

Invocation. For good food, for good friendship and the privilege to serve we give thanks.

Four Way Test of the things we think, say or do. Is it the **TRUTH**? Is it **FAIR** to all concerned? Will it build **GOODWILL** and **BETTER FRIENDSHIPS**? Will it be **BENEFICIAL** to all concerned?

SHIRL'S SHENANIGANS

Lauren Barnett, this Tuesday we have the joy of welcoming yet another new member, who knows our other young new vibrant member **Rhonnie South** through her work in the Shire Council as an IT System Administrator. Rhonnie has hit the ground running and doing a fantastic job in our wonderful youth portfolio by helping organize RYDA, which I think is one of Rotaries most valuable programs, and MUNA.

Getting back to Lauren, in her youth she was in the Surf Club and St John's Ambulance. Then she had twins who are doing matriculation this year and also adding two L platers to my quiet end of Vulcan Street. So as well as work there has been school activities, army cadets and canteen.

Another new member **Steven Picton** gave us a rich experience by inviting us to JJ's Walk to End Homelessness. And my John really valued his help as the Port Man – a long tradition of our club. Also new is **Vere Gray** who has also made an impression. She will be Secretary next year. She has instigated a small toilet reconstruction in the Philippines, and given one of her gorgeous quilts for a CAERH raffle.

And **Mervyn Jamison** – what an entertaining talk he gave us about how easy it is to sell trucks.

Elizabeth Fleming, speaking of new members it is encouraging to see Elizabeth at a few meetings, wouldn't it be lovely if she joined before the end of the year?

On the negative side we have had the shock and sadness of the sudden lost of **Gerry Bussa** and **John Hayes**. Rotary's guard of honour and support of the two families giving much needed comfort.

Two quotes from **Winston Churchill** have recently been applied to John Hayes.

John's youngest son, Peter, started his eulogy with, 'A famous writer once said, "We make a living by what we get, but we make a life by what we give". If that is true, then John made a great life. He was the most giving person I've ever known.

Recently at the Quantum Brewery John Gillett described John as an 'enigma'. John came to me asking, 'What's an enigma?'

"It's a quote from Churchill, who described the Soviet Union as 'A riddle wrapped in a mystery inside an enigma.'" I said.

Catering at the Kiosk—The New Regime

In the Bulletin of 22 November 2022 Ward set out his thoughts on how the Kiosk might run in 2023. At that stage we were looking for an individual to succeed him. Jan suggested that the management job should be split. Since then, we have had Steve and Jan running the show. Now the position is that brothers Phil and Keith have offered to take over for the rest of this Rotary year. Keith's plans are on Page 2. Essentially he splits the task of stocking and ordering from the actual management of the day.

For too long we have depended on too few individuals to manage what is now virtually our sole source of funds. The proposed arrangement gives us all the opportunity to help.

Meal Numbers.

John Spencer will assume you will be attending Tuesday meetings unless he hears otherwise

We have to notify the Golf Club how many meals are required by 10 am on Tuesday. That is the number of meals ordered and they have to be paid for.

If you will not be attending, contact John by phone or message at 043 8282 663

To assist the kitchen staff and avoid late service it is equally important that you contact John if you intend to bring any guests, plus any dietary requirements they have.
