

**Invocation.** *For good food, for good friendship and the privilege to serve we give thanks.*

**Four Way Test** *of the things we think, say or do. Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?*

## SHENANIGANS

**Rohan.** the River of Light made a \$2,000 profit. And a huge card with self-portraits from the kids was a touching thank you for our work with the school garden renovations.

**Rhonnie, Steven, Andrew, Shirl and Col** are the new Meet and Greet Team – room for one more.

**John Spencer's** thorough management of Race Meetings and Changeover Roster are running smoothly. Thanks to all volunteers.

**Batemans Bay Rotary,** will be bringing a team of seven to the Changeover, we will have music and it will be in the Golf Club Restaurant.

**Phil Armstrong** prepared detailed data on Moruya Rotary's four financial accounts for the board. We had extensive discussion of the different account's purposes over the last 20 years. Ron Chesher was mentioned. Refinements to bring them up to date have been suggested and there is a plan of implementation.

**Shirl Cornish** attended the zoom meeting Big Pink Youth Dialogue, an initiative of Northern Gold Coast Rotaractors. At the Convention Dr Chandra, leader of Adolescent Sexual and Reproductive Health for WHO, gave clear evidence that shows that partner and sexual violence is increasing worldwide. He happened to be in the breakout group that I was in. A vigorous debate ensued. A Rotaractor said she had a very good class about sexual issues in Year 5 the only other one was in Year 7. Many supported the idea it should start young, at five. A lady from Africa said how wonderful it was in the west to be able to walk down a street without getting your bottom pinched and to go to a pub without getting a barrage of unwanted propositions. However, in the west women and children still stay in unsafe households for financial reasons. Pornography was mentioned. I suggested that violence is hereditary, boys follow their father's example. Dr Chandra agreed. Towards the end Dr John Townsend, Chair of Rotary Action Group for Maternal and Child Health, asked, 'What can Rotary do?'

## Last Week: Very much a fellowship meeting,

Lauren was called away on a family matter and Ben Stevenson from Harris Scarfe was an apology, so we had four noisy tables of fellowship, a really pleasant gathering.

Rohan showed a delightful "thank you" from the preschool children thanking us for the repairs and rebuild of the chook pen and garden. The plan is to have a plaque identifying them as the Jerry Bussa project.

## Trachoma—A thank you email from Jan.

After what has seemed an eon of time - 18 months- we have finally delivered our five boxes of 17 family kits, 6 extra kids kits and a few spare toiletries to Pack and Send in Camberwell, Victoria. They will join the boxes coming from Rotary clubs of Frankston North and Rochester. They will be put on a pallet and shrink wrapped before heading to Alice Springs. Pack and Send are delivering at cost which is very generous of them. They are very much in awe of Sandi Fulcher's work. She is our overall co-ordinator of the project and has been sending these kits to outback Australian areas for several years now.

I would like to thank everyone who has had input into this project, you know who you are!

Donating fabric, pinning, sewing, threading drawstrings, ironing labels with antique irons and finally packing up the kits.

A big thank you to Sue who did the original seeking out of best prices - she is such a sweet talker!

Lastly to Shirl who first saw the project.

What next?

We have our dining room back!

Jan

### Meal Numbers.

John Spencer is well ahead in finalising numbers for next week's Changeover—round about 65. Dress is smart casual.

To assist the kitchen staff and avoid late service it is important that you contact John if you intend to bring any guests, plus any dietary requirements they have.

### June Mills is leaving us.

For some times June has been finding that her health was preventing her from active participation in Club activities, so she will not be renewing membership. So with thanks for her years of service, we wish her well—and assure her that she will always be welcome to drop in for dinner.
