Moruya 23 August 2022

Invocation. *For good food, for good friendship and the privilege to serve we give thanks.*

Four Way Test of the things we think, say or do. *Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?*

SHIRL'S SHENANIKINS

Carers Accommodation Narooma Rotary have a raffle at this time every year and so this became the first fund raiser for CAERH with one book being sold on Tuesday night. The prize is a whale watching cruise.

RAWCS Weekend At last RAWCS is back in action at the Blacktown Sports Club Sydney – how huge it is. Many long term projects are reopening for visiting after a long break. One drawback is the airfares which for Cambodia have gone from \$900 return to \$2,500. The guest speaker at dinner was Jaroslav Duma the Honorary Consul of the Ukraine. His PowerPoint was not for the squeamish – too horrific for the TV news – and his thanks to Rotary for large donations was genuine.

Pictured: John and Shirl Hayes, Jaroslav Duma and Walter Bock.

Walter will be Moruya's guest speaker on November 15th. Walter has devoted half of his life to RAWCS and participated in 653 projects since 1992. His latest venture is to set up a new Rotary Club with mainly younger Philippino ladies in Sydney.

Cambodia Calls. I was guest speaker with Phnom Penh Rotary Club Friday, by Zoom, to talk about SHEP. I was the only female in the room of mainly ex-pat Rotarians. Even on Zoom I could feel their interest. The President emailed afterwards, *'This is a topic that really does need some air in many countries including Cambodia. We look forward to having you visit in January and will try our best to support your endeavours as well as a possible meeting as a precursor to further talks and action in January.'*

I will attend a meeting on 20th January.

Last Week—Greg Malavey

Janice Sagar of Moruya Bookshop was sick and, with only a couple of hours to prepare, Greg agreed to fill the gap.

In introducing Greg, John Gillette was able to run through a long list of Greg's enterprises and achievements, many in community work. It was the latter, mainly his work with Yumaro, which led to his OAM in 2020.

It was his involvement with Rugby Union and a strong sense of adventure which took him to Swaziland for four years in the mid 1970s. The landlocked kingdom was working through the post British colonial years—exciting but unsafe.

Horse rides took him from north to south, then east to west through national parks and game reserves. On one horseback expedition his party was attacked by native warriors, leaving him with a near severed eyelid which he stitched back on place until a nurse at a remote station did a more professional repair. He found time to establish a newspaper, at its peak employing four staff. He visited Natal and Botswana where he made friends with the family of Seretse Khama, the one time President.

But the most enduring result of his African adventure was a wife. Forty four years later Corrinne is still his support in all his ventures.

Greg was a Rotarian for a decade before resigning in October 2000. He did a year as Bulletin Editor.

The Malaveys plan a return visit to South Africa next year.

Last Sunday's Races

Sunday plus good weather = good crowd and good takings (\$2,917). We sold 146 burgers, 41 sausages, 70 hot dogs, 24 pies, 35 fish trays and 260 chip buckets. Very little left over. It was good to see some of the first shift stay on to help when they saw how busy we were. Thank you to all who gave their time to make this happen.
