# Moruya 16 August 2022

**Invocation.** *For good food, for good friendship and the privilege to serve we give thanks.*

**Four Way Test of the things we think, say or do.** *Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?*

## SHIRL'S SHENANIKINS

**Steve Young** is taking his new role as Secretary Shirl's Assistant Seriously (CAREH). He picks me up on every spelling error or slightly misspelt name. He is also talking to Batemans Bay Rotary about the finer implications of CAERH.

**Peter Smith** is immersing himself in the tricky business of Heads of Agreement, Constitution and Incorporation.

My thanks to both of them.

**Ward Hack** made a special request to the board for a donation to the Hazara family who worked with the UN in Afghanistan. See Ward's email of last Tuesday for detail. The board were pleased to be able to give \$1000.

### From the Chief Executive of SNSWLHD Margaret Bennett

*Dear Shirley,*

*Just a note to acknowledge your email and thank you, along with the CAREH committee members...and the members of all three supporting Rotary Clubs for your leadership, dedication and support in progressing the establishment of CAREH.*

*As a long-standing Rotarian myself, I am very aware of the extraordinary work of Rotary in supporting communities near and far...and this is another wonderful example of 'Service above Self'*

*I will look forward to meeting you in the time ahead, with all that is being progressed to improve healthcare facilities and service delivery in the Eurobodalla.*

*Kind Regards*

**Margaret**

**Shirl**

## John and Shirl on holiday

Their long planned holiday from 24th August to 29th September takes them to Alaska, Vancouver and Calgary.

To cover her absence from the CAERH project, Shirl has produced a wealth of information:

1. Her minutes of the meeting on Friday, 5th August. *(The material was pretty well covered in last week's Bulletin).*
2. A list of prospective sponsors who might be approached for funds. *(We should all add our own suggestions to that list).*
3. Examples of other Carers accommodations in regional NSW hospitals, particularly if Rotary is involved.
4. A short outline of the process for Moruya Friends of Rotary so that they know what is going on.

Next meeting is on Friday, 30th September.

### John Hayes on holiday—volunteer needed.

John has a pretty essential task of forecasting meal numbers for each meeting—if he over estimates we may end up out of pocket. We need someone to take over.

Also we have dinners for medical students on Sunday 28 August—someone to organize??

## Treasurer—No volunteer as yet

There is probably a feeling that the job of a Treasurer is so complex that accounting qualifications are needed. This is not so, though it is easy to see how that view arises. In the six years of his treasurership, Rohan used his own proprietorial software which could produce monthly detailed reports of up to 13 pages.

As incoming club treasurer, you would not be using that software. However the job is more complex than that of the treasurer of say the Rural Fire Service, or Probus. It has to deal with subscriptions to RI or the Foundation, with money to or from District and of course with the dues of individual members.

In the days when our Treasurers served for only one or two years, we relied on District assembly training sessions to teach the rules. And, indeed, our present District manual says *“Districts also hold role-based training events for club presidents, secretaries, treasurers, and committee chairs”*

But even if our District mounts old style training assemblies in 2022/23 year, it is too late for us. Perhaps we could find out how Batemans Bay and Narooma are coping and follow their leads. However we do it, we must have a Treasurer.
