of Yass and neighbouring Rotary clubs across District 9705. This is Stage 1 of 5 with the goal of completing the remaining sections of the 426 km track over consecutive years.

ShelterBox is an independent charity and Rotary International's project partner in disaster relief. They provide emergency shelter and essential household items to families who have lost their homes through disaster and conflict, working with local partners in some of the world's most challenging environments, including most recently in Nepal following the tragic flooding events.

Mandy Wade is also doing the Trek and donations for Mandy can be made to ShelterBox Australia recording her name in the reference box or to:

<https://hume-and-hovell.raiselysite.com/mandy-wade>

Every donation, no matter how large or small, will help support ShelterBox's work providing emergency shelter and essential supplies to families affected by disaster and conflict.

Thank you for your support.

Kind Regards

Paul Twohill

International Director and Past President
